**Subject: Port of Oakland Maritime and Aviation Project Labor Agreement – Letter of Assent**

Dear Mr. Wan:

The undersigned party confirms that it agrees to be a party to and bound by the Port of Oakland Maritime and Aviation Project Labor Agreement (the “Agreement” or “MAPLA”) as entered into by and between the Port of Oakland and the Building and Construction Trades Council of Alameda County and their affiliated unions, dated February 1, 2016, as the Agreement may, from time to time, be amended by the parties or interpreted pursuant to its terms. This Agreement includes the Addendum and Memorandum of Agreement governing Construction Trucking Work.

By executing this Letter of Assent, the undersigned party subscribes to, adopts, and agrees to be bound by the written terms of the legally established trust agreements specifying the detailed basis upon which contributions are to be made into, and benefits made out of, such trust funds and ratifies and accepts the trustees appointed by the parties to such trust funds.

Such obligation to be a party to and bound by this Agreement shall extend to all work covered by said Agreement undertaken by the undersigned party. The undersigned party shall require all of its subcontractors, of whatever tier, to become similarly bound for all their work within the scope of the Agreement by signing an identical Letter of Assent.

This letter shall constitute a subscription agreement, to the extent of the terms of this letter. The undersigned party agrees to execute a separate subscription agreement for those trust funds that so require.
