1 RECOGNITION - PARTIES TO THE MOU

1.A INTRODUCTION

The representatives of the Board of Commissioners (hereinafter referred to as "the Port") and Local 1245, International Brotherhood of Electrical Workers, AFL-CIO, (hereinafter referred to as "the Union"), have met and conferred and have reached an understanding on the following matters, which they jointly have recommended to the Board of Port Commissioners and to Local 1245 membership for ratification.

The Port agrees to a single MOU for the represented employees provided such differences which may have historically been developed shall not be changed without mutual agreement.

1.B RECOGNITION

The Port recognizes the Union as the exclusive bargaining representative, within the scope of representation as described in the Meyers-Milias-Brown Act, as amended, for such employees in the Bargaining Unit.

1.C NOTIFICATION OF NEW CLASSIFICATIONS

1.C.1 New Classifications.

The union will be provided with copies of all new or revised class specifications for all classifications at the Port at least thirty (30) days prior to the establishment of such new or revised classifications. Such notification shall include the proposed classification(s), job description, title and salary schedule, along with the reason(s) for the proposed establishment of such classification(s).

The Union may protest the assignment of such new or revised classification to a unit other than the unit represented by the Union. If such protest is filed, the Port and the Union shall meet to discuss the assignment of the classification to a specific unit.

Within fifteen (15) days of receipt of such notification, the Union and the Port shall meet to discuss the assignability of said new or existing classification(s) to the unit.

The Board of Port Commissioners shall not approve any new classifications in the units represented by Local 1245 until the Union has had the opportunity to discuss the proposed new classifications with Port management and has met and conferred on issues pertaining to wages, hours and working conditions of the new classification. This meet and confer obligation shall not include the content of the job description.

1.C.2 Disputes Over Assignments.

Should there be a dispute over the proper assignment of such new classification(s); the State Conciliation Service shall be requested to resolve the dispute.

2 MANAGEMENT AND UNION RIGHTS

2.A STEWARDS

2.A.1 Number of Stewards.

The Union may select a reasonable number of Stewards, with such number subject to the approval of the Port, from within the represented Unit in each geographic work location. The Union shall provide the Port with a current list of Stewards. Said list shall contain the employees' names, work locations, addresses and classifications recognized by the Port, with a copy to Port supervisors.

2.A.2 Scope of Stewards.

A Steward may represent a member of the unit covered by this Memorandum of Understanding at the appropriate step of the grievance procedure concerning a dispute of rights of a member under the terms of this agreement within the scope of representation. When stewards are notified by a member that a problem or potential grievance is in the making, the steward shall request time off without loss of pay to investigate the potential grievance. Stewards shall request time off as much in advance as possible, preferably twenty-four (24) hours in advance, and shall include the location, area of activity, the approximate time needed and the general nature of Union business involved. Management shall grant the steward a reasonable amount of time off with pay to investigate the potential grievance. Such requests shall not be unreasonably denied, however, the scheduling of the requests are subject to operational needs.

2.B UNION ELECTIONS

Election of officers may be held on agreed-upon Port sites outside of work areas (e.g., break, meetings and lunch rooms), provided such election is all on the time of employees and does not take any time from work.

2.C ACCESS TO WORK LOCATIONS

Authorized representatives will be granted reasonable access to the employee work locations to process grievances or contact members within the scope of representation, provided prior approval is granted by the department head, and provided such access does not unduly interfere with normal operations or with safety or security requirements. It is understood that the Port shall not unreasonably deny such access.

2.D USE OF MEETING SPACE

Upon application, the Port will approve the use of meeting space, if available, for a reasonable number of Union meetings, provided this does not interfere with operations or training, and provided meetings do not take place during the working hours of attendees.

The Union agrees to pay for any reasonable additional cost of security, damage, and cleanup connected with such meetings, and will comply with Port regulations for the assignment and use of facilities.

2.E NOTIFICATION OF RULES

The Port shall provide the Union, upon request, with copies of rules, regulations or ordinances that are applicable within the scope of representation to any employee or employees in the represented unit.

2.F NEW EMPLOYEES ORIENTATION AND INFORMATION

The Port shall provide the union the names, classifications, assigned locations, work phone, personal cell phone, personal emails on file with the employer, and home addresses, within thirty (30) days of hire or by the first pay period of the month following hire. The Port shall provide this information for the entire bargaining unit at least every 120 days. Employees may, in writing to the Port, opt out of providing home address, personal cell phone number, and personal email addresses. The Port will provide the Union with a copy of the request.

When the Port conducts a Port-wide new employee orientation, the union will be allocated up to thirty (30) minutes prior to the end of the session, without management personnel present. The union shall be provided not less than ten (10) days advance notice of any new employee orientation. The presentation may be made by a Union Representative or steward. If it is a steward, it shall be without loss of pay. If there will be no Port-wide orientation within sixty (60) calendar days of hire, then, at the new employee's orientation on Port benefits, one union steward or Union Representative may meet privately with the employee afterward for up to thirty (30) minutes. The steward's time will be without loss of pay.

2.G BULLETIN BOARDS

The Port shall provide, in agreed-upon locations, bulletin board spaces for the exclusive use of the Union. Any posted material shall be non-controversial in nature. The supervisor may direct the Steward to remove any objectionable material. The objection may then be subject to the grievance procedure.

2.H INFORMATION PROVIDED TO THE UNION

The Port shall furnish the Union, on a thirty (30) day basis, the name, classification title, and work location of all newly hired (or separated) employees subject to this Agreement. The Port shall also furnish to the Union verification of dues deductions sent to the Union and of employee contributions transmitted to charitable organizations.

2.I CONTRACTING OUT

The Port may contract out for temporary work or after finding by a vote of two-thirds of the Board that the performance of work by contract, regardless of nature or term, is in the public interest because of economy or better performance; provided, that no such contract for service shall result in loss of employment or salary by any person having permanent status in the competitive civil service.

The Port shall not retain any temporary agency workers who perform bargaining unit work for longer than one hundred eighty (180) calendar days. The Port shall supply the Union with a monthly update of temporary agency work performed. Temporary agency workers filling in for specific employees on maternity leave, on-the-job injury leave, military leave, long term illness or other approved leave are not subject to any limitations of duration of work assignment.

3 UNION SECURITY

3.A UNION RIGHTS

An employee in one of the classes included in the I.B.E.W. Unit, employed as of and during the term on this Memorandum of Understanding shall, as a condition of continued employment with the Port and, in the case of a newly hired employee, within thirty (30) calendar days of his/her employment, execute a payroll deduction authorization form as furnished by the Union, and thereby become and remain a member in good standing of the Union; or execute a payroll deduction authorization form as furnished by the Union, and thereby pay to the Union an initial fee equal to the regular initiation fee and, thereafter, a monthly service fee equal to the regular monthly Union dues; or, in the case of an employee who certifies he/she is a member of a bona fide religion, body or sect which has historically held

conscientious objections to joining or financially supporting public employee organizations, execute a payroll deduction authorization form as furnished by the Union, and thereby pay sums equal to Union dues, initiation fee, or service fee to a charitable organization recognized by the United Way, BABUF, CCHA or Progressive Way.

Upon seven (7) days notice to the Port from the Union that an employee described above has failed to maintain his/her membership in good standing or has failed to maintain his/her current service fee payment or has failed to maintain his/her current charitable contribution payment to a charity as designated above, then the Port shall: (1) counsel the employee of his/her obligation under the provision; and (2) inform the employee that further failure to maintain the appropriate payments shall subject him/her to discharge.

The Union shall indemnify and save harmless the Port, its officers and employees, from and against any and all loss, damages, costs expenses, claims, attorney fees, demands, actions, suits, judgments, and other proceedings arising out of any discharge action resulting from this provision.

The Port will not lock out employees during the term of this Memorandum of Understanding.

3.B MANAGEMENT RIGHTS

3.B.1 No Strike Clause.

During the term of this Memorandum of Understanding, and any extension or renewal hereof, the Union and each employee covered hereunder agrees not to cause, encourage, or take part in any strike, sympathy strike, walkout, sit-down or picketing of work or interference with any operations or activity of the Port, or of any person, including any public or private entity, operating on or from any Port premises.

3.B.2 General Rights.

The management of the Port and its business and the direction of its work forces are vested exclusively in the Port, and this includes, but is not limited to the right to: contract out work; make assignments of jobs; determine services and duties to be provided by employees; establish, amend, maintain, and enforce rules, schedules, methods, processes, procedures, regulations and means and ends to assure the safe, orderly, effective, and efficient operations of the Port as determined solely by the Port; determine its general business practices, standards and policies, and the personnel by which Port operations are to be conducted; determine the mission of, structure and restructuring of the Port and every organizational group including work units, sections, departments and divisions in the Port and to terminate any such organization; take all necessary actions to carry out its mission in emergencies; hire and promote employees; fire, demote, terminate and otherwise discipline employees; relieve employees from duty for legitimate reasons; increase or decrease the work force; and exercise complete control and discretion over its organization and the technology of performing its work, provided however that all of the foregoing shall be subject to applicable law and the provisions of this Agreement, arbitration decisions, letters of agreement, or memoranda of understanding clarifying or interpreting this Agreement.

4 DISCHARGE, DISCIPLINE, RESIGNATION, COACHING AND COUNSELING

4.A GOOD AND SUFFICIENT CAUSE

The right to discipline or discharge employees by the Port shall be exercised for good and sufficient cause. The Port shall mail the Union Representative(s) a copy of all "Skelly" notices of intent to discipline given to represented employees as well as all discipline appeal responses.

4.B GROSS VIOLATIONS

In the case of gross violation of rules, regulations or ordinances calling for immediate action (including as examples, but not limited to: theft of Port or other employee property; unprovoked assault on other workers or the public; willful and reckless conduct endangering the health or safety of the public or other workers); discharge or discipline can take place with whatever procedures are proper under applicable law being exhausted prior to the implementation of discipline.

4.C PROGRESSIVE DISCIPLINE

In serious cases calling for lesser discipline or such non-pay contemplated discipline which may be stayed, the principles of progressive discipline shall apply, including whatever procedures are proper under applicable law. Progressive discipline may include such of the following, as appropriate to the specific violation(s):

- a) Verbal Warning
- b) Written Warning
- c) Written Reprimand
- d) Suspension
- e) Discharge

Employees are entitled to Union representation at steps (a) through (e) of the disciplinary procedure. When agreed to by the parties, a "Plan for Improvement" shall be written and implemented at any disciplinary step other than discharge. The Plan for Improvement shall identify the employee's area(s) of deficient performance and the steps to be taken to bring performance up to acceptable levels.

4.D COACHING AND COUNSELING

Coaching and counseling are encouraged to bring about effective communication prior to any disciplinary steps. Coaching and counseling are verbal communications designed to draw attention to management concerns with the expectation that such communication will be sufficient in and of itself to motivate an employee to change his or her behavior.

4.E NOTICE OF RESIGNATION

When an employee desires to resign, the employee shall submit to his/her department head a formal resignation in writing two (2) weeks in advance where possible.

4.F RESIGNATION INQUIRY

Upon receipt of an employee's resignation, the Port Personnel Manager may conduct an inquiry to determine that the resignation was submitted in good faith and free from undue pressure or threat. Said officer shall take into account any information furnished by the Union and/or an employee in a timely fashion in determining the necessity for such an inquiry.

5 GRIEVANCE PROCEDURE

5.A DEFINITION

A grievance is herein defined as a dispute which involves the interpretation or application of this Agreement, the applicable personnel rules of the Port and City and/or disciplinary action taken.

5.B RESOLUTION OF GRIEVANCES

5.B.1 Objective of Grievance Section.

It is the expressed intent of the parties that grievances be resolved expeditiously at the lowest possible administrative level. Toward that objective, the following steps are provided:

5.B.2 Oral Presentation to Immediate Supervisor.

The employee and/or Union Representative may present the grievance orally to the immediate supervisor within seven (7) working days of the occurrence of the events giving rise to the dispute or within seven (7) working days from such time as the employee or Union should reasonably have been aware of this occurrence.

5.B.3 Written Submission to Immediate Supervisor.

Should the grievance remain unresolved under 5.B.2, the employee and/or Union Representative may submit the grievance in writing to the immediate supervisor within the seven (7) working days stated in 5.B.2. The grievance shall state the specific Section of the Memorandum of Understanding and/or Personnel Rules alleged to be violated or disciplinary action taken, together with a brief statement of the facts in the case and the proposed remedy. The employee's immediate supervisor shall respond in writing, within seven (7) working days. The response shall be given to the employee and a copy shall be mailed to the Union Representative.

5.B.4 Submission to Department Head.

Should the grievance remain unresolved under 5.B.3, the employee and/or Union Representative may, within five (5) working days of receipt of the immediate supervisor's response, submit the written grievance to the department head to whom the supervisor immediately reports. The department head shall respond in writing to the grievance within five (5) working days after receipt of the grievance. The response shall be given to the employee and a copy shall be mailed to the Union Representative.

5.B.5 Submission to Port.

Should the grievance remain unresolved under 5.B.4, the employee and/or Union Representative may, within five (5) working days after receipt of the department head's response, submit the written grievance to the Port Employee Appeals Officer as designated by the Director of Human Resources. The Employee Appeals Officer shall meet with the Union Representatives within five (5) working days of submission and attempt to resolve the dispute, unless an extension is mutually agreed upon by both parties. The Employee Appeals Officer shall, unless otherwise mutually agreed to between the Port and Union, respond in writing within fifteen (15) working days of the hearing. The response shall be given to the employee and a copy shall be mailed to the Union Representative.

5.B.6 Submission to Arbitration.

Should the grievance remain unresolved under 5.B.5, the Union Representative or the Port may, within ten (10) working days of receipt of the Employee Appeals Officer's response under 5.B.5 move the grievance to arbitration.

5.B.7 Arbitrator Selection.

A single arbitrator shall be selected by mutual agreement from a panel of impartial arbitrators, or if such agreement is not reached, by alternatively striking names from a list of five (5) arbitrators

submitted by the State Conciliation Services. The arbitrator shall be so selected within twenty (20) days from the date of receiving the list of arbitrators from the State Conciliation Services.

5.B.8 Arbitration Procedures.

If the grievance is moved to arbitration, it is agreed that the decision of the arbitrator shall be final and binding on all parties and that all arbitration fees and expenses shall be borne equally by the parties. The arbitrator shall have no power to add to or subtract from the provisions of this Agreement or of the Personnel Rules.

5.B.9 Clarification of Grievances.

The Port may request clarification from the Union regarding any part of a grievance or the grievance process, with respect to any grievance filed by any one or more bargaining unit members or the Union.

5.C CIVIL SERVICE OPTION IN DISCIPLINE AND DISCHARGE

In the case of a grievance concerning discharge or disciplinary action against an employee, the Union or employee may elect to submit such grievance to the Civil Service Board instead of to an arbitrator. The filing of the grievance in accordance with the provisions of 5.B.3 shall satisfy the requirement of the Personnel Ordinance that the employee give notice of intent to appeal a discharge or disciplinary action.

5.D EXTENSION OF TIME LIMITS

Time limits in the resolution of grievances may be extended by mutual agreement of the parties. Failure by the employee, the Union or the Port to follow the time limits, unless so extended, shall cause the grievance to automatically move to the next step. For the purpose of this article, working days mean the normal weekdays of work, Monday through Friday, excluding weekends and holidays.

5.E PRESENCE AT HEARINGS

The grievant may be present at any and all proceedings regarding his/her grievance. In the case of multiple grievances a representative from among the grievants may be present at any and all proceedings regarding the grievance. The option of being present at such meetings shall be that of the employee. S/he shall not lose any compensation or other benefit for time spent for such appearances. By mutual agreement, any of the grievants in a multi-grievant situation may attend any of the grievance proceedings which occur during times they are not scheduled to work.

This section shall not be applicable when mutually agreed by the Port and Union representatives.

5.F WITNESSES

Individuals who may have direct knowledge of circumstances relating to the grievance may appear at the mutual request of the parties during any stage of the procedure. S/he/they shall not lose any compensation or other benefit for actual time spent for such appearance.

5.G APPLICABLE LAW PROCEDURES

No employee shall be placed in a non-pay status until any and all procedures under applicable law relating to that employee are fulfilled. At present, it is understood that "Skelly" procedures are currently required by applicable law before action can be taken by a public employer in certain specific situations.

5.H WAIVER OF TIME LIMITS

By mutual agreement, the parties may waive the time limits specified herein and proceed to immediate arbitration.

5.I AWARD PAYMENT SCHEDULE

The Port shall make payments to the employee(s) for grievance resolutions or arbitration awards within thirty (30) calendar days of the date that the Port and the Union agree to the grievance resolution. However, in cases for which the arbitrator specifies the compensation award, the Port shall make the payment to the employee(s) within thirty (30) calendar days of receipt of this ruling. The Port will make every effort to make payment before the thirty (30) calendar days, when possible.

6 SENIORITY

6.A DEFINITIONS

6.A.1 Classification Seniority.

Classification seniority shall be defined as accrued time from the date of entry into a position within a given classification, less unpaid leaves of absence in excess of thirty (30) consecutive days.

6.A.2 Port Date of Seniority.

Port date of seniority shall include accrued time from the day of hire with the Port, less unpaid leaves of absence in excess of thirty (30) consecutive days.

6.C SENIORITY AND OVERTIME

Classification seniority shall apply to overtime distribution within work units.

6.D SENIORITY AND LEAVE

6.D.1 Seniority and Military Leave.

6.E SENIORITY IN CASES OF IDENTICAL HIRING DATES

If two (2) or more employees have identical classification and date of hire seniorities, the order of seniority will be determined by the Port Personnel Rules.

6.F SENIORITY LISTS

The Port shall furnish the Union with an updated copy of the classification seniority list upon request, but not more than once a calendar year. When an Airport Operations Supervisor – Airside (Supervisor) is assigned to on-call duty subject to 13.J.3 (1a), the Supervisor shall be paid an additional eight (8) hours per seven (7) day on-call week assignment. When called in for duty, the Supervisor shall be paid at the usual rate of pay as outlined in this MOU. A minimum of two (2) hours of pay at time and one-half will be paid to the Supervisor when he/she is called in to work during their on-call assignment.

All eligible Supervisors shall be assigned on-call duty for seven (7) consecutive days on a rotating basis. On-call duty may be voluntarily traded or transferred to another eligible Supervisor by completing a shift trade form and having it approved by an authorized individual.

During all hours when assigned to on-call duty a Supervisor shall (a) keep the MOD and Airside Superintendent informed of a telephone number(s) at which the Supervisor can be reached, (b) if the Supervisor does not answer the initial call, must return the call within 30 minutes and (c) be fully able to report for duty to the Airport within 2 hours.

While on-call, should the Supervisor unexpectedly be unable to meet any or all the requirement outlined above, he/she must contact the MOD and Superintendent to advise them as soon as possible.

The Supervisor making the notification will no longer receive on-call pay for the remainder of the period he/she is unable to meet the requirements a through c, and a call out by classification seniority of eligible Supervisors will be performed to replace the Supervisor. If no one voluntarily accepts the on-call assignment, the least senior Supervisor will be assigned until the original Supervisor becomes able to meet all the requirements a through c or the on-call assignments rotates to the next Supervisor.

13.L WORKERS' COMPENSATION

Payment under this provision shall not be cumulative with any benefit, which said employee may receive under the Labor Code of the State of California awarded as the result of the same injury. If, after the period of entitlement, the employee is still disabled, he/she may supplement any benefits paid under the Labor Code with his/her accumulated sick leave and vacation to the extent necessary to make up the difference between the amount of said award and the salary of the employee's scheduled work week for each week of continuing disability.

Management will exercise good faith in the administration of this section.

The Port reserves its right to structure and/or restructure supervisory shifts, positions, schedules and assignments, based upon reasonable operational needs as determined by the Port, during the course of each year. For all structuring and/or restructuring described above, management reserves the right to reassign based on operational needs, but will make a good faith effort to do the following:

1. First ask for volunteers for reassignment based on the seniority list.

For the purpose of computing the rate of accrual of vacation leave, a break in service of less than two (2) years shall have no effect. A break in service in excess of two (2) years shall mean that the employee so reemployed, for purposes of computing vacation leave, be treated as a new employee.

For the purpose of computing length of service in determining eligibility for vacation at the higher accrual rate, time spent on paid military leave as provided by the State of California Military and Veterans Code shall be counted as time spent in the service of the Port and City.

15.B VACATION DEFERRAL

Unused vacation leave may be deferred from year to year, only to the extent of one year's accrual, or paid off in January, except as otherwise approved by the department head, whose decision may be appealed to the Division Director.

The employee must be able to verify attendance at such appointments by providing the supervisor with a written licensed medical professional's notice on the next scheduled work day after the appointment. Employees who have difficulty obtaining an appointment verification may contact Human Resources to discuss and submit alternative verification document.

If appointments extend beyond two (2) hours, the entire time off will be charged to the employee's sick leave.

Such medical and dental appointments may not be combined, and may not be combined with any other kinds of leave. Such medical and dental appointments should be scheduled so as to minimize

impact on work hours. Appointments in excess of this limitation shall be charged to the employee's appropriate leave balance.

In emergency medical/dental situations, where twenty-four (24) hour notice is not possible, the employee shall utilize his/her regular sick leave, if available, and this provision shall not be applicable.

16.A.6 Definition of Immediate Family.

For purposes of this section and the section on "Family Illness," the immediate family shall be defined as mother, father, husband, wife, domestic partner, son, daughter, brother, sister, grandfather, grandmother, father-in-law and mother-in-law. A domestic partner shall be deemed a member of an employee's immediate family only for the limited purposes of granting the employee to whom the term applies time off from work and for no other purposes, as specifically set forth in Section 16.A.7 of this MOU. Immediate family as used herein, includes the "step" relationships of the above-described family members, respectively (step-mother, step-father, step-son, etc.), except with respect to domestic partnerships.

16.A.7 Domestic Partners.

A domestic partnership is defined as a relationship between two co-habiting, unmarried and unrelated persons over 18 years of age who share common living expenses, and who have resided together for at least six (6) months prior to the filing of a Declaration of Domestic Partnership form (Attachment "1") with the Port. The entitlement of the employee to time off from work set forth hereinabove shall terminate with the termination of the co-habitational relationship of the two persons named on a Declaration of Domestic Partnership filed with the Port or upon the filing of a Termination Statement (Attachment "2") signed by either partner and filed with the Port, whichever occurs first. Any employee whose co-habitational relationship with a person identified on a Declaration of Domestic Partnership filed with the Port has ceased shall file a Termination Statement within five (5) working days from the date of such termination.

16.B PERSONAL LEAVE

Up to four (4) days of accumulated sick leave per year may be used by employees in this unit for personal business. These four (4) days are not accumulative, and if not used, will be counted as sick leave in which case they will be carried from year to year. Personal business is defined as necessary transactions that might affect an employee's economic well-being or personal welfare if not attended to during scheduled working hours. Use of personal leave is subject to the approval of the department head.

The Port shall not request unreasonable verification of such personal leave requests and shall not breach the confidentiality of the employee who requests such leave.

16.C MATERNITY LEAVE

An employee granted maternity leave shall be returned to her same classification in the department, work location and shift most nearly approximating her former placement as determined by the Port, based on the needs of the public service, with no loss of seniority or accrued benefits, as required by Article 16.J. Leave Benefits under FMLA, earned prior to the beginning of such leave and remaining on the books at the time the employee returns to work. An employee who experiences temporary complications or disabilities arising out of pregnancy may use accrued sick leave for such complications or disabilities; during such paid leave of absence seniority would continue to accrue.

It is understood that seniority and other benefits will not continue to accrue while an employee is off work on an unprotected unpaid leave in excess of thirty days.

The Port agrees to provide medical benefits for up to six (6) months for employees eligible for FMLA or on unpaid maternity leave, at the regular rate of contribution as outlined in the "Medical Plans" section of this Memorandum of Understanding.

The Port agrees to provide medical benefits for up to three (3) months for employees not eligible for FMLA or on unpaid maternity leave, at the regular rate of contribution as outlined in the "Medical Plans" section of this Memorandum of Understanding.

Leave of absence with pay may be granted to an employee for jury duty from which the employee cannot be excused. This section shall also apply to subpoenas sought by a U.S. Attorney or the State Attorney General's office and issued by federal or state courts and in cases involving felonies or to appear as a witness before the Grand Jury. The Port will maintain the employee's regular pay, provided that the employee shall be required to turn over to the Port fees which he/she receives as payment for such jury duty except for allowances (such as for transportation or meals) which shall be retained by the employee.

16.F MILITARY LEAVE

Military leave of absence with pay shall be granted to employees in accordance with State and Federal law to the present maximum of thirty (30) calendar days in a fiscal year.

16.G FAMILY DEATH LEAVE

16.G.1 Special Cases.

In special or unusual cases the department head, with the approval of the Executive Director, may grant a family death leave to allow an employee to attend funeral or memorial services of someone other than those included within the definition of the immediate family under the provisions of this MOU. It is the intent of this provision to cover the kind of situation in which someone other than immediate kin has raised the employee, or due to unusual circumstances has a very close relationship with the employee. When such special case consideration is granted, the Union will be notified in writing.

16.G.2 Eligibility Approval.

Upon approval of the department head, or his/her designated representative, an employee may be granted family death leave with pay not to exceed five (5) working days. Such leave shall not be charged against vacation or sick leave to which an employee may be entitled but shall be in addition thereto. In order to be eligible for family death leave, an employee must have worked for the Port/City for a period of six (6) consecutive months. An employee may be requested to furnish satisfactory verification for his/her use of family death leave. Such leave shall be at the employee's regular rate of pay.

16.G.3 Exceptional Hardship.

In cases of exceptional hardship, the Port will consider granting an additional day of family death leave with pay and further days without pay. In such cases, the employee must receive written approval

from his/her department head or the department head's designated representative prior to the employee's departure on such leave.

16.H RATE OF PAY DURING PAID LEAVE

Employees shall not receive premium pay during any period of paid leave.

16.I ON-THE-JOB INJURY LEAVE

16.I.1 On-the-Job Injury Leave.

In the event an employee is injured in the performance of his/her duties, he/she will be entitled to receive full pay for the period beginning the first day of his/her absence due to his/her initial injury, up to a number of consecutive working days equal to three times his/her accumulated sick leave at the time of the injury, without any charge against his/her accumulated sick leave. This benefit will be in conjunction with the usual workers' compensation benefits and not in addition to the amounts of disability pay to which the employee is entitled under workers' compensation.

Any such employee who has less than three years of regular service with the Port and is injured in the performance of his/her duties shall be entitled to receive full pay for the period beginning the first day of his/her absence due to his/her initial injury, up to sixty consecutive working days, or three times his/her accumulated sick leave at the time of the injury, whichever is greater, without any charge against his/her accumulated leave.

If a claim for such benefits is determined to be fraudulent, all compensation paid for that claim will be returned to the Port either through deducting such employee's leave balance, or a cash payback. Further, the employee will be subject to disciplinary action including job forfeiture.

16.I.2 Health Insurance Contributions.

The Port shall continue to provide the medical, vision and dental insurance benefits as set forth in Section 17.A.1, 17.B., and 17.C., respectively, for an employee on Port paid on-the-job injury leave.

16.I.3 Return to Work.

An employee who was off work as a result of an on-the-job injury may be able to return to work on light duty, with the approval of the treating physician, Port's Workers' Compensation Medical Advisor and the respective department manager. Assignment to light duty shall be temporary, and shall not exceed six (6) scheduled work weeks unless mutually agreed to by both parties. Pay during the light duty assignments shall be commensurate with the rate of base pay of the employee prior to his/her on-the-job injury.

16.J LEAVE BENEFITS UNDER FMLA

The leave benefits required to be provided under the Family and Medical Leave Act of 1993 and the California Family Rights Act, as amended, shall be provided in conjunction with leave benefits described in this MOU, not in addition to such benefits except to the extent that these Acts require the provision of leave benefits that exceed the leave benefits otherwise provided for in this MOU. The Port shall pay its share of health benefit premiums to cover until the end of the subsequent month following the first day of leave without pay.

The Port will permit employees to continue health benefits while on leave. Arrangements must be made with the benefits/payroll section of the Personnel Department to continue such coverage. The insurer will not automatically reinstate coverage upon the employee's return to work unless the employee has paid for coverage while on leave. When the employee does not pay for such coverage while on leave, he/she must wait for the applicable re-entry period to reinstate coverage.

17.H DEFENSE AND INDEMNIFICATION

In accordance with the requirements of the California Tort Claims Act, beginning at Government Code Section 995, the Port will defend and indemnify represented employees or former employees if they are sued for acts or omissions occurring within the scope of their employment with the Port save and except where applicable law excuses the Port's obligation to defend (e.g. fraud, malice, etc.).

17.I LONG TERM DISABILITY INSURANCE

The Port will provide a Long Term Disability policy which will provide coverage on the following basis: waiting period - 90 days or until sick leave is exhausted, whichever is longer; replace sixty percent (60%) of income unless funds are available for integration and then replace up to seventy percent (70%) of income.

17.J PERMANENT EMPLOYEES ON TEMPORARY ASSIGNMENT (PETA) PROGRAM

a) Introduction.

The Port and the Union agree to the establishment of the "Permanent Employees on Temporary Assignment ("PETA") Program", described below, to accommodate employees whose driver's licenses have been suspended, revoked or the employee has otherwise been restricted from driving for conduct occurring off the job. This program shall apply only to those classifications that require a driver's license in order to perform the job.

Institution of this program will eliminate any existing procedure currently being utilized for the purpose of dealing with represented employees with suspended licenses. This program will not affect those employees who are presently participating in another license suspension procedure in the Port.

b) Program Criteria.

1. Any Employee who fails to notify the Port of any (DMV) driving status change or restriction affecting the employee's driving privileges by the next reporting day may be subject to discipline up to and including termination.
2. An employee will be eligible to participate in the PETA program where the employee's license has been suspended, revoked or the employee has been restricted from driving for more than 30 days, up to a maximum of one year. An employee will be allowed to participate in this program no more than once every five years.
3. Employees in classifications that require drivers licenses to perform the duties of their classifications whose licenses have been suspended for 30 days or less, may be granted vacation, personal or compensatory leave or leave without pay upon request and subject to the approval of the employee's Department Manager.

4. Employees participating in this program will be recommended for a leave of absence to the Board of Port Commissioners from their regular position with the Port to accept assignment to the Youth Aide BB exempt classification as a "Permanent Employee on Temporary Assignment" at the corresponding rate of pay of the classification.
5. Assignment of a PETA participant to a position within the Port shall be based upon the needs of the Port which may result in placement of the employee in a department or division other than that in which the employee was previously assigned in his/her permanent classification.
6. Upon receipt of notice that an employee's license has been reinstated without restrictions that would prohibit the employee from operating Port vehicles during the course of work, Port management shall recommend to the Board of Port Commissioners that the employee be reappointed to the permanent classification and pay rate from which the employee was granted a leave of absence to participate in the PETA Program.
7. If the employee's license is not reinstated after one year in the Youth Aide BB classification, Port management shall recommend to the Board of Port Commissioners that the employee be terminated from his/her employment with the Port.

c) Inapplicability under Americans with Disabilities Act.

The provisions of this section shall not apply to persons with a disability as defined under the Americans with Disabilities Act of 1990 whose loss or restriction of driving privileges results from any such disability.

17.K ALTERNATE MEDICAL COVERAGE; CASH IN LIEU

If a worker has medical coverage from a family member, he/she may withdraw from the Port medical program during the regular open enrollment period and receive fifty percent (50%) of the Kaiser North premium at the appropriate single, double or family rate, in cash from the Port on a monthly basis upon the Port having received proof of alternate coverage. Cash in lieu payments shall commence with the start of the benefit year, currently January 1, 1999. Members opting to re-enroll in the Port medical program at a later date may do so during any open enrollment period, with no other restrictions or requirements.

18 RETIREMENT

18.A EMPLOYER CONTRIBUTION

The Port shall contribute as the employer contribution, on behalf of an employee who is a member of the Public Employee's Retirement System, (P.E.R.S.), the designated percent of the regular salary for retirement purposes of such employee, as determined with applicable State law.

The Port shall provide dental and vision care benefits for retirees and their dependents equal to the benefits provided to active employees, except for employees hired on or after January 1, 2013.

18.B EMPLOYEE CONTRIBUTION

Each unit employee designated by CalPERS as a "classic member" shall pay the full member contribution to PERS equal to eight percent (8%) of the compensation paid the member for service rendered, with state and federal income tax on the PERS members' contribution deferred to the extent permitted by the IRS.

Each unit employee designated by CalPERS as a "new member" as defined by the Public Employee Pension Reform Act (PEPRA) will pay one-half of the normal cost as calculated by CalPERS in accordance with applicable state law.

18.C CURRENT P.E.R.S. BENEFITS

The Port will provide current benefits in accordance with the requirements of P.E.R.S.

18.D AB616 RETIREMENT ENHANCEMENT

If the City of Oakland grants a retirement enhancement program during the term of this Memorandum of Understanding, consistent with the provisions of Assembly Bill 616, which is applicable to employees covered under the terms of this MOU, the Port will extend the same enhancement benefits to said employees.

18.E PENSION STUDY

For the duration of this successor Memorandum of Understanding, the Port and the Union agree to mutually meet and discuss the issue of pension costs, with the goal of exploring methods and solutions to mitigate the effects of rising costs of pension. The parties may seek experts and consultants to provide recommendations on a mutually-agreeable basis.

19 MISCELLANEOUS AND DURATION

19.A SEPARABILITY AND REVISIONS OF SEVERED POSITIONS

In the event any portion of this Memorandum of Understanding is declared null and void by superseding federal or state law, the balance of this Memorandum shall continue in full force and effect, and the parties shall immediately commence negotiations to ensure that the superseded portions shall be rewritten to conform as nearly as possible to the original intent.

19.B MEMORANDUM IS ENTIRE AGREEMENT

It is understood and agreed that this Memorandum constitutes the entire agreement between the parties. Any change in wages, hours or terms and conditions of employment beyond those set forth herein are subject to the requirements of meeting and conferring in good faith in accordance with the Meyers-Milias-Brown Act as amended.

19.C TERM OF AGREEMENT

The Port of Oakland ("Port") and IBEW, Local 1245 ("IBEW") (hereinafter collectively referred to as "the Parties" or "Parties") agree that within 120 days of concluding the respective Parties' labor negotiations for their successor memoranda of understanding, the Parties, along with IFPTE, Local 21 ("IFPTE") and the Western Council of Engineers ("WCE"), will convene to continue meet and confer over revisions to its Merit Pay Program.
