**Prospective Proposers for  
Request for Qualifications (RFQ)  
for On-Call Construction Management  
Support Services for Federally Funded Projects  
at the Port of Oakland**

**ADDENDUM NO. 2**

The following are revisions to the **REQUEST FOR QUALIFICATIONS (RFQ) FOR ON-CALL CONSTRUCTION MANAGEMENT SUPPORT SERVICES FOR FEDERALLY FUNDED PROJECTS AT THE PORT OF OAKLAND**, dated April 2018. Please transmit this information to your prospective subconsultants, as applicable.

**1. Request for Qualifications (RFQ) for On-Call Construction Management Support Services for Federally Funded Projects at the Port of Oakland, page 12 of 17**

Immediately following subparagraph 6.A.3, ADD the following new subparagraph:

- "4. For each of the consultant firms on the team, provide a list of three relevant construction management projects performed within the past five years. Include projects that consultants consider to be similar to the Port's projects, (projects managed for public agencies similar to the Port). Include the following information: *(1 page maximum per project)*

Project name, location, and dates

Client or Sponsoring Agency's name, address, sponsoring agency's project manager, and telephone number

Project budget

Dollar Value of Consultant Services Provided

Brief Project Description

Your firm's role in project (brief, but specific and accurate)

Names and roles of personnel assigned to the project"

2. **Request for Qualifications (RFQ) for On-Call Construction Management Support Services for Federally Funded Projects at the Port of Oakland, page 14 of 17**

REVISE the first sentence of Paragraph 7.A to read as follows:

“All items requested must be received by the Port (postmarks not acceptable) no later than **3:00PM on Wednesday, May 30, 2018.**”

3. **Request for Qualifications (RFQ) for On-Call Construction Management Support Services for Federally Funded Projects at the Port of Oakland, page 16 of 17**

REVISE the third row of the schedule table to read as follows:

“ 

Statement of Qualifications Due	May 30, 2018
---------------------------------	--------------

 ”

Sincerely,

Chris Chan  
Director of Engineering
