

PORT OF OAKLAND

530 Water Street, Oakland, California 94607

June 9, 2020

Addendum No. 1

Bid No.: 19-20/21 – Element Fenders (aka Leg Fenders)

This Addendum modifies the original Bid Documents for the above-mentioned Bid.

Acknowledge receipt of this addendum in the space provided on the Bid Form (Attachment 2). Failure to do so may disqualify your Bid.

The following question was submitted by the deadline and are answered in this addendum:

- 1. Question:** The Port's drawing in Enclosure A shows a width of 900 to 1000 mm; both of these are common sizes for any manufacturer. Does the Port have a preference? Will the Port consider the size offered when you review the bids?

***Response:** Based on the criteria provided within the specifications of the bid document, it will be up to the supplier to select the most appropriate fender size for submission to this bid. There is no current preference to size and all factors including lead time will factor into the selection process.*
