I. Project Overview

The Port of Oakland is soliciting proposals from qualified suppliers to deliver twelve (12) new Common Use Self Service (CUSS) Kiosks at the Oakland International Airport and to provide service agreement for five years of second level maintenance support. First level maintenance support will be provided by the airport’s IT department and their onsite contractors, currently ServiceTec International.

CUSS is the standard for multiple airlines and other handling agents to provide a check-in application for use by Passengers on a single device. International Air Transport Association (IATA) and Air Transport Association of America (ATA) adopted this new standard during the Joint Passenger Service Conference in November 2000. The IATA reference is RP1706C and the ATA reference is 30.100 Common Use Self-service.

This contract work shall not be divisible, and shall be awarded, if an award is made, to a single Proposer.

About the Port of Oakland

The Port of Oakland was established in 1927 and oversees the Oakland seaport, Oakland International Airport, Commercial Real Estate, and 20 miles of waterfront. The Oakland seaport is the fifth busiest container port in the U.S.; Oakland International Airport is the second largest San Francisco Bay Area airport offering over 300 daily passenger and cargo flights; and the Port's real estate includes commercial developments such as Jack London Square and hundreds of acres of public parks and conservation areas. Together, through Port operations and those of its tenants and users, the Port supports nearly 70,000 jobs in the region and over 800,000 jobs across the United States. The Port is an independent department of the City of Oakland.

Oakland International Airport is the 36th busiest airport in the US and the 4th busiest airport in California in 2013, behind LAX, SFO and San Diego but ahead of Orange County, San Jose and Sacramento. With two Terminals, 10 million annual passengers, 40 nonstop destinations, and nonstop international service to Europe and Mexico, OAK is the most convenient gateway to the San Francisco Bay. Eleven passenger airlines operate at OAK with 140 daily departures. OAK is also a hub for FedEx Express air cargo. It's the 13th largest cargo airport in the US as measured by tonnage and the second largest in California behind LAX. Southwest Airlines located exclusively at our Terminal One carries 70% of the passengers at OAK, with the remaining ten airlines operating out of Terminal Two.

Existing Condition

The Oakland International Airport currently does not provide CUSS kiosks for the airlines and traveling public. Ticketing counters and airline proprietary kiosks are currently located in two locations within Terminal One. In the first quarter of 2015, the airport will need to relocate all airlines currently operating near the checkpoint ticket counters to the main ticketing lobby. The airport will be implementing CUSS kiosks in the main ticketing lobby to provide additional options for the traveling public. All Airlines listed below are currently on the airport’s Ease common use system with the exception of Southwest airlines and SATA airlines currently use a web solution for their reservation system called MIS Choice. The new kiosks must provide passengers with the flexibility of printing boarding passes for any airline operating at the airport at convenient locations in the lobby away from the congested airlines queuing lines supporting the following Airlines:

A. Alaska Airlines  
B. Allegiant Airlines  
C. Delta Airlines  
D. Hawaiian Airlines  
E. JetBlue Airlines  
F. Norwegian Airlines  
G. SATA Airlines  
H. Southwest Airlines  
I. Spirit Airlines  
J. US Airways Airlines  
K. Volaris Airlines
II. Scope of Services

A. Scope of Services:

The successful Proposer will be delivering twelve (12) new common use self-service (CUSS) kiosks, providing training for the units, and providing second level maintenance support at the Oakland International Airport for the period of five years. All kiosks shall be fully stocked at the time of delivery with boarding pass and baggage tag for one complete refill. In addition, we are also requesting Proposers to submit the cost of boarding pass stock and baggage stock and known suppliers for the stocks.

No electrical work will be required from the successful Proposer; this service will be provided by Port Facilities staff or under a separate agreement/contract. Any required network connections and/or configuration changes will also be provided by the Port’s Aviation IT department.

B. Product Specification and Capabilities

The Port has not established a standard design/platform of the kiosks. Through this Request for Proposal (RFP), qualified suppliers are ask to provide what is currently available in the Airport Industry but the proposed kiosks shall meet or exceed the following requirements:

1. Each CUSS Kiosk must be uniform in design and a complete unit. All kiosks must arrive at OAK fully assembled and ready for installation.
2. Kiosks shall have security measures in place in order to insure compliance with the current Payment Card Industry (PCI) standards.
3. Kiosks shall meet any Americans with Disabilities Act (ADA) requirements.
4. Kiosks shall meet the following technology requirements:
   a. User Interface screen shall be a minimum 17-inch diagonal with touch screen.
   b. Each CUSS Kiosk must be able to transact payments with credit cards or ATM cards.
   c. Must have a magnetic card reader.
   d. Must have a passport reader.
   e. Ability to transmit advanced passenger information systems (APIS) information.
   f. Modular 10/100BaseTX Network Interface Card providing system transactions and monitoring using Ethernet LAN.
   g. Omni-directional 1D/2D bar code reader.
   h. IATA compliant boarding pass printer – direct thermal 300 dpi 2D bard code, minimum speed of 2” per second, auto cutter adjusted to coupon stock.
   i. Must be Windows 7 OS (or approved equal).
   j. Must Integrate with the airport NMS (AccelOps) for platform alerts.
   k. Must have an Integrated UPS.
   l. Ability to email configured administrators due to low stock, maintenance schedules and tamper.
   m. The basic kiosk unit (BKU) must allow for normal service without moving or unbolting a fixed single kiosk assembly and without removing the BKU from the pedestal. Normal service will include the replacement of printer stock and vacuuming of the kiosk interior.
   n. The kiosk must have room for a sticker indicating a number for the passenger to contact if there are any problems.
   o. Each Kiosk shall be provisioned with consumable stock for both ATB and Boarding passes.
   p. A common launch application that runs all CUSS compliant applications
   q. Provide administrative and user access and permissions based upon login
   r. Provide systems status refresh updates at least every 30 seconds
   s. Error management to provide specific device status and troubleshooting information
C. **Southwest Airlines and SATA Airlines**

All airlines at Oakland International Airport are on the Airport’s Ease common use system with the exception of Southwest Airlines and SATA Airlines. Since Southwest Airlines is not on the standard Airline network and SATA Airlines uses a web-based solution called MIS Choice at OAK, the Port would like to get a solution and identify any challenges, and overall cost that the Port might need to consider when integrating these two Airlines to be part of the CUSS kiosk. Please discuss these issues as part of your proposal under section IV, Submission Requirements Sections, of the “Plan and Approach and Product Specification and Capabilities” section, and provide a separate proposal cost for adding Southwest and SATA Airlines under the “Proposes Cost” section.

D. **Locations of Sites**

The CUSS kiosks will be implemented at the Oakland International Airport in the Terminal One main ticketing lobby (building M101) in specific locations provided by Port, located at:

1. Oakland International Airport, 1 Airport Dr. Oakland CA. 94621

**III. Port Policy Requirements**

The selected Proposer/Respondent will be required to comply with the following Port Policy Requirements:

1. **Non-Discrimination and Small Local Business Utilization Policy (NDSLBUP):**

   The Port desires to maximize the participation of small local business and has instituted a Non-Discrimination and Small Local Business Utilization Policy (NDSLBUP). The NDSLBUP consists of two parts:

   - Non-Discrimination policy which all Suppliers (Respondents) must adhere to, by providing the enclosed “Non-Discrimination and Small Local Business Utilization Policy” Program Affidavit with their proposals.
   - Preference points to small local businesses who qualify under the Port’s definition of a small local business. In order to qualify for preference points, Suppliers (Respondents) must be either certified by the proposal due date or download a Certification Application at: [http://www.portofoakland.com/srd/](http://www.portofoakland.com/srd/) and submit it along with any supporting documentation to the Port’s Social Responsibility Division seven (7) business days prior to the proposal due date.
A summary of the Port’s Non-Discrimination and Small Local Business Utilization Policy is included herein as **Attachment 4**. The entire policy is available at:

Suppliers already certified with the Port do not need to submit proof of certification, but still need to check the Port’s certification database at: [http://www.portofoakland.com/srd/](http://www.portofoakland.com/srd/) to ensure their certification has not expired and must fill out the Chart for Submitting Data for Calculation of Preference Points (**Attachment 4-A**), and the Local Participation Questionnaire (**Attachment 4-B**), and submit them with your proposal. All Suppliers (Respondents) must still provide proof of adhering to the Port’s Non-Discrimination policy by submitting the NDSLBP Program Affidavit.

A copy of the Port-certified Small Local Business Enterprises can also be downloaded at: [http://www.portofoakland.com/srd/](http://www.portofoakland.com/srd/)

For questions or assistance regarding NDSLBUP, contact Donna Cason, Contract Compliance Officer, (510) 627-1252, at the Port’s Social Responsibility Division, or email requests to dcason@portoakland.com

2. **Insurance Requirements:**

All Respondents who plan on submitting a proposal in response to this RFP must meet the Port’s Insurance requirements listed in **Attachment 9 - Professional Service Agreement, Appendix C** and must provide proof of insurance at the time of project award. Respondents must include a statement (**Attachment 8**) with their proposal agreeing to the Port’s insurances requirements and indicate they will be able to obtain the proper insurances at the time of project award.

3. **Security Sensitive Information:** By submitting a proposal, Respondent acknowledges that in the course of performing services under this contract, the selected consultant will come into possession of sensitive information subject to Port of Oakland regulation. Those firms which are included on the short list for final consideration will be required to comply strictly with the Port of Oakland’s policies and practices for sensitive information.

4. **Living Wage Policy:**

On March 5, 2002, the voters in the City of Oakland passed Measure I, adding to the City Charter Section 728 ("§728") entitled "Living Wage and Labor Standards at Port-assisted Businesses." §728 requires Port Aviation and Maritime businesses that meet specified minimum threshold requirements to pay all nonexempt employees a Living Wage rate established by City Ordinance and adjusted annually based on the Consumer Price Index for the San Francisco, Oakland, and San Jose area. The current Living Wage rate as of July 1, 2014 is at least $12.27 with credit given to the employer for the provision to covered employees of health benefits, and $14.10 without credit for the provision of health benefits. Specifically, §728 applies to Port contractors and financial assistance recipients with the Aviation or Maritime divisions that have contracts worth more than $50,000 and that employ more than 20 employees who spend more than 25% of their time on Port-related work. §728 also provides covered employers with incentives to provide health benefits to employees, establishes a worker retention policy, requires covered employers to submit quarterly payroll reports and requires covered employers to allow Port representatives access to payroll records in order to monitor compliance and labor organization representatives access to workforces during non-work time and on non-work sites. Covered employers are responsible for complying with the provisions of §728 from the date the covered contract is entered into. When a contract is awarded, the Respondent will be required to fill out the attached Employer Self-Evaluation for Port of Oakland Living Wage Form (**see Attachment 6-A**) and Certificate of Compliance—Living Wage (**see Attachment 6-B**) and return them to the Social Responsibility Division. (i.e., do not include these forms in with your proposal). For more information, please call Connie Ng-Wong in the Port of Oakland’s Social Responsibility Division at (510) 627-1390.
Respondent shall acknowledge reviewing the Port’s Living Wage program and compliance, by submitting the Statement of Living Wage Requirement (Attachment 7) with their proposal.

5. Port’s Standard Professional Services Agreement:
Submission of a proposal will confirm that the proposer fully understands the provisions of the Port’s Professional Services Agreement and will execute such agreement if awarded the contract. Any objections to any provisions in such contract must clearly be identified in your proposal. Changes are discouraged.

Non-Discrimination: Port of Oakland (Port) policy prohibits discrimination or preferential treatment because of race, color, religion, sex, national origin, ancestry, age (over 40), physical or mental disability, cancer-related medical condition, a known genetic pre-disposition to a disease or disorder, veteran status, marital status, or sexual orientation.

Local Business Utilization: On October 7, 1997, the Board of Port Commissioners initiated a formal policy to encourage full participation of firms from its Local Business Area ("LBA"), the counties of Alameda and Contra Costa, particularly those in its Local Impact Area ("LIA"), in its work. The LIA includes the cities of Oakland, Alameda, Emeryville and San Leandro. The LBA includes all cities within the counties of Alameda and Contra Costa. The Port will also take into consideration efforts the prime and sub-consultants make to assist in the community, e.g., assigning meaningful work to small and/or very small local sub-consultants, mentor protégé relationships, participation in job/trade fairs, hiring interns, pro bono work, and working with local schools, etc.

Consultant Preference Points: The Port allocates preference points for the percentage of work being performed by consultants/sub-consultants located in either the LBA or the LIA and for community involvement (i.e. mentoring, intern programs, job fairs, community rehabilitation groups and re-entry programs) for a maximum total of up to 15 points. These points are added to a maximum of 85 technical points for a composite maximum of 100 points in evaluating consultant proposals as follows:

- Up to 5 points will be credited proportionately (counting the whole team, prime consultant and sub-consultant(s)) for LIA certified firms, and 2.5 for LBA certified firms. Note: LIA/LBA credit is given only for certified firms which have had established active offices in the respective area for at least a year at the time of proposal due date, and NOT for outside firms which plan to do the project work at a LIA/LBA office;

- An additional 3 points will be credited for an LIA certified prime consultant (proportionate to the share of prime consultant work in the case of a joint venture) and 1.5 points for an LBA certified prime consultant;

- Up to 4 points will be credited proportionately (counting the whole team, prime consultant and sub-consultant(s)) for Very Small Business Enterprise (VSBE) certified firms, and 2 points for Small Business Enterprise (SBE certified firms); and

- Up to 3 points for commitment to the Port’s values and programs, e.g., mentoring small and/or very small local businesses and providing meaningful work for small and/or very small local sub-consultants; utilization of college and high school interns from the LIA; participation in job fairs and trade fairs targeted to LIA residents and businesses; and other work showing the consultant’s efforts to contribute to the economic development of the LIA.

In summary, please submit the following attachments in each copy of your proposal:

1. Attachment 4-A, Chart for Submitting Data for Calculation of Preference Points. List the team members’ (prime and subs) names, roles, location and LIA/LBA/SBE/VSBE status in the format shown in Attachment 4-A. Be specific as to the nature and estimated percentage of the work to be performed by the prime, any joint venture partners and/or sub-consultants.
2. Attachment 4-B, Local Participation Questionnaire. Complete for each sub-consulting firm or individual, as well as for the prime consultant.
3. Attachment 4-C and 4-D, Monthly and Final Utilization of Local and Small Business Enterprises are required after contract award. Attachment 5-C is required after contract award and a final report attachment 4-D, is required after completion of the project.

Any proposal that fails to complete and submit the above two items (Prime and sub-consultants) will not be considered. For firms headquartered outside the LIA/LBA wishing to obtain credit for their local office, for the purpose of this project shall utilize personnel from this local office. Additionally, mail, correspondence and telephone calls will be made to this local office.

To obtain credit for these factors and for any preference points on this RFP, consultants or any team member must be certified by the proposal due date or submit an application:

- Consultants or any team members wishing to be certified by the Port must submit a Certification Application, with all supporting documentation seven (7) business days prior to the proposal due date. The questionnaire and checklist of necessary supporting documents for certification may be obtained at: http://www.portoakland.com/srd/. For questions regarding certification, you may contact Pamela Bell at pbell@portoakland.com or (510) 627-1419. Firms certified by the Port of Oakland do not need to submit proof of certification.

(Please note Port certification must be current and not expired to count for preference points. Certification is valid for a two year period.)

For questions or assistance regarding this section, contact Donna Cason (510) 627-1252, or dcason@portoakland.com in the Port’s Social Responsibility Division.

CONTRACT FOR PROFESSIONAL SERVICES

THIS CONTRACT FOR PROFESSIONAL SERVICES (“Contract”) is entered into on «EffectiveDate», between the City of Oakland, a municipal corporation, acting by and through its Board of Port Commissioners (“Port”), and «ConsultantName» (“Consultant”), identified on Appendix D, who agree as follows:

1. SCOPE OF PROFESSIONAL SERVICES.

   The Consultant shall perform all services described in Appendix A (“Services”), for the compensation set forth in Appendix B (“Payment”), which appendixes are attached and made a part of this Contract.

2. TERM.

   This Contract shall become effective upon its execution by Consultant and by Port (including approval by the Port Attorney). All Services whenever performed shall be deemed performed under this Contract, and all compensation paid to Consultant on account of the Services performed shall be deemed as payments of the Compensation.

3. STANDARD OF PERFORMANCE.

   Consultant represents that it possesses all necessary training, licenses and permits to perform the Services, and that its performance of the Services will conform to the standard of practice of a professional that specializes in performing professional services of like nature and complexity of the Services.

4. SUBCONSULTANTS.

   Consultant shall perform the Services using the persons and subconsultants listed in Appendix A. Consultant shall hire only qualified persons or firms who are experienced in performing work of like nature and complexity to the Services, and who agree to be bound to the terms of the Contract to the extent of this scope of services. Consultant may substitute personnel or subconsultants prior to any such subconsultants commencing work only upon the Project Manager’s written consent, which may be withheld or delayed in Port’s discretion.

5. INDEMNIFICATION AND LIABILITY.

   5.1 To the fullest extent permitted by law (including, without limitation, California Civil Code Section 2782, 2782.6 and 2782.8), Consultant shall defend (with legal counsel chosen or approved by the Port Attorney), indemnify and hold harmless Port and its officers, agents, departments, officials, representatives and employees (collectively “Indemnitees”) from and against any and all claims, loss, cost, damage, injury (including, without limitation, injury to or death of an employee of Consultant or its Subconsultants), expense and liability of every kind, nature and description (including, without limitation, incidental and consequential damages, court costs, paralegal and attorneys’ fees (including costs attributable to in-house paralegals and attorneys), Port staff costs, litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation) that arise from or relate to, directly or indirectly, in whole or in part, from: (1) the Services under this Agreement, or any part thereof, or (2) any negligent act or omission of Consultant, any Subconsultant, anyone directly or indirectly employed by them, or anyone that they control (collectively “Liabilities”). Such obligations to defend, hold harmless and indemnify any Indemnitee shall not apply to the extent that such Liabilities are caused in whole or in part by the sole negligence, active negligence, or willful misconduct of such Indemnitee, but shall apply to all other Liabilities.
5.2 Consultant shall defend (with legal counsel chosen or approved by the Port Attorney), indemnify and hold harmless the Indemnities from all loss, cost, damage, expense, liability or claims, in law or in equity, including paralegal and attorneys’ fees (including costs attributable to in-house paralegals and attorneys), Port staff costs, court costs, litigation expenses and fees of expert consultants or expert witnesses, that may at any time arise for any infringement of the patent rights, copyright, trade secret, trade name, trademark, service mark or any other proprietary right of any person or persons in consequence of the use by Port, or any of the other Indemnities, of articles or Services to be supplied in the performance of this Agreement.

6. NOTICES.

The Port and Consultant shall provide notices to the other in the form of a writing, sent by facsimile and by U.S. Mail. If to the Port, it shall be addressed to the Project Manager (identified on Appendix E) at:

Port of Oakland
530 Water Street
Oakland, CA  94607

or to such other place as the Port may such similar notice in writing designate. If to the Consultant, the same shall be addressed to the individual and address noted on Appendix D hereto or to such other place as the Consultant may by such similar notice in writing designate.

7. INSURANCE.

At its own expense, the Consultant shall maintain in force during the term of this Agreement insurance type(s) and in the amount(s) required by Appendix C hereof.

8. INDEPENDENT CONTRACTOR.

Consultant shall at all times be deemed an independent contractor wholly responsible for the manner in which it performs the Services, and fully liable for the acts and omissions of its employees, subconsultants and agents. Under no circumstances shall this Contract be construed as creating an employment, agency, joint venture or partnership relationship between Port and Consultant, and no such relationship shall be implied from performance of this Contract. Terms in this Contract referring to direction from Port shall be construed as providing for direction as to policy and the result of services only, and not as to means and methods by which such a result is obtained. Consultant shall pay all taxes (including California sales and use taxes) levied upon this Contract, the transaction, or the Services and/or goods delivered pursuant hereto without additional compensation, regardless of which party has liability for such tax under applicable law, and any deficiency, interest or penalty asserted with respect thereto. Consultant represents that it will collect, report, and pay all sales and or use taxes to the State Board of Equalization. Upon full payment, the Consultant will issue the Port a receipt pursuant to California Revenue and Taxation Code Section 6203, relieving the Port of all liability for any tax relating to the scope of this Agreement. The Consultant shall pay all other taxes including but not limited to any applicable City of Oakland business tax, not explicitly assumed in writing by the Port hereunder. The Consultant shall comply with all valid administrative regulations respecting the assumption of liability for the payment of payroll taxes and contributions as above described and to provide any necessary information with respect thereto to proper authorities.

9. CONFLICT OF INTEREST; CONFIDENTIALITY.

9.1 Consultant represents that it is familiar with Section 1090 and Section 87100 et seq. of the Government Code of the State of California, and that it does not know of any facts that constitute a violation of said sections.

9.2 Consultant represents that it has completely disclosed to Port all facts bearing upon any possible interests, direct or indirect, which Consultant believes any member of Port, or other officer, agent or employee of Port or any department presently has, or will have, in this Agreement, or in the performance thereof, or in any portion of the profits thereunder. Willful failure to make such disclosure, if any, shall constitute ground for
termination of this Agreement by Port for cause. Consultant agrees to comply with all conflict of interest codes adopted by the City of Oakland and Port of Oakland and their reporting requirements.

9.3 Consultant covenants that it presently has no interest, and shall not have any interest, direct or indirect, which would conflict in any manner with the performance of Services required under this Agreement. Without limitation, Consultant represents to and agrees with the Port that Consultant has no present, and will have no future, conflict of interest between providing the Port the Services hereunder and any interest Consultant may presently have, or will have in the future, with respect to any other person or entity (including but not limited to any federal or state wildlife, environmental or regulatory agency) which has any interest adverse or potentially adverse to the Port, as determined in the reasonable judgment of the Port. The provisions of this Section 9 shall remain fully effective indefinitely after termination of Services to the Port hereunder.

9.4 Consultant covenants that it presently has no interest, and shall not have any interest, direct or indirect, which would conflict in any manner with the performance of Services required under this Agreement or in the contemplation thereof. Consultant may have access to private or confidential information which may be owned or controlled by Port and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to Port. Consultant agrees that all information disclosed by Port to or discovered by Consultant shall be held in strict confidence and used only in performance of the Agreement. Consultant shall exercise the same standard of care to protect such information as a reasonably prudent Consultant would use to protect its own proprietary data, and shall not accept employment adverse to the Port’s interests where such confidential information could be used adversely to the Port’s interests. Consultant agrees to notify the Port immediately in writing if it is requested to disclose any information made known to or discovered by Consultant during the performance of or in connection with this Agreement.

9.5 Any publicity or press releases with respect to the Project or Services shall be under the Port’s sole discretion and control. Consultant shall not discuss the Services or Project, or matters pertaining thereto, with the public press, representatives of the public media, public bodies or representatives of public bodies, without Port’s prior written consent. Consultant shall have the right, however, without Port’s further consent, to include representations of Services among Consultant’s promotional and professional material, and to communicate with persons or public bodies where necessary to perform under this Agreement.

9.6 The provisions of this Section 9 shall remain fully effective indefinitely after termination of Services to the Port hereunder.

10. SUSPENSION AND TERMINATION OF SERVICES.

(i) Port may direct Consultant to suspend, delay or interrupt Services, in whole or in part, for such periods of time as Port may determine in its sole discretion. Port may issue such directives without cause. Port will issue such directives in writing. Suspension of Services shall be treated as an excusable delay. (ii) Port may terminate performance of the Services under this Contract in whole, or from time to time in part, for default, should Consultant commit a material breach of this Contract, or part thereof, and not cure such breach within ten (10) calendar days of the date of Port’s written notice to Consultant demanding such cure. In the event Port terminates this Contract for default, Consultant shall be liable to Port for all loss, cost, expense, damage and liability resulting from such breach and termination. (iii) Port may terminate performance of the Services under this Contract in whole, or from time to time in part, for convenience, whenever Port determines that such termination is in Port’s best interests. In the event Port terminates this Contract for convenience, Consultant shall be entitled to recover its costs expended up to the termination plus reasonable profit thereon to the termination date, but may recover no other cost, damage or expense.

11. OWNERSHIP OF WORK PRODUCT.

Any interest (including copyright interests) of Consultant or its subcontractors or subconsultants, in studies, reports, memoranda, computational sheets, drawings, plans or any other documents (including electronic media) prepared by Consultant or its subcontractors or subconsultants in connection with the Services, shall become the property of the Port. To the extent permitted by Title 17 of the United States Code, work product produced under this Contract shall be deemed works for hire and all copyrights in such works shall be the property of the Port. With
12. **AUDIT/INSPECTION OF RECORDS.**

12.1 Consultant shall maintain all documents and records prepared by or furnished to Consultant during the course of performing the Services for at least three (3) years following completion of the Services, except that all such items pertaining to hazardous materials shall be maintained for at least thirty (30) years. Such records include, but are not limited to, correspondence, internal memoranda, calculations, books and accounts, accounting records documenting its work under its Contract, and invoices, payrolls, records and all other data related to matters covered by this Contract. Consultant shall permit Port to audit, examine and make copies, excerpts and transcripts from such records. The State of California or any federal agency having an interest in the subject of Contract shall have the same rights conferred to Port by this section. Such rights shall be specifically enforceable.

12.2 The Consultant shall maintain full and adequate records in accordance with Port requirements to show the actual costs incurred by the Consultant in the performance of this Agreement. If such books and records are not kept and maintained by Consultant within a radius of fifty (50) miles from the offices of the Port at 530 Water Street, Oakland, California, Consultant shall, upon request of the Port, make such books and records available to the Port for inspection at a location within said fifty (50) mile radius or Consultant shall pay to the Port the reasonable, and necessary costs incurred by the Port in inspecting Consultant's books and records, including, but not limited to, travel, lodging and subsistence costs. Consultant shall provide such assistance as may be reasonably required in the course of such inspection. The Port further reserves the right to examine and reexamine said books, records and data during the three (3) year period following termination of this Agreement or completion of all work hereunder, as evidenced in writing by the Port, and the Consultant shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, and data in any matter whatsoever for three (3) years after the Port makes the final or last payment or within three (3) years after any pending issues between the Port and Consultant with respect to this Agreement are closed, whichever is later.

12.3 If the Consultant's books and records have been generated from computerized data, Consultant agrees to provide the Port or its representative extracts of data files in a computer readable format on data disks, e-mail with attached files or suitable alternative computer data exchange formats. The Consultant should not charge the Port for the reasonable use of the Consultant's photocopying machine while conducting the audit, nor for any cost of retrieving, downloading to diskette, and or printing any records or transactions stored in magnetic, optical, microform or other media.

12.4 Consultant agrees, upon commencement of an audit by or on behalf of the Port pursuant to this Section 12 (an “Audit”), to toll for the Tolling Period (as defined below) all applicable periods of any statutes of limitations, laches or other defenses based on the Port’s failure to file an action during the Tolling Period with regard to any matter arising out of the Audit. Such tolling shall commence on the Port’s written notice to the Consultant that the Audit has commenced (the “Tolling Effective Date”) and shall end four years after the date that the Port delivers to the Consultant a written copy of the Port’s final findings on the Audit or on such later date as may be set forth in a written agreement between the parties (the later of such dates is the “Tolling Termination Date,” and the period commencing on the Tolling Effective Date and ending on the Tolling Termination Date is the “Tolling Period”); provided, however, that the Tolling Period shall in no event be in excess of the time provided for in California Code of Civil Procedure § 360.5. Consultant agrees not to assert the defense of laches, statute of limitations or any other defense based upon the Port’s failure to timely file an action during the Tolling Period with regard to any matter arising out of the Audit. Notwithstanding the foregoing, the tolling agreement set forth in this paragraph shall be inadmissible to determine liability or damages or any issue in dispute (other than the Tolling Period) under the Audit, whether before regulatory bodies, alternative dispute resolution proceedings or state or federal courts.

13. **NON-DISCRIMINATION.**

Consultant acknowledges that it has received and reviewed a copy of the most current version of the Port of Oakland’s Unlawful Harassment Policy and Procedures. The purpose of these procedures is to provide an
effective and expedited system of resolving allegations of employment discrimination and prevention of unlawful harassment in the workplace. The Consultant shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, ancestry age (over 40), physical or mental disability, cancer-related medical condition, a known genetic pre-disposition to a disease or disorder, veteran status, marital status, or sexual orientation. Consultant shall take affirmative action to ensure that applicants and employees are treated fairly. Such action shall include, but not be limited to the following: hiring, upgrading, recruitment, advertising, selection for training, including apprenticeship, demotion, transfer, compensation, lay-off or termination, or any other term or conditions of employment.

14. DISPUTES.

Consultant shall continue its work throughout the course of any dispute, and Consultant’s failure to continue work during a dispute shall be a material breach of this Contract.

15. CALIFORNIA LAW.

This Contract shall be deemed to have been executed in the City of Oakland, Alameda County, California. Enforcement of this Contract shall be governed by the laws of the State of California, excluding its conflict of laws rules. The exclusive venue for all litigation arising from or relating to this Contract shall be in Alameda County, California. Should any clause, provision or aspect of this Contract be determined at any time to be unenforceable or in contravention of law, then the remaining clauses and provisions of this Contract shall be enforceable to the fullest extent permitted by law and construed to give effect to fullest extent possible the intent of this Contract.

16. NO THIRD PARTY BENEFICIARIES.

Except as expressly provided in this Contract, nothing in this Contract shall operate to confer rights or benefits on persons or entities not party to this Contract. Time is of the essence in the performance of this Contract.

17. ENTIRE CONTRACT.

This Contract and any written modification shall represent the entire and integrated agreement between the parties hereto regarding the subject matter of this Contract, shall constitute the exclusive statement of the terms of the parties’ agreement, and shall supersede any and all prior negotiations, representations or agreements, written or oral, express or implied, that relate in any way to the subject matter of this Contract or written modification. All prior negotiations are merged into this Contract and shall be inadmissible in any enforcement of this Contract.

18. NO WAIVER.

The granting of any progress payment, and any inspections, reviews, approvals or oral statements by any Port representative, or certification by any governmental entity, shall in no way limit Consultant’s obligations under this Contract. Either party’s waiver of any breach, or the omission or failure of either party, at any time, to enforce any right reserved to it, or to require strict performance of any provision of this Contract, shall not be a waiver of any other right to which any party is entitled, and shall not in any way affect, limit, modify or waive that party’s right thereafter to enforce or compel strict compliance with every provision hereof. This Contract may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved by fully authorized representatives of Port and Consultant.

19. STATUTES OF LIMITATION.

As between the parties to this Contract, any applicable statute of limitations for any act or failure to act shall commence to run on the date of Port’s issuance of the final Certificate for Payment, or termination of this Contract, whichever is earlier, except for latent defects, for which the statute of limitation shall begin running upon discovery of the defect and its cause.
20. **COVENANT AGAINST CONTINGENT FEES:**

20.1 Consultant warrants that no person or agency has been employed or retained to solicit or obtain the Agreement upon an agreement or understanding for a contingent fee, except a bona fide employee or agency. For breach or violation of this warranty, the Port, at its option, may annul the Agreement or deduct from the contract price or otherwise recover from Consultant the full amount of the contingent fee.

If the provisions of such applicable law may be waived, they are hereby waived to the end that this Contract may be deemed to be a valid and binding agreement enforceable in accordance with its terms to the greatest extent permitted by applicable law.

22. **COMPLIANCE WITH LAWS.**

c. Should the Living Wage laws not apply to Consultant at the time this Contract is entered into, but thereafter become applicable, Consultant will comply with all of its obligations under the respective Living Wage laws, when applicable; and

d. All terms used in this Section 22.3 and not defined shall have the meaning ascribed to such terms in the respective applicable Living Wage laws.

23. AGENT FOR SERVICE OF PROCESS.

Consultant may at any time designate a new agent for service in the State of California by providing written notice, duly executed in the same manner as this Agreement, of the full name and address of its new agent.
