

## PORT OF OAKLAND

### **Revised Draft Seaport Air Quality 2020 and Beyond Plan Revised Notice of Public Review and Comment (Date of Notice Revision: Wednesday, January 16, 2019)**

The Port of Oakland is inviting public comments on the *Revised Draft Seaport Air Quality 2020 and Beyond Plan* (“*Revised Draft Plan*”) prepared to address emissions arising from equipment and operations at the Seaport, with a pathway towards zero emissions. This updated air quality plan builds upon the Port’s existing *Maritime Air Quality Improvement Plan* (“*MAQIP*”) that was adopted by the Board of Port Commissioners (“*Board*”) in 2009, and includes programs and projects that extend beyond the MAQIP’s Year 2020 planning horizon. This *Revised Draft Plan* incorporates revisions to address public comments received on the June 29, 2018 *Draft Seaport Air Quality 2020 and Beyond Plan* (“*Draft Plan*”) where appropriate. Under separate cover the Port is publishing the *Response to Comments on the June 29, 2018 Draft Seaport Air Quality 2020 and Beyond Plan (Response to Comments)*. The *Response to Comments* provides responses to all comments received, and copies of all comments provided. Your continued review and comments are important to help us complete the *Final Seaport Air Quality 2020 and Beyond Plan* (“*Final Plan*”), which is scheduled to be presented to the Board in Spring 2019.

The comment period for the *Revised Draft Plan* is from Friday, December 14, 2018 to **Thursday, January 24, 2019 at 5 p.m.** Comments are preferred in writing, and may be sent by email or by US Postal Service to:

Ms. Khamly Chuop, Port Associate Environmental Planner/Scientist  
Port of Oakland  
530 Water Street  
Oakland, CA 94607  
[kchuop@portoakland.com](mailto:kchuop@portoakland.com)

In addition, comments may be provided over the phone, by calling Ms. Chuop at (510) 627-1758, or via the Port’s website at <https://www.portofoakland.com/>.

The *Revised Draft Plan* is available electronically on the Port’s website at <https://www.portofoakland.com/community/environmental-stewardship/maritime-air-quality-improvement-plan/>.

Printed copies of the *Revised Draft Plan* are available at the following locations.
