Join us for our annual 2016 CA Coastal Cleanup Day at East Creek Slough on Saturday, September 17, 2016 from 9:00 am to 12:00 pm. Volunteers will help clean up trash and debris to beautify our local waterways.

Where do we meet?
Meet at the Port of Oakland sign-in tables at Oakport Field located at 5737 Oakport Street in Oakland, CA. Please arrive no later than 9:00 am.

Do I need to wear or bring anything special?
Please wear closed-toe shoes, layered clothing and sun protection. Please bring gloves (gardening or leather work gloves) and a pail, if you have one, to pick-up trash and a refillable water bottle. We will provide trash bags, rubber gloves and water if needed.

Are children allowed to participate?
Volunteers of all ages are welcome to participate. Everyone will be required to sign a waiver form prior to the cleanup. If the volunteer is under the age of 18, their parent/legal guardian must also sign the form.

Will there be refreshments?
Yes! As an appreciation of the Port of Oakland volunteers and a celebration of the environment, the Port will provide light snacks and lunch.

Please RSVP to Derek Lee at dlee@portoakland.com or 510-627-1185, or visit PORTOFOAKLAND.COM for more info.

Help us collect trash data with the Clean Swell app!
