## **NOTICE OF DECISION**

### **Approval of Development Permit for 8520 Pardee Drive, Oakland, CA**

**PLEASE TAKE NOTICE:** The Port of Oakland (Port) Permit Coordinator has reviewed and evaluated all of the evidence in the record and, based on substantial evidence in the record, the Permit Coordinator has exercised his independent judgment to **approve the development permit for Private Property** located adjacent to 8520 Pardee Drive, Oakland, CA on August 24, 2017. This Notice of Decision, providing public notice of the Permit Coordinator's decision, has been posted on the Port's web site: <http://www.portofoakland.com/business/bids-rfps/bid-engineering/permits/>.

#### **Project Description**

The Port is the local land use authority for the Oakland Airport Business Park, a 400-acre business park located in proximity to Oakland International Airport. The project site is located in the southwestern portion of the City of Oakland (City), in the vicinity of the Oakland International Airport and Interstate 880 (I-880). The address of the proposed project is located at 8250 Pardee Drive, Oakland, CA.

The Permit Applicant proposes to demolish the existing building, previously occupied by a restaurant. The building is no longer viable as a restaurant, and is in very poor condition. The structure has become unsafe and poses a hazard to the community. Any replacement structure(s) will be subject to a separate development permit process and approval from the Port.

#### **Environmental Review**

The Port is the Lead Agency under CEQA, having land use jurisdiction over the Oakland Airport Business Park. The project boundaries are located in a developed area, and improvements will be made to an existing facility that was formerly used as a restaurant. The Port finds that this project is Statutorily Exempt pursuant to CEQA Guidelines under Section 15269(c), Emergency Projects, which applies to specific actions necessary to prevent or mitigate an emergency. The Port finds that in the current condition, this building poses a potential hazard for fire, electrocution, and contact with hazardous materials.

#### **Appeal of Permit Coordinator's Decision**

Any person excepting to the Permit Coordinator's decision may appeal to the Permit Hearing Officer by filing with the Secretary of the Board a written notice of such appeal setting forth the specific grounds thereof, and by paying to Daria Edgerly, Acting Secretary of the Board (530 Water Street, Oakland, CA 94607 or [dedgerly@portoakland.com](mailto:dedgerly@portoakland.com)), the \$750 administrative

appeal fee. A Notice of Appeal must be filed within fourteen (14) days after issuance of the Notice of Decision. Absent an administrative appeal, the Permit Coordinator's decision becomes final fifteen (15) days after issuance of this Notice of Decision. Any failure to file an administrative appeal will be a complete bar to judicial review.
