ADDENDUM No. 2

Bid No.: 16-17/19 – HID Proximity Cards and Printer Supplies

This Addendum modifies the original Bid Documents for the above referenced Bid. Acknowledge receipt of this addendum in the space provided on the Bid Form (Attachment 2). Failure to do so may disqualify your bid.

The following questions were submitted prior to the deadline and is answered in this addendum:

1. Question: HID will not honor pricing for a (2) year contract for the supplies requested on the bid and it is estimated that shipping carriers have about 5% price increase every year. Please confirm on how to proceed.

Answer: Bidders should provide pricing good for (2) two years per addendum no 1. Bid price should include any possible price increases in order for the bidder honor its price. The Port acknowledges that the cost for shipping will change based on the number of items ordered and method of transit but for the purpose of this bid, the Port would like to know how much it will cost to ship all items listed on the bid for evaluation. Future shipping cost may be adjusted.

2. Question: The HID Corporate 1000 Program requires a special form to be completed for the end user and a license agreement. Do you have a license agreement for the corporate 1000 program? Have you ordered cards before? Please provide your facility code, license agreement and starting number range for the HID cards to be processed.

Answer: The Port does have a HID license agreement and facility code, but we can only provide that information to the winning bidder. The numbering sequence is controlled by HID.

There are no other questions to Bid No. 6-17/19.
