

PORT OF OAKLAND

530 Water Street, Oakland, California 94607

April 23, 2019

Addendum No. 1 Bid No.: 18-19/28, Electric Forklifts (High Capacity)

This Addendum modifies the original Bid Documents for the above-mentioned Bid. **Acknowledge receipt of this addendum in the space provided on the Bid Form (Attachment 2). Failure to do so may disqualify your Bid.**

The following questions were submitted by the deadline and are answered in this addendum:

1. **Question:** Is the Port looking at cushion tire forklifts (indoor) or pneumatic tires (outdoor)?

Response: Port is looking for pneumatic tires "Forklifts will be mainly used out of doors" as stated in the bid document Enclosure A., page 1 of 3.

2. **Question:** Will the Port accept less than the minimum 15,000 lb capacity forklift such as 12,000 lb?

Response: No, the specifications are for electric forklifts that meet or exceed the base specifications.
