Fiber Path Map and Pull Box Pictures

Request for Quote: 18-19/03 INF – OAK Fiber Optic Cable Installation

The following pictures are two of the pull boxes along the path that was visited during the mandatory pre-quote site tour along with the picture of the pull box in the basement that was not covered due to hard hat requirement and a drawing showing the approximate path.

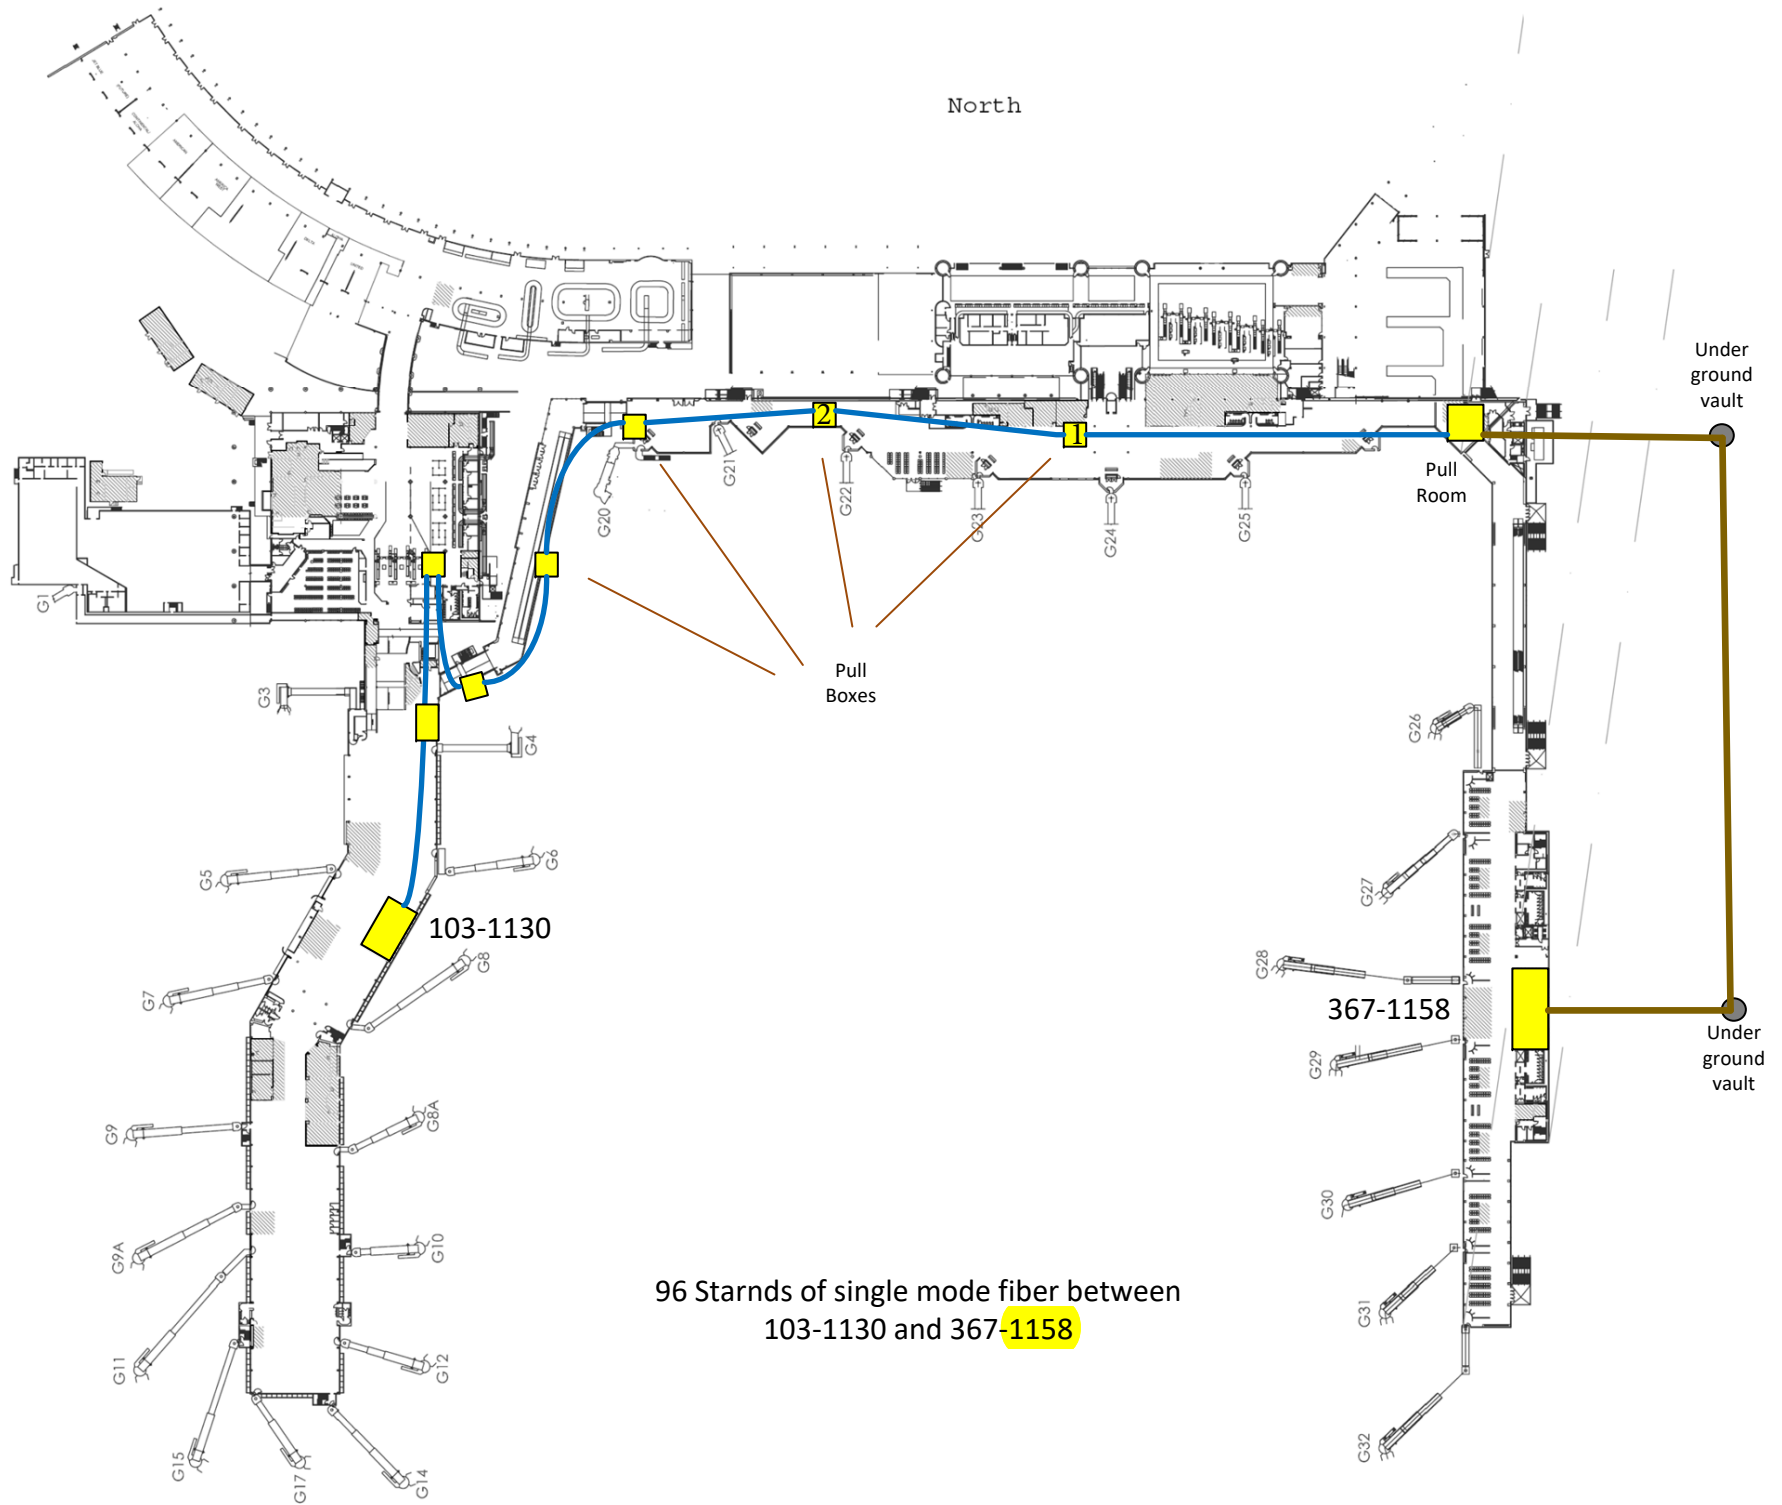

Picture 1: Inside of the first pull box after the pull room. (Marked "1" on the attached drawing)

Picture 2: Inside of the second pull box after the pull room. (Marked "2" on the attached drawing)

Picture 3: Unvisited Pull box in the Basement of M102 building.
