NOTICE OF DECISION

Approval of Development Permit for 8400 Pardee Drive, Oakland, CA

PLEASE TAKE NOTICE: The Port of Oakland (Port) Port Permit Coordinator has reviewed and evaluated all of the evidence in the record and, based on substantial evidence in the record, the Port Permit Coordinator has exercised his independent judgment to **approve the development permit for Property** (#5377) located at 8400 Pardee Drive, Oakland, CA on August 7, 2023. This Notice of Decision, providing public notice of the Permit Coordinator's decision, has been posted on the Port's web site: <http://www.portofoakland.com/business/bids-rfps/bid-engineering/permits/>.

Project Description

The Port is the local land use authority for the Port Area, including the Oakland Airport Business Park and the project site. The project site is located along Pardee Drive, NW of Hegenberger Road. The work will occur on the property owned by the Port of Oakland, leased to UPS.

The applicant proposes to remove the existing underground fuel tanks and dispensing equipment and install a new above-ground tank with new dispensing equipment. Further details are posted with this notice.

Environmental Review

The Port is the Lead Agency under CEQA, having land use jurisdiction over the Oakland Airport Business Park. The project boundaries are located in a developed area, and improvement will be made to an existing facility. The Port finds that this project is categorically exempt pursuant to CEQA Guidelines Section 15302, which exempts replacement structures where no expansion is proposed (see approval document for further information).
