Non-Discrimination and Small Local Business Utilization Policy

Non-Discrimination: Port of Oakland (Port) policy prohibits discrimination or preferential treatment because of race, color, religion, sex, national origin, ancestry, age (over 40), physical or mental disability, cancer-related medical condition, a known genetic pre-disposition to a disease or disorder, veteran status, marital status, or sexual orientation.

Local Business Utilization: On October 7, 1997, the Board of Port Commissioners initiated a formal policy to encourage full participation of firms from its Local Business Area ("LBA"), the counties of Alameda and Contra Costa, particularly those in its Local Impact Area ("LIA"), in its work. The LIA includes the cities of Oakland, Alameda, Emeryville and San Leandro. The LBA includes all cities within the counties of Alameda and Contra Costa. The Port will also take into consideration efforts the prime and sub-consultants make to assist in the community.

Consultant Preference Points: The Port allots preference points for the percentage of work being performed by consultants/sub-consultants located in either the LBA or the LIA and for community involvement for a maximum total of up to 15 points. These points are added to a maximum of 85 technical points for a composite maximum of 100 points in evaluating consultant proposals as follows:

- Up to 5 points will be credited proportionately (counting the whole team, prime consultant and sub-consultant(s)) for LIA certified firms, and 2.5 for LBA certified firms.
Note: LIA/LBA credit is given only for certified firms which have had established active offices in the respective area for at least a year at the time of proposal due date, and NOT for outside firms which plan to do the project work at a LIA/LBA office;
- An additional 3 points will be credited for an LIA certified prime consultant (proportionate to the share of prime consultant work in the case of a joint venture) and 1.5 points for an LBA certified prime consultant;
- Up to 4 points will be credited proportionately (counting the whole team, prime consultant and sub-consultant(s)) for Very Small Business Enterprise (VSBE) certified firms, and 2 points for Small Business Enterprise (SBE) certified firms; and
- Up to 3 points for commitment to the Port's values and programs, e.g., assigning meaningful work to small and/or very small local sub-consultants, mentor protégé relationships, participation in job/trade fairs, hiring interns, pro bono work, working with local schools, and working with community rehabilitation groups and re-entry programs, and other work showing the consultant's efforts to contribute to the economic development of the LIA.

In summary, please submit the following attachments in each copy of your proposal:

1. Attachment 5-A, Chart for Submitting Data for Calculation of Preference Points. List the team members' (prime and subs) names, roles, location and LIA/LBA/SBE/VSBE status in the format shown in Attachment 5-A. Be specific as to the nature and estimated percentage of the work to be performed by the prime, any joint venture partners and/or sub-consultants.
2. Attachment 5-B, Local Participation Questionnaire. Complete for each sub-consulting firm or individual, as well as for the prime consultant.

ATTACHMENT 5

Any proposal that fails to complete and submit the above two items (Prime *and* sub-consultants) will not be considered. For firms headquartered outside the LIA/LBA and wishing to obtain credit for their local office, personnel from the local office must be utilized for this project. Additionally, mail, correspondence and telephone calls will be made to this local office.

To obtain preference points on this RFP, consultants or any team member must be certified by the proposal due date or submit a Certification Application, with all supporting documentation seven (7) business days prior to the proposal due date. The questionnaire and checklist of necessary supporting documents for certification may be obtained at: <http://www.portoakland.com/srd/>. For questions regarding certification, you may contact Social Responsibility Division (SRD) at (510) 627-1627 or email SRDAdmin@portoakland.com.

Firms already certified with the Port do not need to submit proof of certification, but still need to check the Port's certification database at: <http://srd.portoakland.com/> to ensure their certification has not expired. Please note, in order to receive preference points, the Port certification must be current and not expired. Port certifications are valid for a two-year period.

For questions or assistance regarding this section, contact Ms. Connie Ng-Wong (510) 627-1390, or cng-wong@portoakland.com in the Port's Social Responsibility Division.

BOND PURCHASE CONTRACT

September 27, 2012

City of Oakland, acting by and through
its Board of Port Commissioners
530 Water Street
Oakland, California 94607

Ladies and Gentlemen:

[XXXXXXX] (the “**Representative**”) acting on its own behalf and on behalf of the other underwriters named in Exhibit A (collectively, together with the Representative, the “**Underwriters**”), offers to enter into this bond purchase contract (the “**Purchase Contract**”) with the City of Oakland, a municipal corporation, acting by and through its Board of Port Commissioners established and existing under Article VII of the Charter of the City of Oakland (the “**Port**”). Pursuant to the Charter of the City of Oakland (the “**Charter**”) the Board of Port Commissioners (the “**Board**”) has exclusive control and management of the department of the City of Oakland known as the Port Department (the “**Port Department**”). This offer is made subject to receipt by the Representative, on or prior to the date hereof, of the verbal confirmation required by Paragraph 5(c) to be delivered on or before the date hereof, and is subject to acceptance by the Port by execution and delivery to the Representative of this Purchase Contract by 5:00 p.m. (California time) on the date hereof. If such verbal confirmation is not received or if this offer is not so accepted, this offer will be subject to withdrawal by the Underwriters upon written notice delivered to the Port by the Representative at any time prior to such receipt and acceptance. Upon such receipt and acceptance, this Purchase Contract will be binding upon the Port and upon the Underwriters.

Capitalized terms not otherwise defined herein shall have the meanings set forth in the Preliminary Official Statement hereinafter mentioned.

The parties agree and acknowledge that the Port may designate any Authorized Board Representative (as defined in the Master Indenture mentioned below) to satisfy the Port's obligations to approve, acknowledge or revise any information or documents presented to or received by the Port under this Purchase Contract.

1. Purchase and Sale of the Series 2012 Bonds. (a) Upon the terms and conditions and in reliance upon the representations and agreements hereinafter set forth, the Underwriters agree, jointly and severally, to purchase from the Port for offering to the public, and the Port hereby agrees to sell to the Underwriters for such purpose, all (but not less than all) of the \$380,315,000 Port of Oakland Refunding Revenue Bonds 2012 Series P (AMT) (the "Series P Bonds") and \$3,575,000 Port of Oakland Refunding Revenue Bonds 2012 Series Q (Non-AMT) (the "Series Q Bonds," and together with the Series P Bonds, the "Series 2012 Bonds"). The aggregate purchase price for the Series 2012 Bonds shall be \$[XXXXXXXXXX] and is calculated as set forth in Schedule I. It shall be a condition to the Port's obligation to sell and to deliver the Series 2012 Bonds to the Underwriters at the Closing mentioned in Paragraph 7, and it shall be a condition to the Underwriters' obligations to purchase, to accept delivery of and to pay for the Series 2012 Bonds at the Closing, that the entire aggregate principal amount of the Series 2012 Bonds shall be issued, sold and delivered by the Port and purchased, accepted and paid for by the Underwriters at the Closing.

(b) Each of the Underwriters, by signing this Purchase Contract, confirms on its own behalf that the only compensation it has received or will receive from the Port for services in connection with this Purchase Contract is such Underwriter's portion of the Underwriters' discount referred to in subparagraph 1(a) and that such compensation covers services in connection with the issuance of the Series 2012 Bonds and in connection with this Purchase Contract and no other services.

2. The Series 2012 Bonds. The Series 2012 Bonds are being issued in accordance with the provisions of, and pursuant to (i) the Charter; (ii) Ordinance No. 2858, adopted by the Board on February 21, 1989 (the "**Ordinance**"); (iii) the Resolution of the Board adopted on September 13, 2012 (the "**Authorizing Resolution**") authorizing the issuance of the Series 2012 Bonds and approving and authorizing the execution and delivery of this Purchase Contract and the other 2012 Documents mentioned below; (iv) the Amended and Restated Master Trust Indenture, dated as of April 1, 2006, by and between the Port and U.S. Bank National Association, as trustee (the "**Trustee**"), as heretofore amended (the "**Master Indenture**"); and the Fifteenth Supplemental Trust Indenture, to be dated as of October 1, 2012 (the "**Fifteenth Supplemental Indenture**"), by and between the Port and the Trustee. The Master Indenture as amended and supplemented, including as amended and supplemented by the Fifteenth Supplemental Indenture, is referred to herein as the "**Indenture**." The Series 2012 Bonds shall be substantially in the form described in, and shall be secured pursuant to the provisions of, the Master Indenture and the Fifteenth Supplemental Indenture. The Series 2012 Bonds are limited obligations of the Port payable solely from Pledged Revenues (as that term is defined in the Master Indenture) and other assets as described in the Master Indenture and the Fifteenth Supplemental Indenture.

The Series 2012 Bonds shall be dated the date of their initial delivery, shall mature (subject to prior redemption) on the dates and in the principal amounts, shall be subject to

redemption at the times and prices and shall bear interest at the rates, set forth in Exhibit B. The net proceeds of the Series 2012 Bonds shall be applied as described in the Official Statement mentioned below (i) to refund on a current basis all of the outstanding Port of Oakland Revenue Bonds 2002 Series L (the “Series L Bonds”), Port of Oakland Revenue Bonds 2002 Series M (the “Series M Bonds”), and Port of Oakland Refunding Revenue Bonds 2002 Series N (the “Series N Bonds,” and together with the Series L Bonds and the Series M Bonds, the “**Refunded Bonds**”); (ii) to satisfy the 2011 Common Reserve Fund Requirement; and (iii) to pay costs of issuing the Series 2012 Bonds.

3. Authority of Representative; No Fiduciary Relationship. (a) The Representative confirms that, pursuant to an agreement among the Underwriters, the Representative has been duly authorized by the other Underwriters to execute this Purchase Contract and to act hereunder on behalf of the other Underwriters as Representative of the Underwriters. The Representative notes that each Underwriter is signing this Purchase Contract to confirm on its own behalf the information set forth in subparagraph 1(b) and that the Representative confirms the information in that subparagraph only for itself and not on behalf of any other Underwriter.

(b) The Port acknowledges that neither the Representative nor any of the other Underwriters is acting as a municipal advisor as defined in Section 15B of the Securities Exchange Act of 1934, as amended, and that neither the Representative nor any of the other Underwriters has a fiduciary duty as such to the Port in connection with the offering and purchase and sale of the Series 2012 Bonds. The Port on its own behalf and the Underwriters on their own behalf each acknowledges and agrees that (i) the purchase and sale of the Series 2012 Bonds pursuant to this Purchase Contract is an arm’s-length, commercial transaction between the Port and the Underwriters; (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Representative and the other Underwriters are and have been acting solely as principals and not as financial advisors or municipal advisors to the Port or as agents of the Port; (iii) neither the Representative nor any of the other Underwriters has assumed an advisory responsibility in favor of the Port with respect to the offering contemplated herein or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriters have provided other services or are currently providing other services to the Port on other matters); (iv) the Underwriters’ engagements are as independent contractors and not in any other capacity; (v) the only contractual obligations the Underwriters have to the Port with respect to the transactions contemplated hereby are those set forth in this Purchase Contract; and (vi) the Underwriters have financial and other interests that differ from those of the Port. The Port and the Underwriters each have consulted with their own legal, accounting, tax, financial and other advisors, as applicable, to the extent they have deemed appropriate. The Representative acknowledges and agrees that nothing in the foregoing paragraph is intended to limit the Underwriters’ obligations of fair dealing under MSRB Rule G-17.

4. Offering. The Underwriters will make a *bona fide* public offering of all of the Series 2012 Bonds, at prices not in excess of the initial public offering prices or at yields not lower than the yields set forth on the inside front cover of the Official Statement mentioned below; provided that the Series 2012 Bonds may be offered and sold to certain dealers (including dealers depositing the Series 2012 Bonds into unit investment trusts), money market funds (including money market funds sponsored or managed by the Underwriters) and others at prices

lower than the initial public offering prices or at yields higher than the initial yields set forth in the Official Statement, and the Underwriters may over-allot or effect transactions that stabilize or maintain the market price of the Series 2012 Bonds at levels above those that otherwise would prevail in the open market and may discontinue such stabilizing at any time without prior notice. Following the execution hereof and subject to the foregoing, the offering prices or yields may be changed from time to time by the Underwriters without prior notice.

5. Preliminary Official Statement; Official Statement; Verification Agent; Auditors.

(a) In connection with the public offering and sale of the Series 2012 Bonds, the Port hereby ratifies, confirms and approves the use and distribution by the Underwriters prior to the date hereof of the Preliminary Official Statement relating to the Series 2012 Bonds, dated September 17, 2012 (including the Appendices, any documents incorporated therein by reference and any supplements or amendments thereto prior to the date hereof, the “**Preliminary Official Statement**”). The Port has deemed final and hereby deems final for purposes of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (“**Rule 15c2-12**”), except for information permitted to be omitted therefrom by Rule 15c2-12, the Preliminary Official Statement. The Representative and the Port each confirms it agreed to the preparation and distribution of the Preliminary Official Statement in printed and electronic form.

(b) The Port shall provide to the Underwriters, as soon as practicable after the date of the Port’s acceptance of this Agreement, but, in any event, within seven (7) business days after the date of this Purchase Contract, but not later than the date required to accompany any confirmation that requests payment from any customer and in sufficient time to enable the Underwriters to comply with paragraph (b)(4) of Rule 15c2-12 and with the rules of the Municipal Securities Rulemaking Board (the “**MSRB**”), printed copies of the Official Statement, dated the date hereof and executed on behalf of the Port by the President or any Vice President of the Board or the Executive Director, the Deputy Executive Director or the Chief Financial Officer of the Port, substantially in the form of the Preliminary Official Statement, with the addition of the pricing information and only such other changes as shall have been accepted by the Representative (such Preliminary Official Statement, with the addition of such pricing information and such other changes, and including the Appendices and any documents incorporated therein by reference, the “**Official Statement**”), in the quantities requested by the Underwriters to enable the Underwriters to comply with the requirements of the MSRB and Rule 15c2-12. The Port authorizes the Representative to file the Official Statement with the MSRB through its Electronic Municipal Market Access System (“**EMMA**”) within one (1) business day after receipt of printed copies of the Official Statement. The Representative agrees that if an amended Official Statement is prepared and delivered to the Underwriters in accordance with Paragraph 6(k), the Representative will make any required filings of such amended Official Statement with the MSRB or its designee. The Port and the Representative each confirms that it does not object to the distribution of the Official Statement in electronic form. The Port hereby authorizes and approves the use and distribution by the Underwriters of the Official Statement in connection with the public offering and sale of the Series 2012 Bonds.

(c) On or before the date of this Purchase Contract, the Port shall deliver or cause to be delivered to the Representative verbal confirmation from [XXXXXXX], the verification agent (the “**Verification Agent**”), as to the adequacy of the escrow for the payment and redemption of the Refunded Bonds.

(d) On or before the delivery of the Official Statement as provided in Section 5(b), the consent or awareness letter of the independent auditors and a copy of the letter from the independent auditors concerning certain procedures performed at the direction of the Port.

6. Representations and Agreements of the Port. The Port represents to and agrees with each of the Underwriters that as of the date hereof:

(a) The Port Department is a duly constituted department of the City of Oakland (the “**City**”), validly existing pursuant to Article VII of the Charter;

(b) The Ordinance and the Authorizing Resolution each has been duly adopted by the Board; and each of the Ordinance and the Authorizing Resolution is in full force and effect and has not been amended, modified, superseded, rescinded or revoked;

(c) The Board has full power and authority to adopt the Authorizing Resolution, and the Port has full power and authority to enter into this Purchase Contract, the Fifteenth Supplemental Indenture, the Tax Certificate, to be dated the Closing Date (the “**Tax Certificate**”) and the Continuing Disclosure Certificate, to be dated the Closing Date (the “**Continuing Disclosure Certificate**” and together with this Purchase Contract, the Fifteenth Supplemental Indenture and the Tax Certificate, the “**2012 Documents**” and the 2012 Documents, together with the Master Indenture and the DTC Issuer Letter of Representations, the “**Transaction Documents**”), to perform the obligations contemplated in this Purchase Contract and in the other Transaction Documents and under the Authorizing Resolution and the transactions described in the Preliminary Official Statement and in the Official Statement, to approve and “deem final” the Preliminary Official Statement, to approve, execute and deliver the Official Statement and to issue, sell and deliver the Series 2012 Bonds to the Underwriters as provided herein;

(d) By all necessary official action, the Port has duly authorized, approved and “deemed final” the Preliminary Official Statement and has duly authorized and approved the Official Statement, has authorized the execution of the Official Statement, has approved and ratified the distribution of the Preliminary Official Statement by the Underwriters to potential purchasers of the Series 2012 Bonds and has authorized and approved the distribution of the Official Statement by the Underwriters to purchasers and potential purchasers of the Series 2012 Bonds; the Port has duly authorized and approved the issuance of the Series 2012 Bonds and the execution and delivery of and the performance by the Port of its obligations under the Series 2012 Bonds, this Purchase Contract and each of the other 2012 Documents; and the Port has complied, and at the Closing will be in compliance, with its obligations under the Authorizing Resolution, the Ordinance, this Purchase Contract and the other Transaction Documents to be performed by the time of the Closing;

(e) The Port (1) is not in violation or breach of or default under any applicable law or administrative rule or regulation of the United States, the State of California (the “**State**”) or any department, division, agency or instrumentality of the United States or the State having jurisdiction over the Port or any Port properties; and (2) is not in violation or breach of or default under any applicable court judgment or administrative decree or order, or any lease, note, resolution, indenture, contract, agreement or other instrument to which the Port is a party or by

(f) The adoption of the Authorizing Resolution does not and the execution and delivery of the Series 2012 Bonds and the 2012 Documents and the performance by the Port of its obligations under the Transaction Documents that may affect payment of the Series 2012 Bonds will not violate, breach or constitute a default under any law, administrative regulation, judgment, decree or statute applicable to the Port or violate, breach or constitute a default under any indenture, mortgage, deed of trust, bond, note, resolution, lease, contract, agreement or other instrument to which the Port is a party or by which (to the Port's knowledge) any of the Port's properties is bound, or to which (to the Port's knowledge) any of its property is otherwise subject, nor will any such adoption, execution, delivery or performance result in the creation or imposition of any lien, charge or security interest or other encumbrance of any nature whatsoever upon any of the Pledged Revenues or any other properties or assets of the Port or under the terms of any such law, regulation or instrument, except in each case as provided in or permitted by the Indenture, the Intermediate Lien Master Trust Indenture, dated as October 1, 2007, between the Board and U.S. Bank National Association, as trustee (as amended and supplemented from time to time, the "**Intermediate Lien Indenture**") or the Commercial Paper Indentures described below;

(g) All consents, approvals, authorizations of governmental or regulatory authorities or by or on behalf of any creditors or any other third party (except for consents, approvals or authorizations as may be required of governmental or regulatory authorities to comply with Blue Sky laws as to which no representation is made) for the execution and delivery of the Series 2012 Bonds, this Purchase Contract and the other 2012 Documents and for the performance by the Port of its obligations contained herein and in the other Transaction Documents have been obtained; and all notices required by, or conditions contained in, any resolution, ordinance, trust indenture or other agreement relating to the issuance of additional debt have been or will be given, made or satisfied on or prior to the Closing Date (or irrevocable instructions satisfactory to Bond Counsel have been given to the Trustee);

(h) Other than as set forth in the Preliminary Official Statement and the Official Statement as of the date of this Purchase Contract, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, which has been formally served on the Port, or, to the knowledge of the Port, is now pending or threatened against the Port (i) seeking to prohibit, restrain or enjoin the issuance, sale, execution or delivery of the Series 2012 Bonds or in any way contesting or affecting the validity of the Charter, the Ordinance, the Authorizing Resolution or any proceedings of the Board taken concerning the issuance or sale of the Series 2012 Bonds, the pledge of the Pledged Revenues or the power of the Port to collect, apply or pledge the Pledged Revenues and to pay the principal of and premium, if any, and interest on the Series 2012 Bonds, (ii) challenging the creation, organization or existence of the Board or the Port Department or the titles of the officers of the Board or the Port Department to their respective offices or the powers of the Port relating to the Series 2012 Bonds or to the operations of the Port; (iii) contesting or affecting the

(d) There shall occur any material adverse change in or affecting the business, properties or financial condition of the Board or the Port Department or any material loss or interference with its business from any fire, explosion, earthquake, flood or other adversity whether or not covered by insurance that in any case, in the reasonable opinion of the Representative after consultation with the Port, would materially adversely affect the marketability or the market price of the Series 2012 Bonds or the ability of the Underwriters to enforce contracts for the sale of the Series 2012 Bonds; or

(e) There shall be in force a general suspension of trading on the New York Stock Exchange or other national securities exchange, or minimum or maximum prices for trading shall have been fixed and be in force, or maximum ranges for prices for securities shall have been required and be in force on any such exchange, whether by virtue of determination by that exchange or by order of the Securities and Exchange Commission or any other governmental authority having jurisdiction; or

(k) Any legislation, ordinance, resolution, rule or regulation shall be introduced in or enacted by any governmental body, board, department or agency of the United States or the State, or a decision by any court of competent jurisdiction within the State or any court of the United States shall be rendered adversely affecting the Board or the Port Department that, in the reasonable opinion of the Representative after consultation with the Port would materially adversely affect the marketability or the market price of the Series 2012 Bonds or the ability of the Underwriters to enforce contracts for the sale of the Series 2012 Bonds; or
