■ UNION RECOGNITION AND EMPLOYMENT

□ Section 10. The Parties recognize the Owner's commitment to provide opportunities to participate on the Project to emerging business enterprises as well as other enterprises that may not have previously had a relationship with the Unions signatory to this Agreement. To ensure that such enterprises will have an opportunity to employ their "core" employees on this Project, the parties agree that in those situations where a Contractor not a party to a current collective bargaining agreement with the signatory Union having jurisdiction over the affected work is a successful bidder, the Contractor may request by name, and the local will honor, referral of persons who have applied to the local union for Project work and who demonstrate the following qualifications:

- (1) possess any license required by state or federal law for the Project work to be performed;
- (2) have worked a total of at least one thousand (1,000) hours in the construction craft during the prior three (3) years;
- (3) were on the Contractor's active payroll for at least sixty (60) out of the one-hundred eighty (180) calendar days prior to the contract award; and
- (4) have the ability to perform safely the basic functions of the applicable trade.

The Union will refer to such Contractor one journeyman employee from the hiring hall out-of-work list for the affected trade or craft, and will then refer one of such Contractor's "core" employees as a journeyman and shall repeat the process, one and one, until such Contractor's crew requirements are met or until such Contractor has hired ten (10) "core" employees, whichever occurs first. Thereafter, all additional employees in the affected trade or craft shall be hired exclusively from the hiring hall out-of-work list(s). For the duration of the Contractor's work the ratio shall be maintained and when the Contractor's workforce is reduced, employees shall be reduced in the same ratio of core employees to hiring hall referrals as was applied in the initial hiring.
