

PORT OF OAKLAND

530 Water Street, Oakland, California 94607

July 23, 2018

Addendum No. 1 Bid No.: 18-19/01, Rental and Servicing of Portable Toilets

This Addendum modifies the original Bid Documents for the above-mentioned Bid. **Acknowledge receipt of this addendum in the space provided on the Bid Form (Attachment 2). Failure to do so may disqualify your Bid.**

The following questions were submitted by the deadline and are answered in this addendum:

1. **Question:** Is there any SBE (small business enterprise) consideration for the contract price?

***Response:** No, there is no specific SBE consideration for this project; although, the Port of Oakland supports and encourages the use of local and small businesses in its procurement offerings.*

2. **Question:** In the detail bid form there are Unit Types listed as Standard Unit and Hand Wash Station. Is the hand wash station internal or external to the Standard Unit?

***Response:** Unit type that is listed "and Hand Wash Station" means to provide an external stand-alone hand wash station separate from the portable unit.*

All standard units should have water or hand sanitizer for hand washing, as detailed in section B of the Scope of Services.
