This Bid Opening Results only list the bids that were submitted by the due date and time specified above. Prior to contract award, the apparent lowest Bid Price and all other Bidders' Bid Price are subject to review and evaluation for compliance to the Port of Oakland's ("Port") specifications and terms and conditions. The Port reserves the right to reject any or all bids, cancel the bid, to waive any irregularities or informalities not affected by law, to evaluate the bids submitted, and to award or not to award the Contract or Purchase Order to the lowest responsive, responsible Bidder that best serves the interests of the Port.

*Note: Calculations for the Total Price were based on Bid Element No.1 and Bid Element No.2 when a price for Bid Element No. 2 was provided, or in absence of a Bid Element No.2 price, then the Bid Alternate No. 1 price was used. Bid Alternate No. 1 will be considered after further consideration if Bid Element No. 2, as requested by the Port, doesn't meet the goal to mitigate/eliminate uplighting. If the Port finds Bid Alternate No. 1 is best suited for the LED conversion project, Bid Element No. 1 and Bid Alternate No. 1 will be combined as the total price.
