PLANNING AREA

What do we want the Plan to accomplish?

Quality of Life

- We want trucks to be less disruptive to the residents and businesses in West Oakland

Communication

- We want truck drivers to know where they can and cannot drive; and what the parking controls are

Safety

- We want it to be safer near the truck routes

Potential Solutions under Review

- Signs and Communication
 - ❖ More signs and improved signs
 - ❖ Better communication with truck drivers and with the community
- Parking
 - ❖ More restrictions on where trucks and trailers can park in West Oakland
 - ❖ Better promotion of available parking and trucker services at the Port and former Oakland Army Base
- Enforcement
 - ❖ Improve training and enforcement of no-parking areas
 - ❖ Target enforcement in problem locations and at problem times
- Truck Movement and Safety
 - ❖ Facilitate consistent use of Truck Routes
 - ❖ Improve pedestrian and bike safety at key intersections near freeways that are heavily used by trucks
