**ADDENDUM No. 1**

**Bid No.: 21-22/25 – Airport Mapping Kiosk Hardware**

**This Addendum modifies the original Bid Documents for the above referenced Bid. Acknowledge receipt of this addendum in the space provided on the Bid Form (Attachment 2). Failure to do so may disqualify your bid.**

**The following questions were submitted prior to the deadline and are answered in this addendum:**

1. **Question:** Is there an alternative part number for the Chromebox “90MS0281-M00320” that can be provided?

*Answer: No, but the model we are looking for can be found here: <https://shop.asus.com/us/90ms0281-m00320-asus-fanless-chromebox.html>*

2. **Question:** Does there need to be an ethernet cable out the back of the enclosure, or will it be Wi-Fi?

*Answer: There will need to be a path for an Ethernet cable. The Port is not looking to utilize Wi-Fi.*

3. **Question:** Does documentation need to be submitted prior to submitting the RFP to verify you will be participating in the bidding process?

*Answer: No.*

4. **Question:** Can an alternative enclosure option be provided or is the Port only accepting bids with pricing for the BSC enclosures / products?

*Answer: No, bidders are required to provide a bid based on the listed part number for the BSC enclosures. No alternative will be accepted.*

**There are no other questions to Bid No. 21-22/25**
