	Section no.	Page and paragraph no.	Comment	Comment type 1. typo/factual 2. specific content 3. general remark
1.	6-3	6-4	"The Port would not wish..." - not a strategic comment - transmits sense of fear by the Port, encourages lawsuits	2
2.				
3.	8-3	9-1	Document is missing a comprehensive legal overview of the Port's rights as landowner in enforcing new regs.	3
4.				
5.	9-3	9-3	I would have hoped this section would outline which alternatives are recommended for <u>action</u> .	2/3
6.				
7.	9.5.1	9-9	Would like more extensive study of container fee and potential to leverage ARB funding (SB 974)	2/3
8.				
9.	—	—	Would have liked to see habitat/wetlands improvement measure studied by this document.	3
10.				
11.	9.1	9-2	"One size fits all" nature " this sentence is duplicated.	1
12.				
13.
