

Purchasing Department  
530 Water Street  
Oakland, CA 94607

**December 6, 2017**

**Bid No.: 17-18/20, Medium Voltage Switchgear (SS-C-48)**

The following video and photos were shared during the pre-bid meeting on December 6, 2017 to give potential bidders a view of the existing equipment only. Please note the Port will be removing this switchgear and is not replacing in kind. Please refer to the bid Plans and Specifications for the new switchgear requirements.
