Receipt of this invitation does not waive the requirement that each Contractor meet the qualifications as stated in this Request for Proposal (RFP).

The Port is looking for a qualified Building Engineering and Maintenance Services company to staff full-time building and facility maintenance services for select Port properties. The Contractor will act as the Port's first responder for any facility problems, diagnose and repair problems, or if incapable, work with Port staff to select a qualified company to make the repair and oversee the work of the selected company.

Covered employers are responsible for complying with the provisions of §728 from the date the covered contract is entered into. The terms "Company", "Consultant", "Contractor", "Proposer", "Respondent", "Seller", "Supplier", and "Vendor" whenever appearing in this RFP or any attachments, are used interchangeably to refer to the company or firm submitting a proposal in response to this RFP.

### **A. Port's Legal Name and Jurisdiction**

The Port of Oakland (the "Port") is legally known as the City of Oakland, a Municipal Corporation, Acting by and through its Board of Port Commissioners. The Port is an independent department of the City of Oakland. The Port has exclusive control and management of all Port facilities and properties. Port facilities and properties consist of marine terminals, a railway intermodal terminal and container storage areas (collectively, the "Seaport"); the Oakland International Airport (the "Airport"); and commercial and industrial land and properties (collectively, "Commercial Real Estate"); and other recreational land, other land, undeveloped land, and water areas, all located in Oakland, CA. The Port issues Purchase Orders under the name Port of Oakland.

### **B. Ownership of Proposal**

All rights to information developed, disclosed, or provided in a Proposal and its attendant submissions are the property of Port, unless a Respondent makes specific reference to data that is considered proprietary. To the extent that a Respondent does not make specific reference to data that is considered "confidential" and proprietary, submission of an RFP constitutes the Respondent's express (a) grant and assignment of a perpetual, transferable (in whole or in part), non-exclusive royalty-free license to the Port for copyright, patent, or other intellectual property right (collectively referred to as "intellectual property"), and (b) agreement that the Port may use any such intellectual property without charge for any lawful purpose in connection with other Port development projects, including without limitation the creation of derivative works and issuance of sublicenses.

### **C. Deadline for Receipt of Proposal**

Proposals must be sealed and delivered to the Submittal Address listed in the Request for Proposal (RFP) no later than the time specified in the RFP. The Port will place a clock ("Clock") in a conspicuous location at the place designated for submittal of Proposals. For purposes of determining the time that a Proposal is submitted, the Clock shall be controlling (unless at the time of the receipt the Clock malfunctions, then the Port's clock on its network phone system shall be controlling). The Port suggests that Proposals be hand delivered to the Submittal Address in order to ensure their timely receipt. Any Proposals mailed via an express mail service, US Postal Service, or other courier service shall not be considered timely received until date and time stamped by the controlling Clock. Any Proposals received after the time stated (regardless of the cause of the delay, including whether caused by the express mail service, US Postal Services, other courier service, or the Port's mail handling personnel) shall not be opened and shall be returned, sealed, to the Proposer.

### **D. Public Records Act**

Under the Public Records Act (Gov. Code § 6250 et seq.), the Port may be obligated to make available to the public the submitted proposal and all correspondence and written questions submitted during the Request for Proposal process. However, such disclosure shall not be made prior to the date on which the Port publishes a final Board agenda report recommending award of the contract. Any trade secrets or proprietary financial information, which a Respondent believes should be exempted from disclosure, shall be specifically identified and marked as "CONFIDENTIAL". Blanket-type identification by designating whole pages or sections shall not be permitted and shall be invalid. The specific information must be clearly identified as such.

The Port reserves the right to independently determine whether any document is subject to disclosure and to make such information available to the extent required by applicable law, without any restriction or notice to Respondent.

**E. Indemnification**

If Respondent is selected to receive a contract, it will be required to agree to the indemnification clause contained in the Port's Standard Professional Services Agreement. **See Section 5** of the Port's Standard Professional Services Agreement (**Attachment 12**).

**F. Reimbursable Expenses**

All expenses incidental to performing Consultant's Basic Services including, but not limited to, overtime, reproduction of documents and other materials associated with Respondent's deliverables and presentation materials; reproduction of construction contractor's submittals; reproduction of Design Completion Consultants' submittals; transportation and subsistence; telephone, computer, facsimile, or other similar costs; and the like, shall be included within the Contract Price.

**G. Port's Right to Modify**

Respondents are advised that the Port has not incurred any obligations or duties in soliciting this Request for Proposals. The Port, at its sole discretion, reserves the right to reject any or all proposals submitted in response to this RFP; to request additional information or clarification of information submitted; to cancel or modify, in part or in its entirety, this RFP; to request new RFPs or pursue any other means for obtaining the desired services; to waive any informalities or minor irregularities in the RFP, and other inconsequential deviations from the RFP's requirements. The Board of Port Commissioners retains the right to award this project in part or in total to the Respondent(s) of its choice, and to decide to undertake the project or to terminate the project at any time prior to approval of a formal contract.

**H. Conflicts of Interest**

By submitting a proposal, the Respondent represents that it is familiar with Section 1090 and Section 87100 et seq. of the California Government Code, and that it does not know of any facts that constitute a violation of said sections in connection with its proposal. Respondent also represents that its proposal has completely disclosed to the Port all facts bearing upon any possible interests, direct or indirect, which Respondent believes any member of the Port, or other officer, agent or employee of the Port or any department presently has, or will have, in any agreement arising from this RFP, or in the performance thereof, or in any portion of the profits there under. Willful failure to make such disclosure, if any, shall constitute ground for rejection of the proposals or termination of any agreement by the Port for cause. Respondent agrees that if it enters into a contract with the Port, it will comply with all applicable conflict of interest codes adopted by the City of Oakland and Port of Oakland and their reporting requirements.

**I. Cost of Preparing a Response**

All costs for developing a response to this RFP and attending any proposal meetings or selection meetings are entirely the responsibility of the Respondent and shall not be chargeable to the Port.

**J. Law Compliance**

The Respondent must comply with all laws, ordinances, regulations and codes of the Federal, State, and Local Governments, which may in any way affect the preparation of proposals or the performance of the contract.

**K. Respondent's Relationship**

The Respondent's (and Respondent's employees' and contractors') relationship to the Port shall be that of independent contractor and not deemed to be an employee or agent of the Port.

- L. Proposal Considerations and Legal Proceeding Waiver**  
The Port has absolute discretion with regard to acceptance and rejection of proposals. In order to be considered the party submitting a proposal waives the right to bring legal proceedings challenging the Board of Port Commissioners choice of the award.
- M. False Statements**  
False statements in a proposal will disqualify the proposal.
- N. Taxes**  
The Respondent will be responsible for all Federal, State, and Local taxes.
- O. Grade of Service**  
The Respondent must provide professional service and maintain appropriate personnel to provide expedient and courteous service.
- P. The Respondent's Liability**  
The Respondent shall be responsible for any and all damages to the Port's premises resulting from the negligent acts or willful misconduct of the Respondent's agents or employees.
- Q. Amendments**  
The Port may, at its sole discretion, issue amendments to this RFP at any time before the time set for receipt of proposals. The Respondents are required to acknowledge receipt of any amendments (addenda) issued to this RFP by acknowledging the Addendum in the space provided on the RFP Acknowledgement and Signature Form. The Port shall not be bound by any representations, whether oral or written, made at a pre-proposal, pre-contract, or site meeting, unless such representations are incorporated in writing as an amendment to the RFP or as part of the final contract. All questions or requests for clarification concerning material terms of the contract should be submitted in writing for consideration as an amendment.
- R. Withdrawal or Modification of Offers**  
The Respondent may modify or withdraw an offer in writing at any time before the deadline for submission of an offer.
- S. Acceptance**  
Any offer received shall be considered an offer which may be accepted or rejected, in whole or in part, by the Port based on initial submission with or without discussions or negotiations.
- T. Representations**  
No representations or guarantees of any kind, either made orally, or expressed or implied, are made with regard to the matters contained in this document, including any attachments, letters of transmittal, or any other related documents. The Respondent must rely solely on its own independent assessment as the basis for the submission of any offer made.
- U. Award Consideration and Length of Contract**  
The Port shall not be bound to accept the lowest-quote fee and will award the contract (if any) to the company/firm selected through the competitive process (and subsequent interviews) outlined in this RFP.  
  
The Port will award a three-year contract (if any) and will have the option to issue two (2) one-year extensions not to exceed a total period of 5 years, subject to the cost ceilings described in the Proposal.
- V. Contract Termination**  
The Port may terminate the agreement (and or contract) with the Respondent on thirty days' notice for the failure of the Respondent to comply with any term(s) of the agreement/contract between the Port and the Respondent.

**W. Protest Procedures**

Any party that has timely submitted a responsive proposal that contends or claims that the Port's proposed award of the subject contract fails to comply with the Port's rules and regulations or with law must file a protest in accordance with the provisions set forth below:

1. Any protest must be submitted in writing to Daria Edgerly, Secretary of the Board, and received by the Port no later than 5:00 p.m. by the third (3rd) business day following publication of the identity of the apparent successful proposer (or of Notice of Intent to Award, if such notice is issued).

**Non-Discrimination:** Port of Oakland (Port) policy prohibits discrimination or preferential treatment because of race, color, religion, sex, national origin, ancestry, age (over 40), physical or mental disability, cancer-related medical condition, a known genetic pre-disposition to a disease or disorder, veteran status, marital status, or sexual orientation.

**Local Business Utilization:** On October 7, 1997, the Board of Port Commissioners initiated a formal policy to encourage full participation of firms from its Local Business Area ("LBA"), the counties of Alameda and Contra Costa, particularly those in its Local Impact Area ("LIA"), in its work. The LIA includes the cities of Oakland, Alameda, Emeryville and San Leandro. The LBA includes all cities within the counties of Alameda and Contra Costa. The Port will also take into consideration efforts the prime and sub-consultants make to assist in the community, e.g., assigning meaningful work to small and/or very small local sub-consultants, mentor protégé relationships, participation in job/trade fairs, hiring interns, pro bono work, and working with local schools, etc.

**Consultant Preference Points:** The Port allots preference points for the percentage of work being performed by consultants/sub-consultants located in either the LBA or the LIA and for community involvement (i.e. mentoring, intern programs, job fairs, community rehabilitation groups and re-entry programs) for a maximum total of up to 15 points. These points are added to a maximum of 85 technical points for a composite maximum of 100 points in evaluating consultant proposals as follows:

- Up to 5 points will be credited proportionately (counting the whole team, prime consultant and sub-consultant(s)) for LIA certified firms, and 2.5 for LBA certified firms.

Note: LIA/LBA credit is given only for certified firms which have had established active offices in the respective area for at least a year at the time of proposal due date, and NOT for outside firms which plan to do the project work at a LIA/LBA office;

- An additional 3 points will be credited for an LIA certified prime consultant (proportionate to the share of prime consultant work in the case of a joint venture) and 1.5 points for an LBA certified prime consultant;
- Up to 4 points will be credited proportionately (counting the whole team, prime consultant and sub-consultant(s)) for Very Small Business Enterprise (VSBE) certified firms, and 2 points for Small Business Enterprise (SBE certified firms); and
- Up to 3 points for commitment to the Port's values and programs, e.g., mentoring small and/or very small local businesses and providing meaningful work for small and/or very small local sub-consultants; utilization of college and high school interns from the LIA; participation in job fairs and trade fairs targeted to LIA residents and businesses; and other work showing the consultant's efforts to contribute to the economic development of the LIA.

In summary, please submit the following attachments in each copy of your proposal:

1. Attachment 5-A, Chart for Submitting Data for Calculation of Preference Points. List the team members' (prime and subs) names, roles, location and LIA/LBA/SBE/VSBE status in the format shown in Attachment 5-A. Be specific as to the nature and estimated percentage of the work to be performed by the prime, any joint venture partners and/or sub-consultants.
2. Attachment 5-B, Local Participation Questionnaire. Complete for each sub-consulting firm or individual, as well as for the prime consultant.

3. Attachment 5-C and 5-D, Monthly and Final Utilization of Local and Small Business Enterprises are required after contract award. Attachment 5-C is required after contract award and a final report attachment 5-D, is required after completion of the project.

Any proposal that fails to complete and submit the above two items (Prime *and* sub-consultants) will not be considered. For firms headquartered outside the LIA/LBA wishing to obtain credit for their local office, for the purpose of this project shall utilize personnel from this local office. Additionally, mail, correspondence and telephone calls will be made to this local office.

To obtain credit for these factors and for any preference points on this RFP, consultants or any team member must be certified by the proposal due date or submit an application:

- Consultants or any team members wishing to be certified by the Port must submit a Certification Application, with all supporting documentation seven (7) business days prior to the proposal due date. The questionnaire and checklist of necessary supporting documents for certification may be obtained at: <http://www.portoakland.com/srd/>. For questions regarding certification, you may contact Social Responsibility Division (SRD) at (510) 627-1627 or email [SRDAdmin@portoakland.com](mailto:SRDAdmin@portoakland.com). Firms certified by the Port of Oakland do not need to submit proof of certification.

(Please note Port certification must be current and not expired to count for preference points. Certification is valid for a two-year period.)

For questions or assistance regarding this section, contact Ms. Lila Zinn (510) 627-1485, or [lzinn@portoakland.com](mailto:lzinn@portoakland.com) in the Port's Social Responsibility Division.

Either Party's waiver of any breach, or the omission or failure of either Party, at any time, to enforce any right reserved to it, or to require strict performance of any provision of this Agreement, shall not be a waiver of any other right to which any Party is entitled, and shall not in any way affect, limit, modify, or waive that Party's right thereafter to enforce or compel strict compliance with every provision hereof.

- 11.3 Covenant Against Contingent Fees.** As required by the Port’s Purchasing Ordinance No. 4321 (as it may be amended from time to time), Consultant warrants that no person or agency has been employed or retained to solicit or obtain the Agreement upon an agreement or understanding for a contingent fee, except a bona fide employee or agency. - 11.5 Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original instrument and all such counterparts, taken together, shall constitute one and the same instrument. Signatures delivered by facsimile or electronic mail shall be deemed effective as originals.
- 11.6 Severability.** If any provision (or portion thereof) of this Agreement is found to be invalid by a court, arbitrator, or government agency of competent jurisdiction, the remainder of this Agreement shall remain in full force and effect. If any provision (or portion thereof) of this Agreement is prohibited by, or made unlawful or unenforceable under any applicable law of any jurisdiction, such provision shall, as to such jurisdiction, be ineffective without affecting the remainder of this Agreement, which shall be enforceable to the fullest extent permitted by law. To the greatest extent permitted by law, the provisions of such applicable law are hereby waived so that this Agreement may be deemed to be a valid and binding agreement.
- 11.7 Entire Agreement.** This Agreement contains the entire, exclusive, and integrated agreement between the Parties regarding the subject matter of this Agreement and shall supersede any and all prior negotiations, representations, understandings, or agreements, written or oral, express or implied, that relate in any way to the subject matter of this Agreement.
