(date)

**Prospective Bidders for
Taxiway V and Taxiway B (Phase 1)
Pavement Rehabilitation, South Field
Oakland International Airport
Oakland, California AIP 3-06-0170-(FUTURE)**

ADDENDUM NO. 1

The following are revisions to the Project Manual for **TAXIWAY V AND TAXIWAY B (PHASE 1) PAVEMENT REHABILITATION, SOUTH FIELD, OAKLAND INTERNATIONAL AIRPORT, OAKLAND, CALIFORNIA AIP 3-06-0170-(FUTURE)**, dated March 2020. Please transmit this information to your prospective sub-bidders, as applicable. This Addendum No. 1 is part of the Contract Documents and its receipt shall be acknowledged on Document 00400, Bid Form.

1. DOCUMENT 00010 – TABLE OF CONTENTS, page 00010-1

REVISE the entry for Document 00435 to read as follows:

“00435 Port of Oakland Subcontractor List Form”

DELETE the following entry:

“00435A Port of Oakland Subcontractor List Form (Additive Alternate A)”

2. DOCUMENT 00100 – INVITATION TO BID

DISCARD Document 00100, Invitation to Bid, and REPLACE with the attached Addendum No. 1 Document 00100.

3. DOCUMENT 00200 – INSTRUCTIONS TO BIDDERS

DISCARD Document 00200, Instructions to Bidders, and REPLACE with the attached Addendum No. 1 Document 00200.

4. DOCUMENT 00435 – PORT OF OAKLAND SUBCONTRACTOR LIST FORM (BASE BID)

DISCARD Document 00435, Port of Oakland Subcontractor List Form (Base Bid), and REPLACE with the attached Addendum No. 1 Document 00435, Port of Oakland Subcontractor List Form.

5. DOCUMENT 00435A – PORT OF OAKLAND SUBCONTRACTOR LIST FORM (ADDITIVE ALTERNATE A)

DELETE in its entirety Document 00435A, Port of Oakland Subcontractor List Form (Additive Alternate A).

6. DOCUMENT 00865 – DEPARTMENT OF LABOR WAGE RATES

DISCARD Document 00865, Department of Labor Wage Rates (incorporating General Decision No. CA20200018, Modification No. 6, dated 3/13/2020) and REPLACE with the attached Addendum No. 1 Document 00865 (incorporating General Decision No. CA20200018, Modification No. 7, dated 4/17/2020).

Sincerely,

Robert Andrews
Robert Andrews (Apr 24, 2020)

Robert Andrews
Chief Engineer/Interim Director of Engineering

Document 00435, Port of Oakland Subcontractor List Form
Document 00865, Department of Labor Wage Rates

DOCUMENT 00100

INVITATION TO BID

The CITY OF OAKLAND, acting by and through its BOARD OF PORT COMMISSIONERS (the "Port"), will receive Bids via email as per the provisions of Document 00200, Instructions to Bidders, Paragraph 17, Bid Submission, until 12:00 noon on Thursday, May 7, 2020, for the following public work:

**TAXIWAY V AND TAXIWAY B (PHASE 1)
PAVEMENT REHABILITATION
SOUTH FIELD
OAKLAND INTERNATIONAL AIRPORT
OAKLAND, CALIFORNIA
AIP 3-06-0170-(FUTURE)**

The work of this 318 calendar day project consists generally of furnishing all labor, materials, appliances, tools, equipment, transportation, services and supervision required to complete the pavement rehabilitation, including, but not limited to: installing temporary barricades; removing existing asphalt concrete and striping markings, and temporary removal of taxiway light fixtures; installing new asphalt pavement; installing new striping markings; install electrical light can extensions and reinstall taxiway light fixtures; and performing all associated work, all in accordance with the Contract Documents.

The Engineer's estimate for this project is \$6,500,000 for the base bid scope of work and \$3,125,000 for the bid alternate scope of work.

A California Class A contractor's license is required prior to award of this Contract. Joint ventures must secure a joint venture license prior to award of this Contract.

No contractor or subcontractor may be listed on a bid proposal or awarded any contract for the project unless registered with the Department of Industrial Relations (DIR) pursuant to Labor Code section 1725.5, with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a).

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

Refer to Document 00200, *Instructions to Bidders*, for required documents and items to be included in the Bid. The Bid must be submitted in a sealed envelope for deposit into the Bid Box, located at the office of the Secretary of the Board of Port Commissioners, and applicable times for submission.

This project is partially funded by the Federal Aviation Administration (FAA) through the Department of Transportation (DOT), and must comply with DOT's Disadvantaged Business Enterprise (DBE) Program regulations (see 49 Code of Federal Regulations, Part 26). DBEs as defined in 49 CFR Part 26, Section 26.5 - Definitions, shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds. Consequently, the DBE requirements of 49 CFR Part 26 apply to this agreement.

The Port of Oakland is currently administering a race neutral DBE program and as such is not establishing contract-specific goals for projects. The Port has set an overall aspirational DBE goal of 8.01% for federal fiscal years 2017-2020. DBE participation on this project will contribute to this overall goal. The Port encourages all Bidders to take active race/gender neutral steps to include DBEs in this contract, including and not limited to: unbundling contract work, identifying subcontract work the prime contractor may self-perform, providing capital and bonding assistance, business development programs and providing other technical assistance as needed.

The Contractor will be required to submit quarterly DBE attainment reports to the Port, as the Port is required to report annual DBE attainment under its DBE Program Plan. In order for contractors to count toward DBE attainment, contractors and subcontractors must be certified as of the date of bid opening by an authorized California Unified Certification Program or http://www.dot.ca.gov/hq/bep/business_forms.htm.

Questions regarding the DBE program may be directed to Donna Cason at DCason@portoakland.com or at (510) 627-1232.

The Port of Oakland's Non-Discrimination and Small/Local Business Utilization Policy, including preference points allocation for local business, does not apply to this project.

The proposed contract is under and subject to the Equal Employment Opportunity (EEO) Clause and the "Buy American" requirements contained in the contract documents in Document 00803, *Contract Provisions for Federally Funded Construction Projects*.

The proposed contract is subject to the Federal Affirmative Action Requirements and other Federal Equal Employment Opportunity Construction Contract Provisions contained in the contract documents in Document 00860, *Standard Federal Equal Employment Opportunity Requirements For Construction Contracts*.

Bidders shall refer to Document 00803, *Contract Provisions for Federally Funded Construction Projects*, for notice to prospective contractors and subcontractors regarding requirements for Certification of Non-Segregated Facility.

The Contractor and all subcontractors shall pay their employees in the performance of labor under this Contract salaries or wages at least equal to the general prevailing wage rates, as determined by the Secretary of Labor, United States Department of Labor, or by the Director of the Department of Industrial Relations of the State of California, whichever is higher, for the particular crafts, classifications or types of workers employed on the project, which are in effect at the time of advertising for bids, subject to compliance with the Port of Oakland Maritime and Aviation Project Labor Agreement (MAPLA).

The Port will permit the successful Bidder to substitute securities for retention monies withheld to ensure performance of the contract, as set forth in Document 00680, *Escrow Agreement for Security Deposits in Lieu of Retention*, in accordance with Section 22300 of the California Public Contract Code.

This project will be covered by the Port's Owner Controlled Insurance Program (OCIP). The OCIP will provide the General Liability, Worker's Compensation, Employer's Liability, and Contractor's Pollution Legal Liability insurance. The OCIP Administrator for the project will be

Alliant Insurance Services ("Alliant"). The Contractor will be required to provide Builder's Risk Insurance, Automotive Liability Insurance for Contractor's vehicles and equipment, and other coverages as more specifically described in Article 4, Bonds and Insurance, of Document 00700, *General Conditions*.

A Performance Bond and a Labor and Material Payment Bond are required for this contract.

The successful Bidder, whether union or non-union, must comply with the provisions of Document 00823R1, *Port of Oakland Maritime and Aviation Project Labor Agreement (MAPLA) [2016] V.1*, and must execute Document 00630R1, *Letter of Assent [2016] V.1*. Non-union Bidders and Bidder's subcontractors are not required to sign union agreements nor are their employees required to become union members to perform work on this project

The Port will conduct a pre-bid meeting at 10:00 AM on Monday, April 13, 2020. Due to the Governor's Shelter-in-Place order, the meeting will be conducted via conference call. Bidders who wish to participate in the pre-bid meeting should contact Owen He at OHe@portoakland.com for further information.

The Port strongly recommends that potential Bidders attend the pre-bid meeting. The pre-bid meeting will last approximately one hour, and will address Disadvantaged Business Enterprise (DBE) participation, insurance requirements, bonds, Maritime and Aviation Project Labor Agreement and any other special working conditions for this contract.

The Port will not conduct a site tour for this project.

The work of this project is subject to the requirements of Document 00455, *Port of Oakland Construction and Demolition Debris Waste Reduction and Recycling Requirements*. Bidders must submit the Port of Oakland Waste Reduction and Recycling Plan Form (Attachment 2 to Document 00455) with the Bid.

Bidders may obtain the Bidding Documents (Plans and Project Manual) for this project on line at the Port of Oakland website at <http://www.portofoakland.com/Bids> on or after Monday, April 6, 2020. Detailed instructions on downloading the Bidding Documents are available at the following web address: <http://www.portofoakland.com/DownloadInstructions>. Any Addenda modifying the Plans and Project Manual will be posted at the same location.

Pursuant to Port of Oakland Ordinance No. 4321, the Port of Oakland Standard Contract Provisions (February 2015 edition) are incorporated by reference into Project Manuals issued by the Port for public works construction projects. The Contract Documents consist of the approved Project Manual, any addenda and the approved terms of the Standard Contract Provisions, as specified in more detail in Documents 00520, *Agreement*, and 00800, *Supplementary Conditions – Modifications to Standard Contract Provisions*.

For questions pertaining to the download of the Plans and Project Manual, please contact Bill Russell at (510) 627-1439 or at brussell@portoakland.com. For technical questions, in respect to the Bidding Documents, Bidders should contact Owen He at (510) 627-1197 or at OHe@portoakland.com.

The Port specifically reserves the right, in its sole discretion, to reject any or all Bids, to re-bid, or to waive inconsequential defects in bidding not involving time, price or quality of the Work.

Bidders are solely responsible for the cost of preparing their Bids.

END OF DOCUMENT

DOCUMENT 00200

INSTRUCTIONS TO BIDDERS

Bids are requested for a general construction contract described in general as follows:

PORT OF OAKLAND CONTRACT 2020-03-A2

TAXIWAY V AND TAXIWAY B (PHASE 1)
PAVEMENT REHABILITATION
SOUTH FIELD
OAKLAND INTERNATIONAL AIRPORT
OAKLAND, CALIFORNIA
AIP 3-06-0170-(FUTURE)

1. **RECEIPT OF BIDS.** The Port will receive electronic bids only for the above-referenced Project. All bids must be submitted in the manner specified in Paragraph 17 herein. The Port will receive Bids until 12:00 p.m., on Thursday, May 7, 2020. Bids received after the specified time will not be accepted. The successful Bidder shall execute Document 00431 – Bidder DBE Information Form, along with written confirmation from DBEs, and Document 00437 – Port of Oakland Supplemental Subcontractor List Form, as indicated in Paragraph 22, POST-NOTICE OF AWARD REQUIREMENTS.

No contractor or subcontractor may be listed on a bid proposal or awarded any contract for the project unless registered with the DIR pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

2. **DETERMINATION OF APPARENT LOW BIDDER.** The Apparent Low Bid will be based on one of the following pursuant to Public Contract Code section 20103.8(d):

Option A: Total Base Bid Price + Total Additive Alternate A Bid Price (Base + Alternate)
Option B: Total Base Bid Price (Base Bid)

Prior to the opening of any Bids, the Port will announce which of the above options will serve as the basis of determination of the Apparent Low Bidder. The Option will be selected in a manner that prevents any information that would identify any of the Bidders or proposed subcontractors or suppliers from being revealed, before the selected Option is publicly announced prior to opening the sealed Bids, so that the selection of the applicable Option will not be based on the contents of the Bids. All Bidders are required to submit Bids on all Bid items. The Bids will be compared to Federal requirements as contained in, but not limited to, Documents 00801, 00802, 00803, 00860, 00861, 00862, 00865, 00870.2 and 00871.

3. **REQUIRED BID FORM.** Bidders must submit Bids on Document 00400, Bid Form. The Port will reject as non-responsive any Bid not submitted on the required form. Bids must be full and complete. Bidders must complete all Bid items and supply all information required by Bidding Documents. The Port reserves the right in its sole discretion to reject any Bid as non-responsive as a result of any error or omission in the Bid. Bidders must submit clearly written Bids, and the Port reserves the right to reject any Bid not clearly written. Bidders may not modify the Bid Form or qualify their Bids. The Bid must be clearly and distinctly written without any erasure or

interlineation. Any changes in the Bid shall be clearly made, with the original entry crossed out and the new entry initialed by the Bidder.

4. **REQUIRED BID SECURITY.** Bidders must submit with their Bids a corporate surety bond furnished by a surety authorized to do a surety business in the State of California, of not less than five percent (5%) of the aggregate amount of the Total Bid Price, payable to the Port of Oakland. The Port will provide the required form of corporate surety bond, Document 00411, Bond Accompanying Bid. The Port will reject as non-responsive any Bid submitted without the necessary Bid security. As soon as practicable after the Bid opening, if there are more than three (3) responsive Bidders, all Bid securities and Bid bonds except for those of the apparent lowest three responsive Bidders will be returned to the other Bidders. The Bid security and Bid bond of the successful Bidder may be retained for a period greater than 120 days will be returned after execution of the contract and deposit of all necessary bonds and other items.
5. **REQUIRED SUBCONTRACTORS LISTS.** Bidders must submit with their Bids the names of all subcontractors and their respective bid item sub-bids on Document 00435, Port of Oakland Subcontractor List Form, for those subcontractors who will perform any portion of the work of Option A (Base + Alternate) or Option B (Base Bid), including labor, rendering of service, or specially fabricating and installing a portion of the work or improvement according to detailed drawings contained in the plans and specifications, in excess of one-half of one percent (0.5%) of the total bid price for said option (or if applicable, in the case of Bids for the construction of streets or highways, including bridges, in excess of one-half of one percent (0.5%) of the total bid price for said option or \$10,000, whichever is greater). For each listed subcontractor. Bidder shall check the appropriate box(es) in Column 5 to indicate whether the subcontractor will perform Base Bid Work and/or Bid Alternate A Work.

The successful Bidder shall cooperate with the Port in meeting its commitments and objectives with regard to ensuring nondiscrimination in the award and administration of U.S. DOT-assisted contracts and shall use its best efforts to ensure that barriers to participation of DBEs do not exist. The successful Bidder shall list DBE subcontractors in Document 00431. The DBE participation goal, if any, for this project is indicated in Paragraph 6, below. DBE contractors and subcontractors must be certified at the time of bid opening by a authorized California Unified Certification Program member.

Bidder shall comply with the Disadvantaged Business Enterprise (DBE) goals, if any, and the minimum portion of work to be performed by the Contractor's own organization, as contained in Document 00803, is not less than 30 percent of the Total Bid Price, excluding any specialty items designated by the Port. Specialty items may be performed by subcontract and the amount of any such specialty items performed may be deducted from the Total Bid Price before computing the amount of work required to be performed by the contractor's own organization. (See Document 00801, Federal Requirements for Federal-Aid Construction Contracts, Section VII, SUBLETTING OR ASSIGNING THE CONTRACT.)

The successful Bidder shall submit the following information on Document 00431, Bidder DBE Information Form, as stated in Paragraph 22, POST-NOTICE OF AWARD REQUIREMENTS:

The names, addresses and phone numbers of DBE firms, including Prime Bidder, Joint Venture Partners, subcontractors, suppliers, truckers, and lower tier subcontractors, that will participate in the contract;

A complete description of the work or supplies to be provided by each DBE firm;

The dollar value of each DBE transaction;

A written confirmation from the DBE that it is participating in the contract (i.e. a copy of the DBE's quote);

When 100 percent of a contract item of work is not to be performed or furnished by a DBE, a description of the exact portion of that work to be performed or furnished by that DBE;

The planned location of that work

If no subcontractor is a certified DBE, the Successful Bidder shall note that fact on Document 00431.

6. **DBE PARTICIPATION GOAL.** The Port of Oakland is currently administering a race neutral DBE program and as such is not establishing contract-specific goal for this project. The Port of Oakland encourages all bidders to take active race/gender neutral steps to include DBE's in this contract. Race/gender neutral steps include: unbundling large contracts, subcontracting work the prime contractor may self-perform, providing capital and bonding assistance, business development programs and providing technical assistance.

The Port of Oakland has set an overall aspirational goal of 8.01% disadvantaged business enterprise (DBE) participation on federal aid funding received from the Federal Aviation Administration (FAA) under the US Department of Transportation for federal fiscal years 2017-2020. DBE participation on this project will contribute to this overall goal. Any changes to the aspirational goal will be posted on the Port of Oakland's website at www.portofoakland.com.

The successful Bidder shall cooperate with the Port in meeting its commitments and objectives with regard to ensuring nondiscrimination in the award and administration of U.S. DOT-assisted contracts and shall use its best efforts to ensure that barriers to participation of DBEs do not exist.

The Port of Oakland encourages all Bidders to utilize small subcontractors and suppliers for work on this Project where applicable. The Port strongly encourages Bidders on this Project to utilize small business subcontractors and suppliers, as certified by the Port and other agencies. Should the Bidder need assistance in locating small business subcontractors and suppliers, the Bidder may download a list of small and local businesses at <https://srd.portofoakland.com> or contact Donna Cason in the Port's Social Responsibility Division at 510-627-1252 or DCason@portoakland.com. DBE professional engineering firms may be downloaded from the California Department of Transportation's website at http://www.dot.ca.gov/hq/bep/find_certified.htm

7. **FEDERAL REQUIREMENTS AND REQUIRED BIDDER'S CERTIFICATIONS AND DISCLOSURE FORMS.** The Work under this Contract is being partially funded with Federal Government funds. Bidders shall comply with the bidding and contracting requirements for work performed by the Contractor's own organization, Disadvantaged Business Enterprise (DBE) goals, if any, and other Federal requirements as contained in, but not limited to, Documents 00801, 00802, 00803, 00860, 00861, 00862, 00865, 00870.2 and 00871.

The Port will reject as non-responsive any Bid submitted without the Certification and Disclosure forms. No Bidder may make or file or be interested in more than one Bid for the same supplies, services or both.

8. **REQUIRED BIDDER'S STATEMENT ON PREVIOUS CONTRACTS SUBJECT TO EEO CLAUSE.** Bidders must submit with their Bids Document 00483, Bidder's Statement on Previous Contracts Subject to EEO Clause. The Port will reject as non-responsive any Bid submitted without the EEO Statement.
9. **REQUIRED CERTIFICATION OF NONSEGREGATED FACILITIES.** Bidders must submit with their Bids Document 00484 Certification of Non-Segregated Facilities. The Port will reject as non-responsive any Bid submitted without the Certification of Non-Segregated Facilities.
10. **PRE-BID CONFERENCE AND SITE VISITS.** The Port will conduct a pre-bid meeting at 10:00 AM on Monday, April 13, 2020. Due to the Governor's Shelter-in-Place order, the meeting will be conducted via conference call. Bidders who wish to participate in the pre-bid meeting should contact Owen He at OHe@portoakland.com for further information. The pre-bid meeting will address insurance, bonds, DBE Participation, Maritime and Aviation Project Labor Agreement, and other non-technical issues related to the work and the Project, and will last approximately one hour.

The Port will not conduct a site tour for this project.

The Port will post at <http://www.portofoakland.com/Bids> such Addenda as the Port in its discretion considers necessary in response to questions arising at the pre-Bid conference. Oral statements shall not be relied upon and will not be binding or legally effective.
11. **OTHER REQUIREMENTS PRIOR TO BIDDING.** Submission of a Bid signifies careful examination of Bidding Documents and complete understanding of the nature, extent and location of Work to be performed. Bidder must complete the tasks listed in Document 00520, Agreement, Article 5, as a condition to bidding, and submission of Bid shall constitute the Bidder's express representation to the Port that Bidder has fully completed these tasks.
12. **EXISTING CONDITIONS AND GEOTECHNICAL DATA.** Bidders may examine any available existing conditions information by giving the Port reasonable advance notice. The Port will not be responsible for accuracy of existing drawings or geotechnical data. Document 00320, Existing Conditions and Geotechnical Data, applies to all supplied existing drawings and geotechnical reports, and all other information supplied regarding existing conditions either above ground or below ground.
13. **ADDENDA.** Bidders must direct all questions about the meaning or intent of the Bidding Documents to the Port. Interpretations or clarifications considered necessary by the Port in response to such questions will be issued by Addenda posted at <http://www.portofoakland.com/Bids>. Notification of the issuance of Addenda will be faxed or emailed to each Bidder at the fax number or email address supplied to the Port by the Bidder. Questions received less than seven (7) days prior to the date for opening Bids may not be answered. Only questions answered by formal written Addenda will be binding. Oral and other interpretations and clarifications will be without legal effect.

- a. Addenda may also be issued to modify the Bidding Documents as deemed advisable by the Port.

- b. Addenda shall be acknowledged in Bid Form by number and shall be part of the Contract Documents. A complete listing of Addenda may be secured from the Port.
- c. Addenda will be issued only by the Port of Oakland and only in writing. Addenda will be identified as such and will be available for download at <http://www.portofoakland.com/Bids>. Notification of issuance of Addenda will be delivered via fax or email to all who are known by the issuing office to have obtained Bidding Documents and who have provided a fax number or email address for receipt of Addendum notification.
- d. Copies of Addenda will be made available for inspection wherever Bidding Documents are on file for inspection.
- e. Addenda will be posted at <http://www.portofoakland.com/Bids> no later than 3 full working days prior to the Bid Deadline. Addenda notifications will be issued such that they should be received by prospective Bidders, who have provided a fax number or email address for receipt of Addendum notification, no later than 3 full working days prior to the Bid Deadline. Addenda withdrawing the request for Bids or postponing the Bid Deadline may be issued any time prior to the Bid Deadline.
- f. Each Bidder shall be responsible for ascertaining, prior to submitting a Bid, that it has received all issued Addenda.

14. **LOG OF RESPONSES TO BIDDER QUESTIONS.** Clarifications that do not necessitate the issuance of a formal Addendum may, at the Port's discretion, be issued in written form in a 'Log of Responses to Bidder Questions'. The Log of Responses to Bidder Questions will be posted to the Port website at <http://www.portofoakland.com/Bids>, and may be periodically updated during the course of the bid period. It is the Port's intent to provide notification of updates to the Log to all who are known by the issuing office to have obtained Bidding Documents and who have provided a fax number or email address. However, it is Bidder's responsibility to monitor the Port website for posted updates. Questions received less than seven (7) days prior to the date for opening Bids may not be answered.

The Log of Responses to Bidder Questions is provided solely for Bidders' convenience; it is not part of the Contract Documents, and any interpretations or clarifications contained therein are without legal effect. Bidders are advised that any Bidder questions submitted to the Port may, at the Port's discretion, be incorporated into the posted Log of Responses to Bidder Questions.

15. **SUBSTITUTIONS.** Bidders must base their Bids on products and systems specified or indicated in the Contract Documents or listed by name in Addenda. Contractors and materials suppliers may submit proposals for substitutions for pre-Bid date approval, and up to thirty-five (35) days following the Notice of Award.

- a. Submittals of proposals for substitutions shall contain sufficient information, as set forth in Specification Section 01620, Product Options and Substitutions, to assess acceptability of product or system. Insufficient proposed information shall be grounds for rejection of substitution.
- b. Approved substitutions will be listed in Addenda. The Port reserves the right not to act upon submittals of requests for substitutions until after Bid opening.

c. Substitutions may be requested after the Contract Documents are signed in accordance with requirements specified in Document 00700, General Conditions, and Section 01620, Product Options and Substitutions.

d. Port will require at least twenty-one (21) calendar days to review requests for substitutions.

16. **WAGE RATES.** Contractor and all subcontractors shall pay their employees performing work under this contract, salaries or wages at least equal to the general prevailing rates or per diem wages for each craft, classification, or type of worker in effect at the time of advertising for Bids, as determined by the Secretary of Labor, United States Department of Labor, or by the Director of Department of Industrial Relations of the State of California, whichever is higher, subject to compliance with the Port of Oakland Maritime and Aviation Project Labor Agreement (MAPLA). This information is available on the Internet at http://www.dir.ca.gov/DLSR/statistics_research.html and <http://www.dir.ca.gov/DLSR/PWD/>. Free access to the Internet is available at the Oakland Public Library, Main Branch, 125 – 14th Street, Oakland, California 94612, (510) 238-3134, and all of its fifteen (15) branches, listed below:

17. **PROJECT LABOR AGREEMENT.** The apparent successful bidder, whether union or non-union, must comply with the Port of Oakland Maritime and Aviation Project Labor Agreement, attached as Document 00823R1, and must execute Document 00630R1, Letter of Assent. Non-union Bidders and Bidders' subcontractors are not required to sign union agreements nor are their employees required to become union members to perform work on this Project. The apparent successful bidder further must cause all "Contractors" (as such term is defined in the Project Labor Agreement) that contract under Contractor on this Contract and are covered by the Project Labor Agreement, to comply with the requirements imposed on "Contractors" (as such term is defined in the Project Labor Agreement) under said agreement and to execute Document 00630R1, Letter of Assent. Pursuant to the Project Labor Agreement, Contractors shall be required to make contributions to the Social Justice Trust Fund of \$0.30 per labor hour, as more fully described in Document 00825R1, Social Justice Labor Management Cooperation Trust Fund.

For the purposes of this Project, which is funded through an agency or agencies of the United States Department of Transportation, the provisions of the Port of Oakland Maritime and Aviation Project Labor Agreement permitting the possible imposition of sanctions and/or binding arbitration for failure to demonstrate "good faith" efforts to meet local hiring goals are hereby deemed inapplicable.

18. **COSTS OF DRUG TESTING.** The implementation costs of the Maritime and Aviation Project Labor Agreement Uniform Substance Abuse Policy must be included in the Total Bid Price. These costs are stated in Document 00824R1, Port of Oakland Maritime and Aviation Project Labor Agreement Substance Abuse Prevention Policy Drug Testing.
19. **WEB ACCESSED MONITORING SYSTEM (WAMS):**): Bidders are alerted that the Port of Oakland has adopted an electronic monitoring system to satisfy the reporting requirements for prevailing wages, construction workforce and business utilization. The Port has designated Elation Systems, Inc. (Elation) as its vendor for the electronic submission system and the successful bidder and their subcontractors will be required to utilize the Elation service for this contract. There will be no fees associated with the use of WAMS on the successful bidder's part. It will be the responsibility of the successful bidder and their subcontractors to ensure access into WAMS by registering for an Elation account prior to starting work on the project. Registration instructions are as follows:

To register for an Elation account:

1. Access the Elation website at: www.elationsys.com
2. Click on the Register link located near the top right corner of the window
3. Click on the Register as a Contractor or Subcontractor button
4. Input the Promo Code "PortOakland-2017"
5. Upon submitting the Registration Application, the applicant will receive the first of two emails. Open the first email and click the link in the email, this will complete your Registration Application

6. The applicant will receive the 2nd email, confirming that their application has been activated.

*ALL contractors at all tier levels must have an Elation account. Current Elation account users DO NOT have to register again.

20. **BID SUBMISSION** Each Bid must be submitted electronically in a single PDF file containing scanned copies of all forms listed below, properly executed as specified herein, and arranged in the order listed herein. In order to fully comply with the Governor's Executive Orders in response to the COVID-19 pandemic and health order(s) currently issued by the Alameda County Public Health Department, and any amendments thereto (collectively, the Health Orders), the Port Offices are closed to the public and **no paper bids will be accepted**.

- a The PDF shall be submitted via email to the Secretary of the Board of Port Commissioners at dedgerly@portoakland.com. The subject line of the email should read as follows:

BID FOR PORT CONTRACT 2020-03-A2 - TAXIWAY V AND TAXIWAY B (PHASE
1) PAVEMENT REHABILITATION, SOUTH FIELD, OAKLAND INTERNATIONAL
AIRPORT, OAKLAND, CALIFORNIA AIP 3-06-0170-(FUTURE)

The Bidder shall include in the text of its bid submission email the delivery service tracking number for the hard copy submission specified in Paragraph 17.c below.

The Secretary of the Board of Port Commissioners will reply by email to the Bidder's email Bid submission. Said reply shall constitute the Port's acknowledgment of receipt of the Bid.

- b. Each PDF Bid file must contain the following completed and fully executed documents::

- 1) Document 00400, Bid Form. The entire document is the Bid Form.
- 2) Corporate surety bond of not less than 5% of the amount of the Total Bid Price. Bidder and its surety must execute Document 00411, Bond Accompanying Bid.
- 3) Document 00420, Contractor Registration and Safety Experience Form.
- 4) Document 00435, Port of Oakland Subcontractor List Form: If Bidder intends to employ subcontractors, Bidder must furnish the information required on this form, in accordance with instructions contained in these Instructions to Bidders.
- 5) Completed Document 00455, Attachment 2, Construction and Demolition Debris Waste Reduction and Recycling Plan ("WRRP") form.
- 6) Document 00456, Regulatory Compliance Statement.
- 7) Document 00483, Bidder's Statement on Previous Contracts Subject to EEO Clause.
- 8) Document 00484, Certificate of Non-Segregated Facilities.

9) All Forms listed in Document 00862, Federal Certification/Disclosure Forms.

10) Document 00870.2, Certificate of Buy American Compliance –
Manufactured Products.

- c. In addition to the digital submission specified above, Document 00411, Bond Accompanying Bid, shall be submitted in hard copy format via the United States Postal Service or other delivery service, no later than three business days after the bid opening date and time, to the following address:

Port of Oakland Building
Office of the Secretary of the Board of Port Commissioners
Room 629
530 Water Street
Oakland, California 94607

The envelope shall be labeled as follows:

ORIGINAL BID BOND - PORT CONTRACT 2020-03-A2 - TAXIWAY V AND
TAXIWAY B (PHASE 1) PAVEMENT REHABILITATION, SOUTH FIELD,
OAKLAND INTERNATIONAL AIRPORT, OAKLAND, CALIFORNIA AIP 3-06-
0170-(FUTURE)

The Bidder must obtain a tracking number from the delivery service, and must transmit said tracking number to the Port at the date and time of bid submission, as specified in Paragraph 17.a above

- d. Notwithstanding any provisions contained elsewhere in the Contract Documents, only the items listed above are required to be submitted with the Bid.
- e. Bids shall be deemed to include any written responses of a Bidder to any questions or requests for information of the Port made as part of the Bid evaluation process after submission of the Bid. The provisions of the California Public Contract Code relating to relief from bids, Section 5100 et seq. are applicable to this contract.

21. **BID OPENING.** The Secretary of the Board of Port Commissioners shall open Bids received via email up to and including the time and date specified. Due to the Health Orders, the bid opening will not be open to the public, but will be conducted via Zoom videoconferencing, and will commence at 12:10 p.m. on May 7, 2020. The Zoom meeting ID is 917 3353 0110.

Bidders and other interested parties who wish to participate in the bid opening may do so by logging into the Zoom website at the following URL: <https://zoom.us/j/91793530110>. Bidders and interested parties may also participate in the bid opening via teleconference at 1 (669) 900-9128, using the meeting ID listed above.

The bid results, corrected per the provisions of Paragraph 21.e below, will be posted as soon as possible following the bid opening, and available online via the "Engineering Bid Results" link at <http://www.portoakland.com/Bids>. Notification of the posting of bid results will be faxed or emailed to all parties who registered as plan holders for this project. For assistance in locating the posted bid results, please contact Bill Russell at brussell@portoakland.com.

The three (3) apparent lowest responsive Bidders must execute and submit the following documents after Bids have been opened and duly inspected. The successful Bidders' failure to submit these documents properly and timely entitles the Port to reject the Bid as non-responsive.

- a. Submit the following document, by 5:00 p.m. of fifth (5th) day following Bid opening. Award of Contract depends on the accurate submission of this document and on the approval of the submissions by the Port:

A letter addressed to the Port Attorney, Michele Heffes, 530 Water Street, 4th Floor, Oakland, CA 94607, representing that such Bidder and all other "Contractors" (as such term is defined in Document 00823R1, Port of Oakland Maritime and Aviation Project Labor Agreement ("MAPLA")) covered by such MAPLA, are willing, ready and able to comply with the MAPLA, and that such Bidder and the other "Contractors" shall execute Document 00630R1, Letter of Assent, without modification or qualification, within ten (10) days of the Notice of Award. The letter must be without qualification and must be in form acceptable to the Port Attorney.

The letter must be submitted electronically to the Port Attorney at mheffes@portoakland.com, with a copy to Laurice Henry Ross, Legal Assistant II, at lhenny@portoakland.com. The letter must be submitted as a PDF file consisting of a scanned copy of the letter, signed by the signatory of the Bid Form.

22. **POST-NOTICE OF AWARD REQUIREMENTS.** The apparent low Bidder must execute and submit the following documents after Bids have been opened and duly inspected. The apparent low Bidder's failure to submit these documents properly and timely entitles the Port to reject the Bid as non-responsive.

- a. Submit the following documents to the Port by 5:00 p.m. of the tenth (10th) day following receipt of the Notice of Award. Execution of contract depends upon approval of these documents:
 - 1) Document 00431, Bidder DBE Information Form. If Bidder intends to employ any subcontractors, truckers and suppliers who will perform work of the Bid Items, Bidder must furnish the information required on this Form. If no subcontractor is a certified DBE, the Successful Bidder shall note that fact on Document 00431.
 - 2) Written confirmation from DBEs that are participating in the Contract (i.e. copy of the DBE's quote.
 - 3) Document 00437, Port of Oakland Supplemental Subcontractor List Form.
 - 4) Document 00520, Agreement: To be executed by the successful Bidder. Submit two (2) copies, each bearing all required original signatures.
 - 5) Document 00610, Construction Performance Bond. To be executed by the successful Bidder and surety, in the amount of one hundred percent (100%) of the Contract Sum.
 - 6) Document 00620, Construction Labor and Material Payment Bond. To be executed by successful Bidder and surety, in the amount of one hundred percent (100%) of the Contract Sum.

- 7) Document 00630R1, Letter of Assent [2016] V.1. To be executed by the Contractor and by all other "Contractors" (as such term is defined in the MAPLA (See Document 00823R1)) who are covered by the MAPLA and have not submitted a MAPLA Driver Questionnaire (also referred to as the "Trucking Questionnaire"), proof of Direct Owner-Operator and Owner-Operator Hardship Exemptions, or proof of MAPLA Small Business Enterprise Exemption, as applicable.
- 8) Trucking Questionnaire, proof of Direct Owner-Operator and Owner-Operator Hardship Exemptions, or proof of MAPLA Small Business Enterprise Exemption. To be executed by all "Contractors" (as defined in the MAPLA (See Document 00823R1)) applying for an exemption from the MAPLA, as applicable.
- 9) Insurance forms, documents and certificates required by Document 00700, General Conditions, Paragraph 4.2, including, without means of limitation Alliant WrapX online enrollment and compliance requirements. Port reserves the right to make changes and modifications to the Project Insurance Manual (See Document 00700, General Conditions, Paragraph 4.2 and Document 00830, Project Insurance Manual), including the forms to be filed thereunder and Alliant WrapX online enrollment and compliance requirements, as Port may deem necessary from time to time after the bid date. In the event there is any modification or change to the Project Insurance Manual after the bid date, then at the election of Port, upon the latter of the Notice of Award of the Contract or the date the Port provides notice of the modifications or changes to the Project Insurance Manual, the Port will provide the Project Insurance Manual to the successful bidder, which document shall be a Contract Document. In such case, all other copies of the Project Insurance Manual received by Bidder are superseded.

Contractors of any tier excluded from participation in the OCIP include (a) vendors, suppliers, fabricators, material dealers, equipment rental companies truckers, haulers, drivers and others who primarily transport, pickup, deliver, or carry materials, personnel, waste, parts or equipment or any other items or persons to or from the Project Site, architects, engineers (unless they are an employee of an otherwise enrolled and covered scope), consultants and other professional services firms, testing and balancing firms, surveyors (unless they are an employee of an otherwise enrolled and covered scope), employee leasing firms, (b) Contractors and each of their respective Subcontractors who do not perform any actual labor on the Project Site, (c) environmental, hazardous, abatement or regulated materials Contractors, (d) Contractors who perform marine diving activities, (e) demolition Contractors utilizing blasting, explosives or wrecking balls (f) Contractors and Subcontractors who have a workers' compensation experience modification in excess of 150% (Contractors and Subcontractors with experience modifications of 125% to 150% will be subject to additional safety requirements as described in the Contract), and (g) sole proprietor Contractors without workers' compensation insurance, who do not provide evidence of medical insurance to the OCIP Administrator. Ineligible Contractors are not permitted to Work on the Project until they have provided to the Port evidence of their compliance with the insurance requirements as outlined in the Contract.

- 10) Insurance Certificates and Endorsements required by Document 00700, General Conditions, Paragraphs 4.2 (OCIP) or 4.3 (Non-OCIP), whichever applies.

- 11) A resume or outline of the safety and health qualifications and experience for the Safety Representative listed by you on Document 00420, Contractor Registration And Safety Experience Form.
- b. Upon receipt of the Notice of Award, the apparent low Bidder and each of its subcontractors who employs workers in any apprenticeable craft or trade shall apply to the joint apprenticeship committee administering the apprenticeship standards of the craft or trade for a certificate approving the contractor or subcontractor under the apprenticeship standards for the employment and training of apprentices, in accordance with Section 1777.5 of the California Labor Code.
- c. The Port shall have the right to contact directly the bond sureties proposed by the apparent low Bidder to confirm the issuance of the bonds.
23. **BID PROTEST.** Any Bid protest must be submitted electronically to the Secretary of the Board of Port Commissioners at dedgerly@portoakland.com with a copy to the Chief Engineer at randrews@portoakland.com, before 5:00 p.m. of the third (3rd) business day following Bid opening. The Bid protest must be submitted as a single PDF file containing (1) a scanned copy of the protest letter, signed by the signatory of the Bid Form, and (2) any attached documentation.
- a. The initial protest document must contain a complete statement of the basis for the protest.
- b. The protest must refer to the specific portion of the document which forms the basis for the protest.
- c. The protest must include the name, address and telephone number of the person representing the protesting party.
- d. The party filing the protest must concurrently transmit an electronic copy of the initial protest document and any attached documentation to all other parties with a direct financial interest which may be adversely affected by the outcome of the protest. Such parties shall include all other Bidders who appear to have a reasonable prospect of receiving an award depending upon the outcome of the protest. The email addresses of such Bidders will be provided upon request by the Secretary of the Board of Port Commissioners.
- e. The procedure and time limits set forth in this paragraph are mandatory and are the Bidder's sole and exclusive remedy in the event of Bid protest. The Bidder's failure to comply with these procedures shall constitute a waiver of any right to further pursue the Bid protest, including filing a Government Code Claim or legal proceedings. A Bidder may not rely on a protest submitted by another Bidder, but must timely pursue its own protest.
24. **BID EVALUATION.** The Port may reject any and all Bids and waive any informalities or minor irregularities in the Bids. The Port also reserves the right, in its discretion, to reject any or all Bids and to re-bid the Project, or to not award the contract to anyone. The Port reserves the right to reject any or all nonconforming, non-responsive, unbalanced or conditional Bids, re-bid, and to reject the Bid of any Bidder if the Port believes that it would not be in the best interest of Project to make an award to that Bidder, whether because the Bid is not responsive or the Bidder is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criteria established by the Port. The Port also reserves the right to waive informalities, inconsequential deviations or minor irregularities not involving price, time or

changes in the Work, to the fullest extent permitted by law. For purposes of this paragraph, an "unbalanced bid" is one having nominal prices for some work items and enhanced prices for other work items.

- a. In evaluating Bids, the Port will consider the qualifications of Bidders, whether or not the Bids comply with the prescribed requirements, and such unit prices and other data, as may be requested in the Bid Form or prior to the Notice of Award.
- b. The Port may conduct such investigations as the Port deems necessary to assist in the evaluation of any Bid and to establish the responsibility, qualifications and financial ability of Bidders, proposed subcontractors, suppliers and other persons and organizations to perform and furnish the Work in accordance with the Contract Documents. The Port shall have the right to communicate directly with Bidder's Surety regarding Bidder's bonds.
- c. Calculation errors in the Bid Form will be corrected on the following basis:
 - (i) Unit Price Bid Items: If there is a discrepancy between the line item total entered on the Bid Form and the product of the Estimated Quantity and the Unit Price entered on the Bid Form, the Unit Price will prevail, and the line item total will be corrected accordingly, except in the following circumstance:
 - (a) If the Unit Price is illegible or omitted, or if in the judgment of the Port there is an obvious misplacement of the decimal point in the Unit Price, the line item total will prevail, and the Unit Price will be corrected accordingly, becoming the quotient of the line item total divided by the Estimated Quantity.
If both the Unit Price and the line item total are omitted, both the Unit Price and the line item total will be \$0.00.
 - (ii) Lump Sum Bid Items: If no line item total is entered on the Bid Form, the line item total will be \$0.00.
 - (iii) Discrepancies between the indicated sum of any column of numerals and the correct sum thereof will be resolved in favor of the correct sum.
 - (iv) Discrepancies between written words and figures, or words and numerals, will be resolved in favor of the words.
 - (v) All corrections of calculation errors will be incorporated into the bid results posted at <http://www.portofoakland.com/Bids>. A Bidder's failure to dispute such corrections within three (3) business days of posting of bid results, or to request relief from its Bid in accordance with Section 5103 of the California Public Contract Code, will constitute Bidder's affirmation that it is willing and able to perform the work of the contract for the purposed total bid amount.
- d. In addition to the price, in determining the lowest responsible, responsive Bidder, consideration will be given to:
 - (i) The quality and performance of the supplies to be purchased and the services to be provided by Bidder;
 - (ii) The ability, capacity and skill of Bidder to perform the Work required by the Contract Documents;
 - (iii) The ability of Bidder to perform the Work required by the Contract Documents within the times specified, without delay;
 - (iv) The character, integrity, reputation, judgment, experience and efficiency of Bidder;

- (v) The quality of Bidder's performance on previous contracts with the Port of Oakland or City;
 - (vi) The ability of Bidder to provide future maintenance, repair parts and services for the use of the supplies purchased; and
 - (vii) Bidder's satisfaction of Disadvantaged Business Enterprise (DBE) goals, if any, and/or the other applicable requirements.
25. **FAILURE TO EXECUTE AND DELIVER DOCUMENTS.** If the Bidder to whom the contract is awarded shall for twenty (20) days after such award fail or neglect to execute and deliver all required Contract Documents and file all required bonds, insurance certificates and other documents (see paragraph 22a, above), the Port may, in its sole discretion, deposit the Bidder's surety bond, cashier's check or certified check for collection, and proceeds thereof may be retained by the Port as liquidated damages for Bidder's failure to enter into the Contract Documents. The Bidder agrees that calculating the damages the Port may suffer as a result of the Bidder's failure to execute and deliver all required Contract Documents and other required documents would be extremely difficult and impractical and that the amount of the Bidder's required Bid security shall be the agreed and presumed amount of the Port's damages.
26. **AWARD.** If the Contract is to be awarded, it will be awarded to the lowest responsible responsive Bidder within one hundred twenty (120) days of Bid opening. The Notice of Award, Document 00510, shall be delivered as provided therein.

The award of this Contract is also subject to approval of the Federal Aviation Administration.

The Port reserves the right to reject all Bids.

Pursuant to the Port Purchasing Ordinance, the Port of Oakland Standard Contract Provisions (Standard Contract Provisions) are incorporated by reference into Project Manuals issued by the Port for public works construction projects. The Contract Documents consist of the approved Project Manual, any addenda and the approved terms of the Standard Contract Provisions, as specified in more detail in Documents 00520, Agreement, and 00800, Supplementary Conditions – Modifications to Standard Contract Provisions.

27. **DEFINITIONS.** Except as set forth herein, all abbreviations and definition of terms used in these Instructions to Bidders are set forth in Specification Section 01420, References and Definitions.
28. **SIGNING BIDDING DOCUMENTS AND CONTRACT DOCUMENTS.** If the Bidder is a corporation, all Bidding Documents required to be executed by the Bidder (and, if such Bidder is the apparent low bidder and receives the Notice of Award, all Contract Documents required to be executed by such Bidder after Notice of Award) shall set forth the legal name of the corporation and must be signed by the officer or officers legally authorized by the corporation or by law to bind the corporation. If the Bidder is a non-corporate entity, all Bidding Documents required to be executed by the Bidder (and, if such Bidder is the apparent low bidder and receives the Notice of Award, all Contract Documents required to be executed by such Bidder after Notice of Award) shall be submitted in the name of the entity and signed by a partner or member, with authority to sign documents on behalf of such entity. The Port reserves the right to require additional evidence of the authority of any person executing the documents on behalf of the Bidder.

Any person signing on behalf of an entity thereby warrants their authority to bind the entity. The Port reserves the right to require additional evidence of the authority of any person executing documents on behalf of the Bidder.

29. **OBTAINING FULL-SIZE PLANS AND PROJECT MANUALS.** The Plans and Project Manual are available for download at <http://www.portofoakland.com/Bids>. Plans and Project Manuals, incorporating all addendum revisions, will be made available in hard-copy format to the Contractor after Award of Contract.

DOCUMENT 00865

DEPARTMENT OF LABOR WAGE RATES

General Decision Number: CA20200018 04/17/2020

Superseded General Decision Number: CA20190018

State: California

Construction Types: Building, Heavy (Heavy and Dredging) and Highway

Counties: Alameda, Calaveras, Contra Costa, Fresno, Kings, Madera, Mariposa, Merced, Monterey, San Benito, San Francisco, San Joaquin, San Mateo, Santa Clara, Santa Cruz, Stanislaus and Tuolumne Counties in California.

BUILDING CONSTRUCTION PROJECTS; DREDGING PROJECTS (does not include hopper dredge work); HEAVY CONSTRUCTION PROJECTS (does not include water well drilling); HIGHWAY CONSTRUCTION PROJECTS

Note: Under Executive Order (EO) 13658, an hourly minimum wage of \$10.80 for calendar year 2020 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least \$10.80 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2020. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate, if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

SCOPE OF WORK

Includes the installation testing, service and maintenance, of the following systems which utilize the transmission and/or transference of voice, sound, vision and digital for commercial, education, security and entertainment purposes for the following: TV monitoring and surveillance, background-foreground music, intercom and telephone interconnect, inventory control systems, microwave transmission, multi-media, multiplex, nurse call system, radio page, school intercom and sound, burglar alarms, and low voltage master clock systems.

A. SOUND AND VOICE TRANSMISSION/TRANSFERENCE SYSTEMS

Background foreground music, Intercom and telephone interconnect systems, Telephone systems Nurse call systems, Radio page systems, School intercom and sound systems, Burglar alarm systems, Low voltage, master clock systems, Multi-media/multiplex systems, Sound and musical entertainment systems, RF systems, Antennas and Wave Guide,

B. FIRE ALARM SYSTEMS Installation, wire pulling and testing

C. TELEVISION AND VIDEO SYSTEMS Television monitoring and surveillance systems Video security systems, Video entertainment systems, Video educational systems, Microwave transmission systems, CATV and CCTV

D. SECURITY SYSTEMS Perimeter security systems Vibration sensor systems Card access systems Access control systems, Sonar/infrared monitoring equipment

E. COMMUNICATIONS SYSTEMS THAT TRANSMIT OR RECEIVE INFORMATION AND/OR CONTROL SYSTEMS THAT ARE INTRINSIC TO THE ABOVE LISTED SYSTEMS SCADA (Supervisory Control and Data Acquisition) PCM (Pulse Code Modulation) Inventory Control Systems, Digital Data Systems Broadband and Baseband and Carriers Point of Sale Systems, VSAT Data Systems Data Communication Systems RF and Remote Control Systems, Fiber Optic Data Systems

WORK EXCLUDED Raceway systems are not covered (excluding Ladder-Rack for the purpose of the above listed systems). Chases and/or nipples (not to exceed 10 feet) may be installed on open wiring systems. Energy management systems. SCADA (Supervisory Control and Data Acquisition) when not intrinsic to the above listed systems (in the scope). Fire alarm systems when installed in raceways (including wire and cable pulling) shall be performed at the electrician wage rate, when either of the following two (2) conditions apply:

1. The project involves new or major remodel building trades construction.
2. The conductors for the fire alarm system are installed in conduit.

GROUP 1: Operator of helicopter (when used in erection work); Hydraulic excavator, 7 cu. yds. and over; Power shovels, over 7 cu. yds.

GROUP 2: Highline cableway; Hydraulic excavator, 3-1/2 cu. yds. up to 7 cu. yds.; Licensed construction work boat operator, on site; Power blade operator (finish); Power shovels, over 1 cu. yd. up to and including 7 cu. yds. m.r.c.

GROUP 3: Asphalt milling machine; Cable backhoe; Combination backhoe and loader over 3/4 cu. yds.; Continuous flight tie back machine assistant to engineer or mechanic; Crane mounted continuous flight tie back machine, tonnage to apply; Crane mounted drill attachment, tonnage to apply; Dozer, slope brd; Gradall; Hydraulic excavator, up to 3 1/2 cu. yds.; Loader 4 cu. yds. and over; Long reach excavator; Multiple engine scraper (when used as push pull); Power shovels, up to and including 1 cu. yd.; Pre-stress wire wrapping machine; Side boom cat, 572 or larger; Track loader 4 cu. yds. and over; Wheel excavator (up to and including 750 cu. yds. per hour)

GROUP 4: Asphalt plant engineer/box person; Chicago boom; Combination backhoe and loader up to and including 3/4 cu. yd.; Concrete batch plant (wet or dry); Dozer and/or push cat; Pull- type elevating loader; Gradesetter, grade checker (GPS, mechanical or otherwise); Grooving and grinding machine; Heading shield operator; Heavy-duty drilling equipment, Hughes, LDH, Watson 3000 or similar; Heavy-duty repairperson and/or welder; Lime spreader; Loader under 4 cu. yds.; Lubrication and service engineer (mobile and grease rack); Mechanical finishers or spreader machine (asphalt, Barber-Greene and similar); Miller Formless M-9000 slope paver or similar; Portable crushing

and screening plants; Power blade support; Roller operator, asphalt; Rubber-tired scraper, self-loading (paddle-wheels, etc.); Rubber-tired earthmoving equipment (scrapers); Slip form paver (concrete); Small tractor with drag; Soil stabilizer (P & H or equal); Spider plow and spider puller; Tubex pile rig; Unlicensed construction work boat operator, on site; Timber skidder; Track loader up to 4 yds.; Tractor-drawn scraper; Tractor, compressor drill combination; Welder; Woods-Mixer (and other similar Pugmill equipment)

GROUP 5: Cast-in-place pipe laying machine; Combination slusher and motor operator; Concrete conveyor or concrete pump, truck or equipment mounted; Concrete conveyor, building site; Concrete pump or pumpcrete gun; Drilling equipment, Watson 2000, Texoma 700 or similar; Drilling and boring machinery, horizontal (not to apply to waterliners, wagon drills or jackhammers); Concrete mixer/all; Person and/or material hoist; Mechanical finishers (concrete) (Clary, Johnson, Bidwell Bridge Deck or similar types); Mechanical burm, curb and/or curb and gutter machine, concrete or asphalt); Mine or shaft hoist; Portable crusher; Power jumbo operator (setting slip-forms, etc., in tunnels); Screed (automatic or manual); Self-propelled compactor with dozer; Tractor with boom D6 or smaller; Trenching machine, maximum digging capacity over 5 ft. depth; Vermeer T-600B rock cutter or similar

GROUP 6: Armor-Coater (or similar); Ballast jack tamper; Boom-type backfilling machine; Assistant plant engineer; Bridge and/or gantry crane; Chemical grouting machine, truck-mounted; Chip spreading machine operator; Concrete saw (self-propelled unit on streets, highways, airports and canals); Deck engineer; Drilling equipment Texoma 600, Hughes 200 Series or similar up to and including 30 ft. m.r.c.; Drill doctor; Helicopter radio operator; Hydro-hammer or similar; Line master; Skidsteer loader, Bobcat larger than 743 series or similar (with attachments); Locomotive; Lull hi-lift or similar; Oiler, truck mounted equipment; Pavement breaker, truck-mounted, with compressor combination; Paving fabric installation and/or laying machine; Pipe bending machine (pipelines only); Pipe wrapping machine (tractor propelled and supported); Screed (except asphaltic concrete paving); Self-propelled pipeline wrapping machine; Tractor; Self-loading chipper; Concrete barrier moving machine

GROUP 7: Ballast regulator; Boom truck or dual-purpose A-frame truck, non-rotating - under 15 tons; Cary lift or similar; Combination slurry mixer and/or cleaner; Drilling equipment, 20 ft. and under m.r.c.; Firetender (hot plant); Grouting machine operator; Highline cableway signalperson;

Stationary belt loader (Kolman or similar); Lift slab machine (Vagtborg and similar types); Maginnes internal full slab vibrator; Material hoist (1 drum); Mechanical trench shield; Pavement breaker with or without compressor combination); Pipe cleaning machine (tractor propelled and supported); Post driver; Roller (except asphalt); Chip Seal; Self-propelled automatically applied concrete curing machine (on streets, highways, airports and canals); Self-propelled compactor (without dozer); Signalperson; Slip-form pumps (lifting device for concrete forms); Tie spacer; Tower mobile; Trenching machine, maximum digging capacity up to and including 5 ft. depth; Truck- type loader

GROUP 8: Bit sharpener; Boiler tender; Box operator; Brakeperson; Combination mixer and compressor (shotcrete/gunite); Compressor operator; Deckhand; Fire tender; Forklift (under 20 ft.); Generator; Gunite/shotcrete equipment operator; Hydraulic monitor; Ken seal machine (or similar); Mixermobile; Oiler; Pump operator; Refrigeration plant; Reservoir-debris tug (self-propelled floating); Ross Carrier (construction site); Rotomist operator; Self-propelled tape machine; Shuttlecar; Self-propelled power sweeper operator (includes vacuum sweeper); Slusher operator; Surface heater; Switchperson; Tar pot firetender; Tugger hoist, single drum; Vacuum cooling plant; Welding machine (powered other than by electricity)

GROUP 8-A: Elevator operator; Skidsteer loader-Bobcat 743 series or smaller, and similar (without attachments); Mini excavator under 25 H.P. (backhoe-trencher); Tub grinder wood chipper

ALL CRANES AND ATTACHMENTS

GROUP 1: Clamshell and dragline over 7 cu. yds.; Crane, over 100 tons; Derrick, over 100 tons; Derrick barge pedestal-mounted, over 100 tons; Self-propelled boom-type lifting device, over 100 tons

GROUP 2: Clamshell and dragline over 1 cu. yd. up to and including 7 cu. yds.; Crane, over 45 tons up to and including 100 tons; Derrick barge, 100 tons and under; Self-propelled boom-type lifting device, over 45 tons; Tower crane

GROUP 3: Clamshell and dragline up to and including 1 cu. yd.; Cranes 45 tons and under; Self-propelled boom-type lifting device 45 tons and under;

GROUP 4: Boom Truck or dual purpose A-frame truck,
non-rotating over 15 tons; Truck-mounted rotating
telescopic boom type lifting device, Manitex or similar
(boom truck) over 15 tons; Truck-mounted rotating
telescopic boom type lifting device, Manitex or similar
(boom truck) - under 15 tons;

PILEDRIVERS

GROUP 1: Derrick barge pedestal mounted over 100 tons;
Clamshell over 7 cu. yds.; Self-propelled boom-type lifting
device over 100 tons; Truck crane or crawler, land or barge
mounted over 100 tons

GROUP 2: Derrick barge pedestal mounted 45 tons to and
including 100 tons; Clamshell up to and including 7 cu.
yds.; Self-propelled boom-type lifting device over 45 tons;
Truck crane or crawler, land or barge mounted, over 45 tons
up to and including 100 tons; Fundex F-12 hydraulic pile rig

GROUP 3: Derrick barge pedestal mounted under 45 tons; Self-
propelled boom-type lifting device 45 tons and under;
Skid/scow piledriver, any tonnage; Truck crane or crawler,
land or barge mounted 45 tons and under

GROUP 4: Assistant operator in lieu of assistant to engineer;
Forklift, 10 tons and over; Heavy-duty repairperson/welder

GROUP 5: Deck engineer

GROUP 6: Deckhand; Fire tender

STEEL ERECTORS

GROUP 1: Crane over 100 tons; Derrick over 100 tons; Self-
propelled boom-type lifting device over 100 tons

GROUP 2: Crane over 45 tons to 100 tons; Derrick under 100
tons; Self-propelled boom-type lifting device over 45 tons
to 100 tons; Tower crane

GROUP 3: Crane, 45 tons and under; Self-propelled boom-type
lifting device, 45 tons and under

GROUP 4: Chicago boom; Forklift, 10 tons and over; Heavy-duty
repair person/welder

GROUP 5: Boom cat

--

TUNNEL AND UNDERGROUND WORK

GROUP 1-A: Tunnel bore machine operator, 20' diameter or more

GROUP 1: Heading shield operator; Heavy-duty repairperson;
Mucking machine (rubber tired, rail or track type); Raised
bore operator (tunnels); Tunnel mole bore operator

GROUP 2: Combination slusher and motor operator; Concrete
pump or pumpcrete gun; Power jumbo operator

GROUP 3: Drill doctor; Mine or shaft hoist

GROUP 4: Combination slurry mixer cleaner; Grouting Machine
operator; Motorman

GROUP 5: Bit Sharpener; Brakeman; Combination mixer and
compressor (guniting); Compressor operator; Oiler; Pump
operator; Slusher operator

FOOTNOTES:

Laborers working off or with or from bos'n chairs, swinging
scaffolds, belts shall receive \$0.25 per hour above the
applicable wage rate. This shall not apply to workers
entitled to receive the wage rate set forth in Group 1-a
below.

LABORER CLASSIFICATIONS

CONSTRUCTION SPECIALIST GROUP: Asphalt ironer and raker;
Chainsaw; Laser beam in connection with laborers' work;
Cast-in-place manhole form setter; Pressure pipelayer;
Davis trencher - 300 or similar type (and all small
trenchers); Blaster; Diamond driller; Multiple unit drill;
Hydraulic drill

GROUP 1: Asphalt spreader boxes (all types); Barko, Wacker
and similar type tampers; Buggymobile; Caulker, bander,
pipewrapper, conduit layer, plastic pipelayer; Certified
hazardous waste worker including Leade Abatement;
Compactors of all types; Concrete and magnesite mixer, 1/2
yd. and under; Concrete pan work; Concrete sander; Concrete
saw; Cribber and/or shoring; Cut granite curb setter;
Dri-pak-it machine; Faller, logloader and bucket; Form
raiser, slip forms; Green cutter; Headerboard, Hubsetter,
aligner, by any method; High pressure blow pipe (1-1/2" or
over, 100 lbs. pressure/over); Hydro seeder and similar
type; Jackhammer operator; Jacking of pipe over 12 inches;
Jackson and similar type compactor; Kettle tender, pot and
worker applying asphalt, lay-kold, creosote, lime, caustic
and similar type materials (applying means applying,
dipping or handling of such materials); Lagging, sheeting,
whaling, bracing, trenchjacking, lagging hammer; Magnesite,
epoxyresin, fiberglass, mastic worker (wet or dry); No
joint pipe and stripping of same, including repair of
voids; Pavement breaker and spader, including tool grinder;
Perma curb; Pipelayer (including grade checking in
connection with pipelaying); Precast-manhole setter;
Pressure pipe tester; Post hole digger, air, gas and
electric; Power broom sweeper; Power tampers of all types
(except as shown in Group 2); Ram set gun and stud gun;
Riprap stonepaver and rock-slinger, including placing of
sacked concrete and/or sand (wet or dry) and gabions and
similar type; Rotary scarifier or multiple head concrete
chipping scarifier; Roto and Ditch Witch; Rototiller;
Sandblaster, pot, gun, nozzle operators; Signalling and
rigging; Tank cleaner; Tree climber; Turbo blaster;
Vibrascreed, bull float in connection with laborers' work;
Vibrator; Hazardous waste worker (lead removal); Asbestos
and mold removal worker

GROUP 1-a: Joy drill model TWM-2A; Gardner-Denver model DH143
and similar type drills; Track driller; Jack leg driller;
Wagon driller; Mechanical drillers, all types regardless of
type or method of power; Mechanical pipe layers, all types
regardless of type or method of power; Blaster and powder;
All work of loading, placing and blasting of all powder and
explosives of whatever type regardless of method used for
such loading and placing; High scalers (including drilling
of same); Tree topper; Bit grinder

GROUP 1-b: Sewer cleaners shall receive \$4.00 per day above Group 1 wage rates. "Sewer cleaner" means any worker who handles or comes in contact with raw sewage in small diameter sewers. Those who work inside recently active, large diameter sewers, and all recently active sewer manholes shall receive \$5.00 per day above Group 1 wage rates.

GROUP 1-c: Burning and welding in connection with laborers' work; Synthetic thermoplastics and similar type welding

GROUP 1-d: Maintenance and repair track and road beds. All employees performing work covered herein shall receive \$.25 per hour above their regular rate for all work performed on underground structures not specifically covered herein. This paragraph shall not be construed to apply to work below ground level in open cut. It shall apply to cut and cover work of subway construction after the temporary cover has been placed.

GROUP 1-e: Work on and/or in bell hole footings and shafts thereof, and work on and in deep footings. (A deep footing is a hole 15 feet or more in depth.) In the event the depth of the footing is unknown at the commencement of excavation, and the final depth exceeds 15 feet, the deep footing wage rate would apply to all employees for each and every day worked on or in the excavation of the footing from the date of inception.

GROUP 1-f: Wire winding machine in connection with guniting or shot crete

GROUP 2: Asphalt shoveler; Cement dumper and handling dry cement or gypsum; Choke-setter and rigger (clearing work); Concrete bucket dumper and chute; Concrete chipping and grinding; Concrete laborer (wet or dry); Driller tender, chuck tender, nipper; Guinea chaser (stake), grout crew; High pressure nozzle, adductor; Hydraulic monitor (over 100 lbs. pressure); Loading and unloading, carrying and hauling of all rods and materials for use in reinforcing concrete construction; Pittsburgh chipper and similar type brush shredders; Sloper; Single foot, hand-held, pneumatic tamper; All pneumatic, air, gas and electric tools not listed in Groups 1 through 1-f; Jacking of pipe - under 12 inches

GROUP 3: Construction laborers, including bridge and general laborer; Dump, load spotter; Flag person; Fire watcher; Fence erector; Guardrail erector; Gardener, horticultural and landscape laborer; Jetting; Limber, brush loader and piler; Pavement marker (button setter); Maintenance, repair

track and road beds; Streetcar and railroad construction track laborer; Temporary air and water lines, Victaulic or similar; Tool room attendant (jobsite only)

GROUP 4: Final clean-up work of debris, grounds and building including but not limited to: street cleaner; cleaning and washing windows; brick cleaner (jobsite only); material cleaner (jobsite only). The classification "material cleaner" is to be utilized under the following conditions:

- A: at demolition site for the salvage of the material.
- B: at the conclusion of a job where the material is to be salvaged and stocked to be reused on another job.
- C: for the cleaning of salvage material at the jobsite or temporary jobsite yard.

The material cleaner classification should not be used in the performance of "form stripping, cleaning and oiling and moving to the next point of erection".

GUNITE LABORER CLASSIFICATIONS

GROUP 1: Structural Nozzleman

GROUP 2: Nozzleman, Gunman, Potman, Groundman

GROUP 3: Reboundman

GROUP 4: Guniting laborer

WRECKING WORK LABORER CLASSIFICATIONS

GROUP 1: Skilled wrecker (removing and salvaging of sash, windows and materials)

GROUP 2: Semi-skilled wrecker (salvaging of other building materials)

FOOTNOTES:

Laborers working off or with or from bos'n chairs, swinging
scaffolds, belts shall receive \$0.25 per hour above the
applicable wage rate. This shall not apply to workers
entitled to receive the wage rate set forth in Group 1-a
below.

LABORER CLASSIFICATIONS

CONSTRUCTION SPECIALIST GROUP: Asphalt ironer and raker; Chainsaw; Laser beam in connection with laborers' work; Cast-in-place manhole form setter; Pressure pipelayer; Davis trencher - 300 or similar type (and all small trenchers); Blaster; Diamond driller; Multiple unit drill; Hydraulic drill

GROUP 1: Asphalt spreader boxes (all types); Barko, Wacker and similar type tampers; Buggymobile; Caulker, bander, pipewrapper, conduit layer, plastic pipelayer; Certified hazardous waste worker including Lead Abatement; Compactors of all types; Concrete and magnesite mixer, 1/2 yd. and under; Concrete pan work; Concrete sander; Concrete saw; Cribber and/or shoring; Cut granite curb setter; Dri-pak-it machine; Faller, logloader and bucket; Form raiser, slip forms; Green cutter; Headerboard, Hubsetter, aligner, by any method; High pressure blow pipe (1-1/2" or over, 100 lbs. pressure/over); Hydro seeder and similar type; Jackhammer operator; Jacking of pipe over 12 inches; Jackson and similar type compactor; Kettle tender, pot and worker applying asphalt, lay-kold, creosote, lime, caustic and similar type materials (applying means applying, dipping or handling of such materials); Lagging, sheeting, whaling, bracing, trenchjacking, lagging hammer; Magnesite, epoxyresin, fiberglass, mastic worker (wet or dry); No joint pipe and stripping of same, including repair of voids; Pavement breaker and spader, including tool grinder; Perma curb; Pipelayer (including grade checking in connection with pipelaying); Precast-manhole setter; Pressure pipe tester; Post hole digger, air, gas and electric; Power broom sweeper; Power tampers of all types (except as shown in Group 2); Ram set gun and stud gun; Riprap stonepaver and rock-slinger, including placing of sacked concrete and/or sand (wet or dry) and gabions and similar type; Rotary scarifier or multiple head concrete chipping scarifier; Roto and Ditch Witch; Rototiller; Sandblaster, pot, gun, nozzle operators; Signalling and rigging; Tank cleaner; Tree climber; Turbo blaster; Vibrascreed, bull float in connection with laborers' work; Vibrator; Hazardous waste worker (lead removal); Asbestos and mold removal worker

GROUP 1-a: Joy drill model TWM-2A; Gardner-Denver model DH143 and similar type drills; Track driller; Jack leg driller; Wagon driller; Mechanical drillers, all types regardless of type or method of power; Mechanical pipe layers, all types regardless of type or method of power; Blaster and powder; All work of loading, placing and blasting of all powder and explosives of whatever type regardless of method used for

such loading and placing; High scalers (including drilling of same); Tree topper; Bit grinder

GROUP 1-b: Sewer cleaners shall receive \$4.00 per day above Group 1 wage rates. "Sewer cleaner" means any worker who handles or comes in contact with raw sewage in small diameter sewers. Those who work inside recently active, large diameter sewers, and all recently active sewer manholes shall receive \$5.00 per day above Group 1 wage rates.

GROUP 1-c: Burning and welding in connection with laborers' work; Synthetic thermoplastics and similar type welding

GROUP 1-d: Maintenance and repair track and road beds. All employees performing work covered herein shall receive \$.25 per hour above their regular rate for all work performed on underground structures not specifically covered herein. This paragraph shall not be construed to apply to work below ground level in open cut. It shall apply to cut and cover work of subway construction after the temporary cover has been placed.

GROUP 1-e: Work on and/or in bell hole footings and shafts thereof, and work on and in deep footings. (A deep footing is a hole 15 feet or more in depth.) In the event the depth of the footing is unknown at the commencement of excavation, and the final depth exceeds 15 feet, the deep footing wage rate would apply to all employees for each and every day worked on or in the excavation of the footing from the date of inception.

GROUP 1-f: Wire winding machine in connection with guniting or shot crete

GROUP 2: Asphalt shoveler; Cement dumper and handling dry cement or gypsum; Choke-setter and rigger (clearing work); Concrete bucket dumper and chute; Concrete chipping and grinding; Concrete laborer (wet or dry); Driller tender, chuck tender, nipper; Guinea chaser (stake), grout crew; High pressure nozzle, adductor; Hydraulic monitor (over 100 lbs. pressure); Loading and unloading, carrying and hauling of all rods and materials for use in reinforcing concrete construction; Pittsburgh chipper and similar type brush shredders; Sloper; Single foot, hand-held, pneumatic tamper; All pneumatic, air, gas and electric tools not listed in Groups 1 through 1-f; Jacking of pipe - under 12 inches

GROUP 3: Construction laborers, including bridge and general laborer; Dump, load spotter; Flag person; Fire watcher; Fence erector; Guardrail erector; Gardener, horticultural

and landscape laborer; Jetting; Limber, brush loader and piler; Pavement marker (button setter); Maintenance, repair track and road beds; Streetcar and railroad construction track laborer; Temporary air and water lines, Victaulic or similar; Tool room attendant (jobsite only)

GROUP 4: Final clean-up work of debris, grounds and building including but not limited to: street cleaner; cleaning and washing windows; brick cleaner (jobsite only); material cleaner (jobsite only). The classification "material cleaner" is to be utilized under the following conditions:

- A: at demolition site for the salvage of the material.
- B: at the conclusion of a job where the material is to be salvaged and stocked to be reused on another job.
- C: for the cleaning of salvage material at the jobsite or temporary jobsite yard.

The material cleaner classification should not be used in the performance of "form stripping, cleaning and oiling and moving to the next point of erection".

FOOTNOTES:

Laborers working off or with or from bos'n chairs, swinging scaffolds, belts shall receive \$0.25 per hour above the applicable wage rate. This shall not apply to workers entitled to receive the wage rate set forth in Group 1-a below.

LABORER CLASSIFICATIONS

CONSTRUCTION SPECIALIST GROUP: Asphalt ironer and raker; Chainsaw; Laser beam in connection with laborers' work; Cast-in- place manhole form setter; Pressure pipelayer; Davis trencher - 300 or similar type (and all small trenchers); Blaster; Diamond driller; Multiple unit drill; Hydraulic drill

GROUP 1: Asphalt spreader boxes (all types); Barko, Wacker and similar type tampers; Buggymobile; Caulker, bander, pipewrapper, conduit layer, plastic pipelayer; Certified hazardous waste worker including Leade Abatement; Compactors of all types; Concrete and magnesite mixer, 1/2 yd. and under; Concrete pan work; Concrete sander; Concrete saw; Cribber and/or shoring; Cut granite curb setter; Dri-pak-it machine; Faller, logloader and bucket; Form raiser, slip forms; Green cutter; Headerboard, Hubsetter, aligner, by any method; High pressure blow pipe (1-1/2" or over, 100 lbs. pressure/over); Hydro seeder and similar type; Jackhammer operator; Jacking of pipe over 12 inches; Jackson and similar type compactor; Kettle tender, pot and worker applying asphalt, lay-kold, creosote, lime, caustic

and similar type materials (applying means applying, dipping or handling of such materials); Lagging, sheeting, whaling, bracing, trenchjacking, lagging hammer; Magnesite, epoxyresin, fiberglass, mastic worker (wet or dry); No joint pipe and stripping of same, including repair of voids; Pavement breaker and spader, including tool grinder; Perma curb; Pipelayer (including grade checking in connection with pipelaying); Precast-manhole setter; Pressure pipe tester; Post hole digger, air, gas and electric; Power broom sweeper; Power tampers of all types (except as shown in Group 2); Ram set gun and stud gun; Riprap stonepaver and rock-slinger, including placing of sacked concrete and/or sand (wet or dry) and gabions and similar type; Rotary scarifier or multiple head concrete chipping scarifier; Roto and Ditch Witch; Rototiller; Sandblaster, pot, gun, nozzle operators; Signalling and rigging; Tank cleaner; Tree climber; Turbo blaster; Vibrascreed, bull float in connection with laborers' work; Vibrator; Hazardous waste worker (lead removal); Asbestos and mold removal worker

GROUP 1-a: Joy drill model TWM-2A; Gardner-Denver model DH143 and similar type drills; Track driller; Jack leg driller; Wagon driller; Mechanical drillers, all types regardless of type or method of power; Mechanical pipe layers, all types regardless of type or method of power; Blaster and powder; All work of loading, placing and blasting of all powder and explosives of whatever type regardless of method used for such loading and placing; High scalers (including drilling of same); Tree topper; Bit grinder

GROUP 1-b: Sewer cleaners shall receive \$4.00 per day above Group 1 wage rates. "Sewer cleaner" means any worker who handles or comes in contact with raw sewage in small diameter sewers. Those who work inside recently active, large diameter sewers, and all recently active sewer manholes shall receive \$5.00 per day above Group 1 wage rates.

GROUP 1-c: Burning and welding in connection with laborers' work; Synthetic thermoplastics and similar type welding

GROUP 1-d: Maintenance and repair track and road beds. All employees performing work covered herein shall receive \$.25 per hour above their regular rate for all work performed on underground structures not specifically covered herein. This paragraph shall not be construed to apply to work below ground level in open cut. It shall apply to cut and cover work of subway construction after the temporary cover has been placed.

GROUP 1-e: Work on and/or in bell hole footings and shafts

thereof, and work on and in deep footings. (A deep footing is a hole 15 feet or more in depth.) In the event the depth of the footing is unknown at the commencement of excavation, and the final depth exceeds 15 feet, the deep footing wage rate would apply to all employees for each and every day worked on or in the excavation of the footing from the date of inception.

GROUP 1-f: Wire winding machine in connection with guniting or shot crete

GROUP 2: Asphalt shoveler; Cement dumper and handling dry cement or gypsum; Choke-setter and rigger (clearing work); Concrete bucket dumper and chute; Concrete chipping and grinding; Concrete laborer (wet or dry); Driller tender, chuck tender, nipper; Guinea chaser (stake), grout crew; High pressure nozzle, adductor; Hydraulic monitor (over 100 lbs. pressure); Loading and unloading, carrying and hauling of all rods and materials for use in reinforcing concrete construction; Pittsburgh chipper and similar type brush shredders; Sloper; Single foot, hand-held, pneumatic tamper; All pneumatic, air, gas and electric tools not listed in Groups 1 through 1-f; Jacking of pipe - under 12 inches

GROUP 3: Construction laborers, including bridge and general laborer; Dump, load spotter; Flag person; Fire watcher; Fence erector; Guardrail erector; Gardener, horticultural and landscape laborer; Jetting; Limber, brush loader and piler; Pavement marker (button setter); Maintenance, repair track and road beds; Streetcar and railroad construction track laborer; Temporary air and water lines, Victaulic or similar; Tool room attendant (jobsite only)

GROUP 4: Final clean-up work of debris, grounds and building including but not limited to: street cleaner; cleaning and washing windows; brick cleaner (jobsite only); material cleaner (jobsite only). The classification "material cleaner" is to be utilized under the following conditions:

- A: at demolition site for the salvage of the material.
- B: at the conclusion of a job where the material is to be salvaged and stocked to be reused on another job.
- C: for the cleaning of salvage material at the jobsite or temporary jobsite yard.

The material cleaner classification should not be used in the performance of "form stripping, cleaning and oiling and moving to the next point of erection".

FOOTNOTES:

Laborers working off or with or from bos'n chairs, swinging scaffolds, belts shall receive \$0.25 per hour above the applicable wage rate. This shall not apply to workers entitled to receive the wage rate set forth in Group 1-a below.

LABORER CLASSIFICATIONS

CONSTRUCTION SPECIALIST GROUP: Asphalt ironer and raker;
Chainsaw; Laser beam in connection with laborers' work;
Cast-in- place manhole form setter; Pressure pipelayer;
Davis trencher - 300 or similar type (and all small

trenchers); Blaster; Diamond driller; Multiple unit drill;
Hydraulic drill

GROUP 1: Asphalt spreader boxes (all types); Barko, Wacker and similar type tampers; Buggymobile; Caulker, bander, pipewrapper, conduit layer, plastic pipelayer; Certified hazardous waste worker including Leade Abatement; Compactors of all types; Concrete and magnesite mixer, 1/2 yd. and under; Concrete pan work; Concrete sander; Concrete saw; Cribber and/or shoring; Cut granite curb setter; Dri-pak-it machine; Faller, logloader and buckler; Form raiser, slip forms; Green cutter; Headerboard, Hubsetter, aligner, by any method; High pressure blow pipe (1-1/2" or over, 100 lbs. pressure/over); Hydro seeder and similar type; Jackhammer operator; Jacking of pipe over 12 inches; Jackson and similar type compactor; Kettle tender, pot and worker applying asphalt, lay-kold, creosote, lime, caustic and similar type materials (applying means applying, dipping or handling of such materials); Lagging, sheeting, whaling, bracing, trenchjacking, lagging hammer; Magnesite, epoxyresin, fiberglass, mastic worker (wet or dry); No joint pipe and stripping of same, including repair of voids; Pavement breaker and spader, including tool grinder; Perma curb; Pipelayer (including grade checking in connection with pipelaying); Precast-manhole setter; Pressure pipe tester; Post hole digger, air, gas and electric; Power broom sweeper; Power tampers of all types (except as shown in Group 2); Ram set gun and stud gun; Riprap stonepaver and rock-slinger, including placing of sacked concrete and/or sand (wet or dry) and gabions and similar type; Rotary scarifier or multiple head concrete chipping scarifier; Roto and Ditch Witch; Rototiller; Sandblaster, pot, gun, nozzle operators; Signalling and rigging; Tank cleaner; Tree climber; Turbo blaster; Vibrascreed, bull float in connection with laborers' work; Vibrator; Hazardous waste worker (lead removal); Asbestos and mold removal worker

GROUP 1-a: Joy drill model TWM-2A; Gardner-Denver model DH143 and similar type drills; Track driller; Jack leg driller; Wagon driller; Mechanical drillers, all types regardless of type or method of power; Mechanical pipe layers, all types regardless of type or method of power; Blaster and powder; All work of loading, placing and blasting of all powder and explosives of whatever type regardless of method used for such loading and placing; High scalers (including drilling of same); Tree toppler; Bit grinder

GROUP 1-b: Sewer cleaners shall receive \$4.00 per day above Group 1 wage rates. "Sewer cleaner" means any worker who handles or comes in contact with raw sewage in small diameter sewers. Those who work inside recently active,

large diameter sewers, and all recently active sewer manholes shall receive \$5.00 per day above Group 1 wage rates.

GROUP 1-c: Burning and welding in connection with laborers' work; Synthetic thermoplastics and similar type welding

GROUP 1-d: Maintenance and repair track and road beds. All employees performing work covered herein shall receive \$.25 per hour above their regular rate for all work performed on underground structures not specifically covered herein. This paragraph shall not be construed to apply to work below ground level in open cut. It shall apply to cut and cover work of subway construction after the temporary cover has been placed.

GROUP 1-e: Work on and/or in bell hole footings and shafts thereof, and work on and in deep footings. (A deep footing is a hole 15 feet or more in depth.) In the event the depth of the footing is unknown at the commencement of excavation, and the final depth exceeds 15 feet, the deep footing wage rate would apply to all employees for each and every day worked on or in the excavation of the footing from the date of inception.

GROUP 1-f: Wire winding machine in connection with guniting or shot crete

GROUP 2: Asphalt shoveler; Cement dumper and handling dry cement or gypsum; Choke-setter and rigger (clearing work); Concrete bucket dumper and chute; Concrete chipping and grinding; Concrete laborer (wet or dry); Driller tender, chuck tender, nipper; Guinea chaser (stake), grout crew; High pressure nozzle, adductor; Hydraulic monitor (over 100 lbs. pressure); Loading and unloading, carrying and hauling of all rods and materials for use in reinforcing concrete construction; Pittsburgh chipper and similar type brush shredders; Sloper; Single foot, hand-held, pneumatic tamper; All pneumatic, air, gas and electric tools not listed in Groups 1 through 1-f; Jacking of pipe - under 12 inches

GROUP 3: Construction laborers, including bridge and general laborer; Dump, load spotter; Flag person; Fire watcher; Fence erector; Guardrail erector; Gardener, horticultural and landscape laborer; Jetting; Limber, brush loader and piler; Pavement marker (button setter); Maintenance, repair track and road beds; Streetcar and railroad construction track laborer; Temporary air and water lines, Victaulic or similar; Tool room attendant (jobsite only)

GROUP 4: Final clean-up work of debris, grounds and building

including but not limited to: street cleaner; cleaning and washing windows; brick cleaner (jobsite only); material cleaner (jobsite only). The classification "material cleaner" is to be utilized under the following conditions:

- A: at demolition site for the salvage of the material.
- B: at the conclusion of a job where the material is to be salvaged and stocked to be reused on another job.
- C: for the cleaning of salvage material at the jobsite or temporary jobsite yard.

The material cleaner classification should not be used in the performance of "form stripping, cleaning and oiling and moving to the next point of erection".

GUNITE LABORER CLASSIFICATIONS

GROUP 1: Structural Nozzleman

GROUP 2: Nozzleman, Gunman, Potman, Groundman

GROUP 3: Reboundman

GROUP 4: Guniting laborer

WRECKING WORK LABORER CLASSIFICATIONS

Buggymobile; Ross, Hyster and similar straddle carriers;
Small rubber-tired tractor

GROUP 3: Dump trucks, 8 yds. and including 24 yds.; Transit mixers, over 10 yds.; Water trucks, 7,000 gals. and over; Jetting trucks, 7,000 gals. and over; Vacuum trucks under 7500 gals. Trucks towing tilt bed or flat bed pull trailers; Lowbed heavy duty transport; Heavy duty transport tiller person; Self- propelled street sweeper with self-contained refuse bin; Boom truck - hydro-lift or Swedish type extension or retracting crane; P.B. or similar type self-loading truck; Tire repairperson; Combination bootperson and road oiler; Dry distribution truck (A bootperson when employed on such equipment, shall receive the rate specified for the classification of road oil trucks or bootperson); Ammonia nitrate distributor, driver and mixer; Snow Go and/or plow

GROUP 4: Dump trucks, over 25 yds. and under 65 yds.; Water pulls - DW 10's, 20's, 21's and other similar equipment when pulling Aqua/pak or water tank trailers; Helicopter pilots (when transporting men and materials); Lowbed Heavy Duty Transport up to including 7 axles; DW10's, 20's, 21's and other similar Cat type, Terra Cobra, LeTourneau Pulls, Tournorocker, Euclid and similar type equipment when pulling fuel and/or grease tank trailers or other miscellaneous trailers; Vacuum Trucks 7500 gals and over and truck repairman

GROUP 5: Dump trucks, 65 yds. and over; Holland hauler; Low bed Heavy Duty Transport over 7 axles

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

=====
Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is

like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates

the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal

process described here, initial contact should be with the
Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an
interested party (those affected by the action) can request
review and reconsideration from the Wage and Hour Administrator
(See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the
interested party's position and by any information (wage
payment data, project description, area practice material,
etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an
interested party may appeal directly to the Administrative
Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
