NOTICE OF INTENT TO ADOPT A  
Negative Declaration for**

**Green Power Microgrid Project at Port of Oakland, Oakland, California**

To: Tenants and Concerned  
Citizens/Interested Parties

From: Port of Oakland  
Environmental Programs and Planning  
530 Water Street  
Oakland, CA 94607

**Project Applicant:** Port of Oakland

**Notice:** Notice is hereby given that the Port of Oakland (Port), acting as Lead Agency under the California Environmental Quality Act (CEQA), will receive public comment and recommendations on a draft Initial Study (IS)/Negative Declaration (ND) for the Green Power Microgrid Project. The review period begins November 3, 2023, and ends at 5:00 pm on November 27, 2023. All comments regarding the draft IS/ND must be received by this ending date/time.

**Project Location:** The project consists of 11 sites in West Oakland, within the Port of Oakland, located in Oakland, California 94607.

**Project Description:** The Proposed Project would provide up to 283 electric vehicle chargers for trucks and heavy-duty equipment, as well as solar panels and substation upgrades, at up to 11 locations at the Port, increasing the number of zero emission vehicles that can be supported at the Port's maritime facilities. Project elements include:

- Installing new electric vehicle chargers in support of maritime terminal yard, dockside, and transient electric vehicle use
- Installing solar systems and supporting infrastructure for increased capacity for electric vehicles, facilities, and other zero-emission equipment
- Installing battery storage systems to increase capacity for clean energy storage, charging vehicles during rolling blackouts or other electric grid power supply problems, and capacity expansion for electric vehicles
- Upgrading substations for electric grid modernization (through load shifting and better demand management).

**Potential Environmental Impacts:** No significant, unavoidable impacts have been identified.

**Comment Period:** The public review period for the draft IS/ND extends from November 3, 2023 and ends at 5:00 pm on November 27, 2023.

**Locations Where Document Can Be Reviewed:** The Port has prepared a draft IS/ND for the subject project pursuant to CEQA. This document is available for review at 1) Port of Oakland, Environmental Programs and Planning Division, 2nd Floor, 530 Water Street, Oakland, CA 94607 and 2) at the Port of Oakland website <https://www.portofoakland.com/community/environmental-stewardship/publications/>

**Comments on the draft IS/ND must be received, *in writing or email*,  
by November 27, 2023 at 5:00 p.m.**
