I. Project Overview

The Port of Oakland (Port) is soliciting proposals from individuals or firms with knowledge and experience as an Airspace consultant. This position requires an individual or firm that will serve as a liaison between the Port of Oakland and the Federal Aviation Administration (FAA) on technical issues related to aircraft operations. Additional duties are described in the Scope of Services of this RFP.

The Port will award a five (5) year contract (if any) for this services to the successful Proposer with an estimate start date of July 1, 2017 and ending June 30, 2022

The Port of Oakland is an "independent department" of the City of Oakland established under the City's Charter. The Port is a municipal corporation, acting by and through its Board of Port Commissioners. The Port owns and through its Aviation Division operates and maintains the Oakland International Airport (OAK), which accommodates commercial passenger, air cargo, and private aircraft traffic.

The Airport's noise management program is based upon various program developed over the years as well as Settlement Agreements with local jurisdictions and community organizations that date back to 1976. They include several aircraft noise abatement procedures, such as preferential runway use, runway restrictions based upon aircraft type, and nighttime procedures. An engine maintenance run-up restriction program is also a component, which is augmented by a Ground Run-up Enclosure (GRE). A summary of all programs may be reviewed at the OAK Noise Management website: <http://flyquietoak.com>

The Port has a well-established reputation for its efforts to build strong working relationships with local jurisdictions, community residents and community-based organizations as well as industry stakeholders. In 2006, the National Organization to Insure a Sound-controlled Environment (NOISE) presented the Mary E. Griffin Airport Operator of the Year award to the Port of Oakland. Also, NOISE awarded the Betty Ann Krahnke Community of the Year award to the Oakland Airport-Community Noise Management Form. This award is presented to a local government or community partnership that has made extraordinary efforts on behalf of their citizens, both in combating airport noise, but also by educating citizens as to its effects.

For noise management purposes the Port utilizes a comprehensive, integrated airport noise and operations management system (Brüel & Kjaer EMS Inc. ANOMS Version 9) with sixteen permanent Brüel & Kjaer Type 3639 noise monitor terminals that record aircraft noise levels and which are used to validate the Airport's noise contours using the Community Noise Equivalency Level (CNEL) standard.

The most desirable consulting individual or firm will not only have technical expertise related to airspace and aircraft operations but will need to show that the firm has the resources and capacity to meet the demands of the job whether anticipated or not. The consultant will be required to work closely with Airport staff and must possess excellent communication skills.

1. Non-Discrimination and Small Local Business Utilization Policy (NDSLBU):

The Port desires to maximize the participation of small local business and has instituted a Non-Discrimination and Small Local Business Utilization Policy (NDSLBU). The NDSLBU consists of two parts:

- Non-Discrimination policy which all Suppliers (Respondents) must adhere to, by providing the enclosed "Non-Discrimination and Small Local Business Utilization Policy Program Affidavit" (**Attachment 6**) with their proposals
- Preference points to small local businesses who qualify under the Port's definition of a small local business. In order to qualify for preference points, Suppliers (Respondents) must be either certified by the proposal due date or download a Certification Application at: <http://www.portofoakland.com/srd/> and submit it along with any supporting documentation to the Port's Social Responsibility Division seven (7) business days prior to the proposal due date.

A summary of the Port's Non-Discrimination and Small Local Business Utilization Policy is included herein as **Attachment 5**. The entire policy is available at:

http://www.portoakland.com/pdf/responsibility/ndslbu_policy.pdf

Suppliers already certified with the Port do not need to submit proof of certification, but still need to check the Port's certification database at: <http://srd.portoakland.com/> to ensure their certification has not expired and must fill out the Chart for Submitting Data for Calculation of Preference Points (**Attachment 5-A**), and the Local Participation Questionnaire (**Attachment 5-B**), and submit them with your proposal. All Suppliers (Respondents) must still provide proof of adhering to the Port's Non-Discrimination policy by submitting the NDSLBU Program Affidavit.

A copy of the Port-certified Small Local Business Enterprises can also be downloaded at: <http://www.portoakland.com/srd/>

For questions or assistance regarding NDSLBU, contact Ms. Connie Ng-Wong, Contract Compliance Officer, (510) 627-1390, at the Port's Social Responsibility Division, or fax requests to (510) 451-1656.

2. Insurance Requirements:

All Respondents who plan on submitting a proposal in response to this RFP must meet the Port's Insurance requirements listed in **Attachment 9**, and must provide proof of insurance at the time of project award. Respondents must include a statement (**Attachment 10**) with their proposal agreeing to the Port's insurance requirements and indicate they will be able to obtain the proper insurances at the time of project award.

The selected Consultant/Contractor will be required to comply strictly with the Port of Oakland's policies and practices for sensitive information.

4. Living Wage Policy:

On March 5, 2002, the voters in the City of Oakland passed Measure I, adding to the City Charter Section 728 ("§728") entitled "Living Wage and Labor Standards at Port-assisted Businesses." §728 requires Port Aviation and Maritime businesses that meet specified minimum threshold requirements to pay all nonexempt employees a Living Wage rate established by City Ordinance and adjusted annually based on the Consumer Price Index for the San Francisco, Oakland, and San Jose area. The current Living Wage rate as of July 1, 2016 is at least \$12.93 with credit given to the employer for the provision to covered employees of health benefits, and \$14.86 without credit for the provision of health benefits. Specifically, §728 applies to Port contractors and financial assistance recipients with the Aviation or Maritime divisions that have contracts worth more than \$50,000 and that employ more than 20 employees who spend more than 25% of their time on Port-related work. §728 also provides covered employers with incentives to provide health benefits to employees, establishes a worker retention policy, requires covered employers to submit quarterly payroll reports and requires covered employers to allow Port representatives access to payroll records in order to monitor compliance and labor organization representatives access to workforces during non-work time and on non-work sites. Covered employers are responsible for complying with the provisions of §728 from the date the covered contract is entered into. When a contract is awarded, the Respondent will be required to fill out the attached Employer Self-Evaluation for Port of Oakland Living Wage Form (**see Attachment 7-A**) and Certificate of Compliance—Living Wage (**see Attachment 7-B**) and return them to the Social Responsibility Division. (i.e., do not include these forms in with your proposal). For more information, please call Connie Ng-Wong in the Port of Oakland's Social Responsibility Division at (510) 627-1390.

Submission of a proposal will confirm that the Respondent fully understands the provisions of the Port's Standard Professional Services Agreement (**Attachment 11**) which will be revised as necessary to be consistent with the provisions of this RFP, and will execute such revised agreement if awarded the contract. Any objections to any provisions in the Port's Standard Professional Services Agreement and/or this RFP must clearly be identified in your proposal. Changes are discouraged.

Non-Discrimination: Port of Oakland (Port) policy prohibits discrimination or preferential treatment because of race, color, religion, sex, national origin, ancestry, age (over 40), physical or mental disability, cancer-related medical condition, a known genetic pre-disposition to a disease or disorder, veteran status, marital status, or sexual orientation.

Local Business Utilization: On October 7, 1997, the Board of Port Commissioners initiated a formal policy to encourage full participation of firms from its Local Business Area ("LBA"), the counties of Alameda and Contra Costa, particularly those in its Local Impact Area ("LIA"), in its work. The LIA includes the cities of Oakland, Alameda, Emeryville and San Leandro. The LBA includes all cities within the counties of Alameda and Contra Costa. The Port will also take into consideration efforts the prime and sub-consultants make to assist in the community, e.g., assigning meaningful work to small and/or very small local sub-consultants, mentor protégé relationships, participation in job/trade fairs, hiring interns, pro bono work, and working with local schools, etc.

Consultant Preference Points: The Port allots preference points for the percentage of work being performed by consultants/sub-consultants located in either the LBA or the LIA and for community involvement (i.e. mentoring, intern programs, job fairs, community rehabilitation groups and re-entry programs) for a maximum total of up to 15 points. These points are added to a maximum of 85 technical points for a composite maximum of 100 points in evaluating consultant proposals as follows:

- Up to 5 points will be credited proportionately (counting the whole team, prime consultant and sub-consultant(s)) for LIA certified firms, and 2.5 for LBA certified firms.
Note: LIA/LBA credit is given only for certified firms which have had established active offices in the respective area for at least a year at the time of proposal due date, and NOT for outside firms which plan to do the project work at a LIA/LBA office;
- An additional 3 points will be credited for an LIA certified prime consultant (proportionate to the share of prime consultant work in the case of a joint venture) and 1.5 points for an LBA certified prime consultant;
- Up to 4 points will be credited proportionately (counting the whole team, prime consultant and sub-consultant(s)) for Very Small Business Enterprise (VSBE) certified firms, and 2 points for Small Business Enterprise (SBE certified firms); and
- Up to 3 points for commitment to the Port's values and programs, e.g., mentoring small and/or very small local businesses and providing meaningful work for small and/or very small local sub-consultants; utilization of college and high school interns from the LIA; participation in job fairs and trade fairs targeted to LIA residents and businesses; and other work showing the consultant's efforts to contribute to the economic development of the LIA.

In summary, please submit the following attachments in each copy of your proposal:

1. Attachment 5-A, Chart for Submitting Data for Calculation of Preference Points. List the team members' (prime and subs) names, roles, location and LIA/LBA/SBE/VSBE status in the format shown in Attachment 5-A. Be specific as to the nature and estimated percentage of the work to be performed by the prime, any joint venture partners and/or sub-consultants.
2. Attachment 5-B, Local Participation Questionnaire. Complete for each sub-consulting firm or individual, as well as for the prime consultant.

3. Attachment 5-C and 5-D, Monthly and Final Utilization of Local and Small Business Enterprises are required after contract award. Attachment 5-C is required after contract award and a final report attachment 5-D, is required after completion of the project.

Any proposal that fails to complete and submit the above two items (Prime *and* sub-consultants) will not be considered. For firms headquartered outside the LIA/LBA wishing to obtain credit for their local office, for the purpose of this project shall utilize personnel from this local office. Additionally, mail, correspondence and telephone calls will be made to this local office.

To obtain credit for these factors and for any preference points on this RFP, consultants or any team member must be certified by the proposal due date or submit an application:

- Consultants or any team members wishing to be certified by the Port must submit a Certification Application, with all supporting documentation seven (7) business days prior to the proposal due date. The questionnaire and checklist of necessary supporting documents for certification may be obtained at: <http://www.portoakland.com/srd/>. For questions regarding certification, you may contact Social Responsibility Division (SRD) at (510) 627-1627 or email SRDAdmin@portoakland.com. Firms certified by the Port of Oakland do not need to submit proof of certification.

(Please note Port certification must be current and not expired to count for preference points. Certification is valid for a two-year period.)

For questions or assistance regarding this section, contact Ms. Connie Ng-Wong (510) 627-1390, or cng-wong@portoakland.com in the Port's Social Responsibility Division.

«CONSULTANT»
(«Services»)

THIS PROFESSIONAL SERVICES AGREEMENT (“Agreement”) is entered into on _____, between the City of Oakland, a municipal corporation, acting by and through its Board of Port Commissioners (hereinafter “Port of Oakland” or “Port”), and **«CONSULTANT»** (“Consultant”), identified on Appendix D, who agree as follows:

1. SCOPE OF PROFESSIONAL SERVICES.

The Consultant shall perform all services described in Appendix A (“Services”), for the compensation set forth in Appendix B (“Payment”), which appendixes are attached and made a part of this Agreement. All Services whenever performed shall be deemed performed under this Agreement, and all compensation paid to Consultant on account of the Services performed shall be deemed payments as set forth in Appendix B.

2. EFFECTIVE DATE.

This Agreement shall become effective upon its execution by the Consultant and by the Port (including approval by the Port Attorney).

3. STANDARD OF PERFORMANCE.

The Consultant represents that it possesses all necessary training, licenses and permits to perform the Services, and that its performance of the Services will conform to the standard of practice of a professional that specializes in performing professional services of a like nature and complexity of the Services.

4. SUBCONSULTANTS.

The Consultant shall perform the Services using the persons and subconsultants listed in Appendix A, if any. The Consultant shall hire only qualified persons or firms who are experienced in performing work of a like nature and complexity as the Services, and who agree to be bound to the terms of the Agreement to the extent of this scope of services. The Consultant may substitute personnel or subconsultants prior to any such subconsultants commencing work only upon the Project Manager’s written consent, which may be withheld or delayed in the Port’s discretion.

The Port of Oakland, as a Department of the City of Oakland, participates in the California Public Employees’ Retirement System (“CalPERS”), and the use of any consultant or sub-consultant (and their employees) who have retired from a CalPERS agency shall be in compliance with applicable CalPERS rules and regulations.

5. INDEMNIFICATION AND LIABILITY.

5.1 To the fullest extent permitted by law (including, without limitation, California Civil

Code Section 2782, 2782.6 and 2782.8), the Consultant shall defend (with legal counsel chosen or approved by the Port Attorney), indemnify and hold harmless the Port and its officers, agents, departments, officials, representatives and employees (collectively "Indemnitees") from and against any and all claims, loss, cost, damage, injury (including, without limitation, injury to or death of an employee of Consultant or its Subconsultants), expense and liability of every kind, nature and description (including, without limitation, incidental and consequential damages, court costs, paralegal and attorneys' fees (including costs attributable to in-house paralegals and attorneys), Port staff costs, litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation) that arise from or relate to, directly or indirectly, in whole or in part, from: (1) the Services under this Agreement, or any part thereof, or (2) any negligent act or omission of Consultant, any Subconsultant, anyone directly or indirectly employed by them, or anyone that they control (collectively "Liabilities"). Such obligations to defend, hold harmless and indemnify any Indemnitee shall not apply to the extent that such Liabilities are caused in whole or in part by the sole negligence, active negligence, or willful misconduct of such Indemnitee, but shall apply to all other Liabilities.

5.2 The Consultant shall defend (with legal counsel chosen or approved by the Port Attorney), indemnify and hold harmless the Indemnitees from all loss, cost, damage, expense, liability or claims, in law or in equity, including paralegal and attorneys' fees (including costs attributable to in-house paralegals and attorneys), Port staff costs, court costs, litigation expenses and fees of expert consultants or expert witnesses, that may at any time arise for any infringement of the patent rights, copyright, trade secret, trade name, trademark, service mark or any other proprietary right of any person or persons in consequence of the use by Port, or any of the other Indemnitees, of articles or Services to be supplied in the performance of this Agreement.

6. NOTICES.

7. INSURANCE.

At its own expense, the Consultant shall maintain in force during the term of this Agreement the insurance type(s) and in the amount(s) required by Appendix C hereof.

8. INDEPENDENT CONTRACTOR.

The Consultant shall at all times herein be deemed an independent contractor wholly responsible for the manner in which it performs the Services under this Agreement, and fully liable for the acts and omissions of its employees, subconsultants and agents. Under no circumstances shall this Agreement be construed as creating an employment, agency, joint venture or partnership relationship between the Port and the Consultant, and no such relationship shall be implied from performance of this Agreement. The terms in this Agreement referring to direction from the Port shall

be construed as providing for direction as to policy and the result of services only, and not as to means and methods by which such a result is obtained. The Consultant shall pay all taxes (including California sales and use taxes) levied upon this Agreement, the transaction, or the Services and/or goods delivered pursuant hereto without additional compensation, regardless of which party has liability for such tax under applicable law, and any deficiency, interest or penalty asserted with respect thereto. The Consultant represents that it will collect, report, and pay all sales and or use taxes to the State Board of Equalization. Upon full payment, the Consultant will issue the Port a receipt pursuant to California Revenue and Taxation Code Section 6203, relieving the Port of all liability for any tax relating to the scope of this Agreement. The Consultant shall pay all other taxes including but not limited to any applicable City of Oakland business tax, not explicitly assumed in writing by the Port hereunder. The Consultant shall comply with all valid administrative regulations respecting the assumption of liability for the payment of payroll taxes and contributions as above described and to provide any necessary information with respect thereto to proper authorities.

9.2 The Consultant represents that it has completely disclosed to Port all facts bearing upon any possible interests, direct or indirect, which Consultant believes any member of Port, or other officer, agent or employee of the Port or any department presently has, or will have, in this Agreement, or in the performance thereof, or in any portion of the profits thereunder. Willful failure to make such disclosure, if any, shall constitute grounds for termination of this Agreement by the Port for cause. The Consultant agrees to comply with all conflict of interest codes adopted by the City of Oakland and Port of Oakland and their reporting requirements.

9.3 The Consultant covenants that it presently has no interest, and shall not have any interest, direct or indirect, which would conflict in any manner with the performance of Services required under this Agreement. Without limitation, the Consultant represents to and agrees with the Port that the Consultant has no present, and will have no future, conflict of interest between providing the Port the Services hereunder and any interest the Consultant may presently have, or will have in the future, with respect to any other person or entity (including but not limited to any federal or state wildlife, environmental or regulatory agency) which has any interest adverse or potentially adverse to the Port, as determined in the reasonable judgment of the Port. The provisions of this Section 9 shall remain fully effective indefinitely after termination of Services to the Port hereunder.

9.4 The Consultant acknowledges and agrees that, in the performance of the Services under this Agreement or in the contemplation thereof, the Consultant may have access to private or confidential information which may be owned or controlled by the Port and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to the Port. The Consultant agrees that all information disclosed by the Port to or discovered by the Consultant shall be held in strict confidence and used only in performance of the Agreement. The Consultant shall exercise the same standard of care to protect such information as a reasonably prudent Consultant would use to protect its own proprietary data, and shall not accept employment adverse to the Port's interests where such confidential information could be used adversely to the Port's interests. Consultant agrees to notify the Port immediately in writing if it is requested to disclose any information made known to or discovered by Consultant during the performance of the Services required under, or in connection with this Agreement.

9.5 Any publicity or press releases with respect to the Project or Services shall be under

the Port's sole discretion and control. The Consultant shall not discuss the Services or Project, or matters pertaining thereto, with the public press, representatives of the public media, public bodies or representatives of public bodies, without the Port's prior written consent. The Consultant shall have the right, however, without Port's further consent, to include representations of Services among Consultant's promotional and professional material, and to communicate with persons or public bodies where necessary to perform the Services under this Agreement.

9.6 The provisions of this Section 9 shall remain fully effective indefinitely after termination of Services to the Port hereunder.

10. SUSPENSION AND TERMINATION OF SERVICES.

(i) The Port may direct the Consultant to suspend, delay or interrupt Services, in whole or in part, for such periods of time as the Port may determine in its sole discretion. The Port may issue such directives without cause. The Port will issue such directives in writing. Suspension of Services shall be treated as an excusable delay. (ii) The Port may terminate performance of the Services under this Agreement in whole, or from time to time in part, for default, should the Consultant commit a material breach of this Agreement, or part thereof, and not cure such breach within ten (10) calendar days of the date of the Port's written notice to the Consultant demanding such cure. In the event the Port terminates this Agreement for default, the Consultant shall be liable to the Port for all loss, cost, expense, damage and liability resulting from such breach and termination. (iii) Port may terminate performance of the Services under this Agreement in whole, or from time to time in part, for convenience, whenever the Port determines that such termination is in the Port's best interests. In the event the Port terminates this Agreement for convenience, the Consultant shall be entitled to recover its costs expended up to the termination plus reasonable profit thereon to the termination date, but may recover no other cost, damage or expense.

11. OWNERSHIP OF WORK PRODUCT.

Any interest (including copyright interests) of the Consultant or its subcontractors or subconsultants, in studies, reports, memoranda, computational sheets, drawings, plans or any other documents (including electronic media) prepared by the Consultant or its subcontractors or subconsultants in connection with the Services, shall become the property of the Port. To the extent permitted by Title 17 of the United States Code, work product produced under this Agreement shall be deemed works for hire and all copyrights in such works shall be the property of the Port. 12.1 The Consultant shall maintain all documents and records prepared by or furnished to the Consultant during the course of performing the Services for at least three (3) years following completion of the Services, except that all such items pertaining to hazardous materials shall be maintained indefinitely. Such records include, but are not limited to, correspondence, internal memoranda, calculations, books and accounts, accounting records documenting its work under its Agreement, and invoices, payrolls, records and all other data related to matters covered by this Agreement.
