AIRPORT CONTRACT SECURITY SERVICES AGREEMENT

THIS AIRPORT CONTRACT SECURITY SERVICES AGREEMENT, dated this 1st day of July 2015 ("Agreement"), is entered into by and between the CITY OF OAKLAND, a municipal corporation ("City"), acting by and through its Board of Port Commissioners (hereinafter referred to as the "Port"), and HSS, INC., as the operator (hereinafter referred to as the "Operator").

WITNESSETH

WHEREAS, the Port desires to obtain professional and expert management and operation of Contract Security Services (as hereafter defined) at Oakland International Airport (the "Airport"), and has solicited proposals from firms with experience and expertise in the management and operation of similar contract security services; and

WHEREAS, in response to such solicitation by the Port through the Port's Request for Proposals for Airport Contract Security Guard Services (the "RFP"), the Operator has submitted a proposal (the "Proposal"); and

WHEREAS, Operator has the requisite experience and expertise to provide the Contract Security Services; and

WHEREAS, the Port desires to accept the Proposal in order to retain Operator as an independent contractor to manage and operate the Contract Security Services in accordance with this Agreement;

NOW, THEREFORE, in consideration of the terms, covenants and conditions contained herein to be kept and performed by the respective parties hereto,

IT IS MUTUALLY AGREED AS FOLLOWS:

1. RETENTION OF OPERATOR.

The Port hereby retains Operator, and Operator agrees with the Port, to manage, operate and provide, as an independent contractor, the Contract Security Services described in this Agreement (hereafter the "Contract Security Services" or the "Services"). The Operator agrees to provide the Contract Security Services at locations at the Airport as directed from time to time by the Port's Director of Aviation (hereinafter the "Director") or the Director's designee, including the Port's Assistant Director of Aviation, the Port's Aviation Security Manager, or any individual authorized in writing as a designee by the Director (any of the aforementioned individuals is hereinafter referred to as the "Designee"). The Operator shall be responsible for all functions related to staffing, supervision and overall professional management of the Contract Security Services hereunder, including hiring, training, scheduling, evaluating services and coordinating with Port staff.

2. TERM OF AGREEMENT.

2.1 Term. This Agreement shall have an initial term of Three (3) years commencing July 1, 2015 ("Commencement Date"), and terminating at 11:59 P.M. on June 30, 2018; provided, however, that this Agreement shall automatically be renewed for up to two (2) extension periods of one (1) year each (each referred to as an "Extension Term") unless the Port at its discretion provides Operator with written notice of non-renewal not less than sixty (60) days before the last day of the
initial term or applicable Extension Term. The term “Operating Term” shall mean the initial term of this Agreement and any Extension Term resulting from the automatic renewal of this Agreement under this Section 2.1. Notwithstanding any provision of this Agreement to the contrary, the Port’s Executive Director or the Director may terminate this Agreement with or without cause at any time as provided in Section 21.1 below.

2.2 Transition Period. For a period of sixty days prior to the Commencement Date (the “Transition Period”), Operator shall have access to the Airport to prepare for Operator’s commencement of the Services on the Commencement Date. Prior to the commencement of the Transition Period, Operator shall furnish the certificates of insurance to the Port of Oakland Risk Management Department evidencing the insurance requirements under the Agreement are met. The indemnity provisions of Section 16 shall apply to Operator’s acts or omissions or the acts or omissions of Operator’s officers, agents, employees, contractors, subcontractors, invitees, vendors, suppliers or licensees during the Transition Period to the same extent such provisions apply during the Operating Term.

3. SCOPE OF SERVICES; WORKFORCE REQUIREMENTS.

3.1 Services. The Operator agrees to provide the Services, as directed from time to time by the Director or the Designee. Operator agrees to provide the Services at such locations and during the hours specified in attached Exhibit “A”, unless and until other locations or hours for the Services are established by the Director or the Designee, in which case Operator shall provide the Services from those locations and during those hours. The Port shall have the right in its sole discretion to increase or decrease Service hours. Operator shall provide replacement security guards to cover vacancies within four (4) hours of a request by the Director or the Designee. Operator shall provide up to four (4) security guards for emergency assignments within four (4) hours’ notice from the Director or the Designee. In addition, Operator shall provide up to fifteen (15) security guards for special assignments within twenty-four (24) hours’ notice from the Director or Designee, and such guards shall be available to continue working on such assignments for an extended period as indicated by the Director or Designee. All security guards working under this Agreement are required to work a minimum of eight hours every two weeks.

3.2 Workforce Requirements.

a) Operator must provide a reliable and consistent work force, qualified to perform the Services under this Agreement, with a low turnover rate. Throughout the Operating Term of this Agreement, all employees assigned to perform work under this Agreement shall possess a valid security guard license issued by the California Department of Consumer Affairs Bureau of Security and Investigative Services in the appropriate discipline for the type of work performed, and shall obtain and maintain all other licenses required to provide any of the Services under applicable California, City of Oakland and Federal law. In addition, Operator and its employees providing any of the Services must comply with the following:

(i) no security guard performing any of the Services will possess any weapon while on Airport property, including without limitation, firearms, stun guns, knives, pepper spray, mace or batons;

(ii) all work sites served by Operator will be non-smoking and Operator’s employees shall comply with all applicable smoking restrictions; and

(iii) the Port will issue an initial set of keys to Operator at no charge. However, in the sole discretion of the Port, in the event the locks need to be changed
to maintain security as the result of Operator's employees' loss or misuse of keys, Operator will be responsible for the cost of changing the affected locks;

b) All security guards providing any of the Services under this Agreement must, in addition to all other requirements contained in Section 3.2(a) above or under “GUARD PERSONNEL QUALIFICATIONS” on attached Exhibit “G”:

(i) be able to distinguish all colors, and have vision correctable to 20/20;

(ii) be able to climb inside and bend under vehicles for vehicle inspections (example, construction dump trucks, etc.);

(iii) be able to access construction sites or rooftops using ladders;

(iv) work while exposed to outdoor elements such as, but not limited to, wind, rain, snow, and aircraft noise;

(v) read and write in English, and comprehend sensitive security information and Port rules, regulations, and other communications and to communicate effectively. Security guards acting as representatives of the Port shall conduct themselves in a courteous and professional manner while performing duties on behalf of the Port. The Port retains the right to have any guard removed for failure to meet Port standards for customer service and performance;

(vi) hold a valid drivers license issued by the State of California; and

(vii) qualify for an Airport security badge issued by the Port following a United States Transportation Security Administration-mandated and Port-administered fingerprint-based criminal history records check under 49 CFR § 1542 and Security Threat Assessment and Security Identification Display Areas training, as well as a Customs and Border Protection background check, which will be provided by the Port at its expense. The Operator shall pay the Port the Port's standard fee for applying for an Airport Security Badge for each employee of Operator engaged or to be engaged in providing the Services at the Airport. Operator shall not charge the Port for any time spent by Operator's employees to obtain Airport Security Badges, including any relating training required to be eligible for such badges. (Operator may charge Port under Section 4 below for extra training requested by the Director or the Designee or for emergency drills required for Operator to comply with its obligations under Section 23.1 below.)

c) Operator shall provide the Port with a copy of its current HSS Employee Handbook.

3.3 Resources. Operator shall dedicate sufficient staff, equipment and other resources exclusively to implement the Services as specified in this Agreement and shall not divert such dedicated staff, equipment or resources to any other security service or to any other business. Operator will assign a project manager for this Agreement. The initial project manager is set forth in Exhibit A. Operator agrees that it shall not change the project manager for this Agreement without the Port's approval. The initial project manager shall within three (3) months of the commencement of this Agreement, and any subsequent project manager shall within three (3) months of becoming the project manager hereunder, attain at least the American Association of Airport Executives (A.A.A.E.)-A.C.E. Certification.
4. **COMPENSATION.**

4.1 Total Compensation. The Port shall pay Operator for satisfactorily completed Services at the hourly rate set forth in attached Exhibit "B". Operator shall include the Agreement number provided by the Port on all requests for payments and shall submit invoices no more frequently than monthly to the Port’s Aviation Security Office, One Airport Drive, Oakland, California 94621. The Port will pay for all completed Services within thirty (30) calendar days after the Port’s receipt of a properly completed invoice covering those Services, subject to the Port’s set-off rights provided for in this Agreement. Invoices shall detail the number of hours worked in increments of fifteen (15) minutes and shall reflect the agreed hourly rates for guards and patrols regardless of the time of day, day of week, or holiday. Until the Port has been provided with invoices that have been properly completed in accordance with the requirements of this Section 4, and with such supporting documentation as the Director or the Designee shall reasonably request, which may include, without limitation, employee time sheets, time cards and payroll receipts, Port shall have no obligation to pay Operator any of the invoiced amounts.

Payment for all Services provided by all of Operator’s off-Airport staff shall be included in the hourly rate set forth in attached Exhibit "B" and shall not be paid for as a separate position.

4.2 Hourly Work. For Services performed in accordance with the terms of this Agreement, each of Operator’s invoices shall include, at a minimum, the name, title, labor rate (from the rate set forth on attached Exhibit "B", as such rate may be adjusted pursuant to Section 4.3 below), number of hours, and total charge for the Services performed by each individual being charged.

4.3 Pricing Escalation. Operator may request a rate adjustment no more frequently than annually for the ensuing Extension Term to reflect actual increases in Operator’s cost to perform the Services that have been documented by Operator to the satisfaction of the Director or the Designee. In no event shall the rate adjustment be more than the change in the Consumer Price Index; provided, however, if Operator is paying Living Wage (as described in Section 18) and the change in Living Wage is greater than the Consumer Price Index, then the rate adjustment shall not be more than the change in the Living Wage rate. Any request for a rate adjustment shall be submitted to the Port in writing no less than ninety (90) calendar days prior to the end of the current year of the Operating Term, and adjustments approved by the Director shall be effective as of the beginning of the next Extension Term.

For the purposes of this Agreement a "change in the Consumer Price Index" shall mean the difference between the Consumer Price Index, Urban Wage Earners and Clerical Workers, (base year 1982 - 1984 = 100) for the San Francisco - Oakland - San Jose CMSA, published by the United States Department of Labor, Bureau of Labor Statistics ("Index") published most immediately preceding the most recent anniversary of the Commencement Date ("Extension Index") and the Index published most immediately preceding the commencement of the prior term ("Beginning Index").

5. **EXPENSE REIMBURSEMENTS: OVERBILLING.**

5.1 Expense Reimbursement. Operator shall be responsible for all of its costs and expenses, and will not be reimbursed by the Port for any costs and expenses incurred by the Operator in performing the Contract Security Services at the Airport.

5.2 Overbilling and Overpayment. If in any given month, the Operator submits a report, invoice or bill which charges the Port for more than what should properly be charged to the Port.
pursuant to Section 4 of this Agreement and the Port makes such payments to the Operator in
reliance on such report, invoice or bill, Operator shall immediately:

a) Repay the Port for any such amount of overpayment together with interest
equal to twenty-five one-thousandths of one percent (.025%) of such amount for each day
from the day the Port made its payment to the Operator until the day the overpayment is
refunded to the Port, but not to exceed the maximum rate of interest permitted by law;

b) If the amount of the overpayment is more than two percent (2%) of the sum
which should properly have been paid to the Operator, the Operator shall, in addition to
Section 5.2(a) above, pay a $250.00 Administrative Fee for each invoice, report or bill which
overcharges the Port, not to exceed $500.00 per month, to compensate the Port for the
administrative services and burdens in such overpayment recovery; and

c) If the amount of the overpayment is more than five percent (5%) of the sum
which should properly have been reimbursed or paid to the Operator, the Port shall, in
addition to remedies provided for in Sections 5.2(a) and 5.2(b) above, have the right to
terminate this Agreement for cause.

In addition to remedies provided for in Sections 5.2(a) through 5.2(c) above, Operator shall
pay the cost of any audit by the Port under Section 6.4 below (including salary, fringe benefits, other
direct expenses of the audit and an additional 20% of those costs to cover administrative charges) if
such audit reveals, uncovers or identifies an overpayment of more than two percent (2%) of the sum
which properly should have been paid, less a credit for any Administrative Fee charged pursuant to
Section 5.2(b) above.

As an example, but without limitation, submitting a duplicate bill, invoice or report resulting
in a duplicate payment to the Operator shall be considered an overpayment by the Port for purposes
of this Section 5.2.

The Port’s payment of any amount pursuant to Section 4 above shall not waive any of the
Port’s rights under this Section 5.2 unless the amount of the overstatement or the amount of the
excess charge was described as such in a written disclosure to the Director or the Designee and was
approved in writing by the Director or the Designee after such written disclosure.

Any amount owed by Operator to Port pursuant to this Section 5.2 or any other provision of
this Agreement may be set-off by Port against any amount otherwise payable by Port to Operator
pursuant to this Agreement, including, without limitation, payments under Section 4.

6. BOOKS AND RECORDS: ACTIVITY REPORTS.

6.1 Maintenance and Production of Books and Records. Operator shall maintain
complete and accurate books of account and supporting documentation (collectively “books and
records”) in a form consistent with generally accepted accounting principles, including such books
and records as would normally be examined by an independent certified public accountant in
performing an audit or examination of amounts billed by Operator pursuant to Sections 4 or 5 of this
Agreement, including employee timesheets, timescards, payroll receipts, receipts for Reimbursable
Expenses, and all records required to be kept pursuant to attached Exhibit “C”.

6.2 Inspection of Books and Records. All such books and records shall, upon reasonable
notice from Port, be made available either at the offices of the Port or at the offices of the Operator,
for inspection and copying by the Port through its duly authorized representative. If such books and
records are not kept and maintained by Operator within a radius of ten (10) miles from the offices of
the Port at 530 Water Street, Oakland, California, Operator shall, upon request of the Port, make such books and records available to the Port for inspection at a location within said ten (10) mile radius or Operator shall pay to the Port the reasonable and necessary costs incurred by the Port in inspecting Operator's books and records, including, but not limited to, travel, lodging and subsistence costs. Operator shall provide such assistance as may be reasonably requested by the Port in the course of such inspection. The Port further reserves the right to examine and reexamine and copy said books, records and data during the three (3) year period following the expiration or earlier termination of this Agreement, as evidenced in writing by the Port. The Operator shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, and data in any matter whatsoever for three (3) years after the Port makes the final or last payment under this Agreement; provided, however, that if prior to the expiration of such three (3) year period, any audit, review or investigation is commenced by the Port, or any claim is made or litigation is commenced relating to this Agreement by the Port or the Operator, such books and records shall continue to be maintained by Operator, and Port shall continue to have the right to inspect and copy such books and records in the manner stated above, until the audit, claim or litigation is finally resolved (including the determination of any and all appeals or the expiration of time for such appeal).

6.3 Intentionally Omitted.

6.4 Audit of Records. During the Operating Term of this Agreement, in addition to its rights under Section 6.2 above, the Port, using its own employees or by contracting with a third party, may audit any or all payments made by the Port to Operator under Section 4 above or for Reimbursable Expenses. In case of such audit, the Operator shall make available to the Port any and all ledgers, books of accounts, canceled checks, and other records or documents evidencing or relating to Reimbursable Expenses, payroll records, personnel files and staffing schedules of personnel assigned to the Services and such other evidence or information as the Port may require with regard to any payroll or other expenditure charged by the Operator. Such audit may also include a review of general, input, processing and output controls of information systems used to record financial transactions and other statistical reports. The Port shall notify the Operator of such audit and Operator shall provide such records in the manner, time and place as provided for in Section 6.2 above and in attached Exhibit “E”. Operator's failure to comply shall be subject to administrative fees as specified in attached Exhibit “D” and shall also constitute a breach of Operator's obligations under this Agreement.

6.5 Deductions from Payments to Operator. The Port shall have the right to deduct from any amounts payable or reimbursable to the Operator, upon written notice, any unauthorized or disputed payments made by Port to Operator, any Administrative Fees imposed, overpayments pursuant to Section 4 or of Reimbursable Expenses by the Port and any other amounts owed by Operator to the Port. If the Port is required or elects to pay any sum, or if it incurs any obligations or expenses, because of the failure, inability, neglect or refusal of the Operator to perform or fulfill any of its obligations under this Agreement, then the Port shall have the right to deduct these sum(s) from any amounts payable or reimbursable to the Operator.

6.6 Activity Reports. Operator shall submit to the Aviation Security Manager daily, monthly and annual reports on report forms, which shall be provided by Operator or Port, at Port's election, which shall include, at a minimum, all of the information specified under "ACTIVITY REPORTS" on attached Exhibit “A”.

Any specific incidents requiring guard actions are to be included in the reports. The Operator shall immediately report any personal injuries, property loss or damage, threats or potential threats against life or property or any incident or activities that present imminent danger to health and safety of the general public. Any emergency conditions requiring immediate attention are to be
reported by telephone immediately to the Airport’s 24-hour line and to the Alameda County Sheriff’s Office. A follow-up written report delineating the emergency condition and corresponding action taken shall be submitted to the Port within 24 hours. Failure to provide a written report within 24 hours shall result in the assessment of an Administrative Fee as specified in Exhibit “D”. Any and all daily reports shall be submitted by noon of the next business day. Weekly reports shall be submitted by the Wednesday of the following week. Monthly reports shall be submitted within ten (10) calendar days of the end of the month, or part thereof, for which a report is due. Annual reports shall be submitted by February 1st of each year of the Operating Term of this Agreement. Operator shall supply Port with such other financial or statistical reports as the Executive Director may request from time to time during the term of this Agreement. In addition, Operator shall address each customer complaint regarding the Airport Security Services within five (5) working days of receipt by Operator of the notice of such complaint.

7. **ADMINISTRATIVE FEES.**

Exhibit “D”, entitled ADMINISTRATIVE FEES, is attached to and made a part of the Agreement (“Administrative Fees”).

7.1 Reasonable Estimate of Port Expenses. The parties agree that certain aspects of the Operator’s performance are extremely important to the Port and that the Operator’s failure to perform these activities will result in administrative and monitoring expenses and burdens on the Port and its staff. Therefore, the parties agree that the Administrative Fees described in attached Exhibit “D” are reasonable estimates of such expenses and may be imposed on the Operator at the sole discretion of the Director.

7.2 Waiver. The Director may elect to waive an assessment of Administrative Fees for a particular violation; however, that waiver shall not apply to prior or subsequent violations and shall not be deemed to set a precedent for further waivers. If the Operator disputes the violation that resulted in the imposition of an Administrative Fee, it may submit to the Assistant Director of Aviation, within ten (10) days of its receipt of written notice of the Administrative Fee, a written request for a review of such Administrative Fee pursuant to Article 11.3 of Port Ordinance No. 4255 (or the comparable provisions of any successor thereto), in which event the hearing procedures set forth in said Article 11.3 shall be applicable to Port and Operator with respect to such Administrative Fee.

7.3 Assessment. Any Administrative Fees shall be assessed by the Director within sixty (60) days from actual notice to the Director of the occurrence of the performance failure that resulted in the assessment of such Administrative Fees. No Administrative Fees will be assessed if the performance failure is due to any event of Force Majeure, as defined in Section 36.9 below.

8. **OPERATIONS.**

8.1 Operations and Procedures Manual. Operator shall develop an Operations and Procedures Manual (“Operations Manual”), or modify the Port’s existing Operations Manual based upon its best judgment and best industry standards, and shall provide a copy to the Director and the Designee, within thirty (30) days from the Commencement Date, for review and approval by the Director or the Designee. The Operator will confer with the Director or the Designee in its preparation of the Operations Manual and shall revise the Operations Manual from time to time as required by the Director or the Designee. Exhibit “F” attached to this Agreement provides information to assist in structuring the Operations Manual and shall be replaced by the Operator’s Operations Manual once approved by the Director or the Designees.

IISS, INC.
Airport Security Guard Services Agreement
Doc#: 309923
The Operations Manual shall provide basic guidance on policies, practices, and procedures covering all aspects of the Services, including but not limited to standards of performance. The Operator shall keep the Operations Manual current and shall comply with its provisions throughout the Operating Term. Any revision shall be subject to the written approval of the Director or the Designee. Each revision to the Operations Manual shall have a revision number and date. The Operations Manual shall become an integral part of the Agreement, but in the event of any conflict between the Operations Manual and this Agreement, the terms of this Agreement shall prevail. The Operations Manual, including all revisions as approved by the Director or the Designee, is herein incorporated into and made a part of this Agreement. The failure of the Operator to comply with or satisfy the requirements as spelled out in the Operations Manual shall be an Event of Default hereunder, entitling the Port to all of the remedies set forth herein.

8.2 Report of Injuries or Loss. The Operator, using a form provided by the Port, shall immediately report any personal injuries, property loss or damage, threats or potential threats against life or property or any incident or activities that present imminent danger to health and safety of the general public. Any emergency conditions requiring immediate attention are to be reported by telephone immediately to the Airport’s 24-hour line and to the Alameda County Sheriff’s Office or as otherwise directed in writing by the Port. A follow-up written report, using a form provided by the Port, delineating the emergency condition and corresponding action taken shall be submitted to the Port within 24 hours. Failure to provide a written report within 24 hours may result in the assessment of an Administrative Fee as specified in Exhibit F.

9. PERSONNEL.

Exhibit “G”, entitled PERSONNEL, is attached and made a part of this Agreement.

9.1 Training Manual. The Operator shall provide a Training Manual (“Training Manual”) to the Director, within thirty (30) days from the Commencement Date, for review and approval by the Director or the Designee. The Operator shall devise, revise, comply with and maintain the Training Manual under the same terms and conditions as provided for in the Operations Manual submitted pursuant to Section 8.1. Exhibit “H” attached to this Agreement provides information to assist in structuring the Training Manual and shall be replaced by the Operator’s Training Manual once approved by the Director or the Designee.

9.2 Removal of Employees. The Director or the Designee, at its sole discretion, reserves the right to require the Operator to remove, and to keep removed, from the Services and the Premises any employee of Operator, including without limitation the Supervisors, if said employee has failed to perform in accordance with any of the terms or conditions of the Agreement, or if said employee is alleged to have been involved in wrongdoing, while those allegations are under investigation. The Operator shall remove from the Services and the Premises any employee who operates a vehicle recklessly or in a manner that endangers the safety of Airport patrons, under the influence of alcohol or other prohibited substances or who no longer satisfies the requirements set forth in Section 3.2 or attached Exhibit “G”. The Operator will comply with any request to remove any such employee as soon as written notice is received from the Director or the Designee. Operator’s failure to comply within twenty-four (24) hours of receipt of such notice shall be considered an Event of Default hereunder, entitling the Port to all of the remedies contained in this Agreement. Operator shall remove any employee of the Operator on the spot from the Services and the Premises, if the Operator is advised that the Director or the Designee has determined in his or her sole discretion that the seriousness of the incident justifies such immediate removal.

9.3 Uniforms. Operator shall at its expense furnish all of its personnel engaged in providing any of the Services with uniforms of the type and in sufficient quantity to satisfy Operator’s obligations under “EMPLOYEE UNIFORMS” on attached Exhibit “G”, and Operator at its
expense shall maintain all such uniforms in good condition. All uniforms shall be approved by the Aviation Security Manager and obtained from a vendor selected by the Operator and approved by the Aviation Security Manager. Operator agrees that each employee shall only use such approved uniforms.

9.4 Industry Operating Standards. Operator shall operate the Services in compliance with the highest industry operating standards.

10. PREMISES.

For the purpose of performing all duties and obligations required by the Agreement and for no other purpose, the Port shall allow Operator, as a licensee, and at no charge to Operator, to use an approximately 1,350 square foot modular office space at the Airport (the “Premises”), in a location to be determined by the Director. The Port reserves the right to terminate the license at any time and to relocate, from time to time and at the Port’s expense, the Operator to such other space or location at the Airport as determined by the Director. The license to use the Premises provided herein shall cease upon the expiration or earlier termination of this Agreement.

10.1 Maintenance. Operator shall provide, at its own expense, all custodial services, maintenance and repairs to the Premises and shall keep the Premises clean, attractive and in good repair and safe condition. The Port shall provide at its own expense all maintenance, repairs and replacement of the structural portion of the Premises, except with respect to damage resulting from negligence or willful misconduct of Operator, its officers, agents, employees, or contractors, in which case the cost of repair shall be borne by Operator. Operator shall have no obligation under this Agreement to make physical modifications to the Premises or other locations at the Airport where the Contract Security Services are to be performed to comply with applicable Laws (as defined in Section 24.1 below).

10.2 Safe and Sanitary Working Conditions. The Operator shall not permit any part of the Services to be performed under hazardous or dangerous conditions to its employees or the general public. Subject to the limitations in the last sentence of Section 10.1 above, the Operator shall comply with all Laws applicable to the Premises and all other locations from which any of the Services are performed. The Office Equipment shall remain the property of the Port. Any additional office equipment acquired by the Operator shall be at the sole expense and responsibility of the Operator, and Operator, at its expense, shall keep such additional office equipment in good repair. Operator shall provide all maintenance and repair of all Office Equipment provided by the Port to keep the Office Equipment in good repair. If the Office Equipment reaches the end of its useful life, then it will be replaced by the Operator, at its expense. The Operator shall be deemed to have abandoned to the Port any operating equipment, furniture and other trade fixtures which it has failed to remove within fifteen (15) calendar days after the expiration or earlier termination of this Agreement, unless the Director or the Designee shall grant additional time for this purpose in writing; provided, however, the Port, at its sole option, shall have the right to remove and store same after it is deemed abandoned and restore the area to satisfactory condition and hold the Operator liable for all costs incident to such removal, storage and restoration. In the event the Port removes such operating equipment, furniture and other trade fixture, the Port shall not sustain, be charged with, or incur any liability by reason of any damage to same or for such removal or custodial care.

10.8 Inspection. The Port and its Airport staff, including but not limited to administrative staff, facilities staff, custodial staff, Airport authorized persons, and the Port's agents, retain the right at the Port's sole discretion to enter the Premises for the examination and inspection of the area from time to time with reference to any emergency, or to the general maintenance of said area, or for the purposes of surveying or viewing the area for anticipated alterations or improvements, or any other purpose deemed necessary by the Port.

c) Operator shall not contaminate the Premises or any part of the Airport or other property of the Port, or their subsurfaces, with any Toxic Materials. Operator shall not cause or permit any Toxic Materials to be brought upon, remain, kept or used in or about the Premises or any part of the Airport or other property of the Port, by Operator, its agents, employees, contractors or invitees other than those kinds of materials that are normally used in performing the Services, ordinary office and janitorial supplies, and other materials used in the ordinary course of Operator's providing Services so long as such supplies, substances and automobiles and standard contents therein are stored, used and disposed of in accordance with the Environmental Laws.

d) Disposal of any Toxic Materials at the Airport is strictly prohibited. Storage of such permissible Toxic Materials is allowed only in accordance with all applicable Environmental Laws. All safety and monitoring features of any storage facilities shall be subject to the approval of the Port's Executive Director or the Director.

e) If Operator, or any of Operator's Representatives, or any other persons as a result of any of the foregoing parties' conduct of Operator's business, cause contamination or deterioration of water, soil or any portion of the Premises or any part of the Airport or other property of the Port on account of Toxic Materials or any release, spill, discharge, disposal, leak, leaching, migration or dispersal of Toxic Materials, (whether onto the Airport, the Premises or other properties of the Port or any other party, or into the city of Oakland's or Alameda's sewerage or storm drainage systems) ("Operator Release"), then Operator shall promptly take any and all action necessary to Clean-up such contamination or remediate such deterioration as required by the Environmental Laws, and to the reasonable satisfaction of Port. Operator shall take Clean-up actions on any portions of the properties of the Port only with the permission of the Port. In any case, Operator shall provide Port with written notification of all actions taken by Operator, its officers, agents, employees or contractors for the Clean-up.

f) In addition to all other rights and remedies of Port hereunder, if an Operator Release is not removed by Operator within 90 days after discovery by Operator, or within 90 days of written notice to Operator of its discovery by the Port or any other third party, or within such shorter period of time (including immediately) as Port may reasonably determine is necessary to prevent further damage or harm, Port may pay to have the same removed and
Operator shall reimburse Port for such costs within five days of Port’s written demand for payment.

g) In addition to Operator’s obligations to report spillage, discharge, release and disposal of Toxic Materials to local, state and federal agencies, Operator shall immediately provide Port with telephonic notice, which shall later be confirmed by written notice, of any and all spillage, discharge, release and disposal of Toxic Materials onto the Premises or by Operator or any of Operator’s Representatives within the Airport or other property of the Port, and any injuries or damages resulting directly or indirectly therefrom. Further, Operator shall deliver to Port each and every notice or order received from any governmental agencies concerning such Toxic Materials and the possession, use and/or disposal thereof promptly upon receipt of each such notice or order.

h) Operator shall at all times maintain with the Port and post in an appropriate location a complete copy of the “Oil & Hazardous Substances Spill Notifications” forms, as said form may be amended from time-to-time by the Port. Operator shall comply with all notification and procedural requirements for Port tenants set forth in the “Port Spill Plan,” and as said “Port Spill Plan” may be amended from time-to-time by the Port.

i) (i) Neither the Port nor any officer or employee thereof is responsible for any damage or liability occurring by reason of anything done or omitted to be done by Operator or Operator’s Representatives arising from or relating to Environmental Laws or Toxic Materials under this Agreement. It is understood and agreed that Operator shall be solely responsible for and shall fully indemnify, protect, defend (with counsel chosen by the Port) and hold harmless the Indemnitees from and against any and all claims, suits, actions, costs, expenses, penalties, fines, liabilities and losses of every name, kind and description, which arise during or after the Operating Term of this Agreement as a result of an Operator Release on the Airport during the term of this Agreement or the failure of Operator or Operator’s Representatives to comply with Operator’s obligations under this Section 12.2, or Operator’s responsibilities, if any, for pre-existing contamination as described in subsection 12.2(i) below, including, without limitation: (i) diminution in value of the Premises and of any other Port property; (ii) damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises (including, without limitation, deed restrictions), or any other Port property; (iii) damages arising from any adverse impact on marketing of space in the Premises or other Port property; (iv) increased costs of maintenance, construction, repairs or major improvements to the Premises, or any other Port property; (v) stigma damages; (vi) costs of any Response Action; (vii) claims asserted by any governmental entity acting or purportedly acting under any Environmental Laws; (viii) all orders and directives issued by a Governmental Authority pursuant to Environmental Laws; (vix) all Governmental Authority or third party claims or suits for injury to persons or to the environment (including, without limitation, any such claims, suits or actions brought for or on account of damage to or loss of property or injury as identified in Government Code Section 810.8) or failure to comply with Environmental Laws; (x) claims involving lost opportunities, lost profits, lost revenues, business interruption, increased operating expenses and any related damages, including any consequential or exemplary damages arising from or attributable to the requirements of Environmental Laws; and (xi) sums paid in settlement of claims, attorneys’ fees, consultant fees and expert fees, damages, injuries, causes of action, judgments, taxes and expenses (collectively referred to as “Indemnification Obligations”).

(ii) If the Port receives a notice of an event subject to the Indemnification Obligations hereunder, the Port shall, within a reasonable time, give notice to Operator, provided that the failure to do so shall not relieve Operator of any liability it may have to the
Port under this section. Upon receipt of such notice, Operator shall accept tender of defense of the Indemnification Obligations. The Port and Operator shall cooperate with each other in the defense of such Indemnification Obligations, including, without limitation, the tendering of claims to appropriate insurance carriers for defense and indemnity. Operator's Indemnification Obligations under this Section 12.2(i) shall commence no later than receipt by the Port or Operator or an Operator Representative of any notice of any claim whether by regulatory notice (which shall be deemed to include, without limitation, verbal or written notice by a governmental agency of an informational request, or to take any Response Action) or any other notice by a third party, threatened legal action, arbitration, mediation, administrative proceeding or lawsuit.

j) Operator shall, at its sole cost and expense, promptly undertake and complete any and all Response Action (i) within the Premises or other Port property resulting from an Operator Release (including migration through soil or groundwater) by Operator or Operator Representatives, (ii) within the Premises or any other Port property for all Toxic Materials present therein which are disturbed by Operator or Operator Representatives, to the extent the Response Action is required either by Environmental Laws, or by the specific needs of Operator's activities (such as, for example, where Environmental Laws might allow contaminated soils to remain on the Premises, but there is no available space within the Premises for that soil). Operator's acceptance of the Premises is in an "as-is, whereas" condition, with all faults, including preexisting contamination, if any, within the Premises and any other adjacent Port property for all Toxic Materials present therein which are disturbed by Operator or Operator Representatives in making any improvements to the Premises. Operator shall not be responsible for any Response Action with respect to any Toxic Material outside the Premises unless the Toxic Material was either disturbed or initially the result of an Operator Release by Operator or Operator Representatives. In addition, to the extent that any soils excavated, moved, stockpiled, or otherwise handled in the course of Operator's activities or construction on the Premises may be subject to Response Action, disposal or special handling restrictions under Environmental Laws due to contamination by Toxic Materials, Operator shall be responsible for such Response Action, handling and disposal of such soils in compliance with Environmental Laws. The cost of disposing of any Toxic Materials under this subsection, including, without limitation, any manifest costs (including the execution of hazardous waste manifests or other waste profile sheets as generator), taxes, landfill disposal fees, transportation taxes or fees, shall be paid by Operator. At Operator's sole cost and expense, Operator shall perform all Response Actions in compliance with all applicable Environmental Laws and to the satisfaction of the government agencies having jurisdiction over such Toxic Material or Response Action, but in all cases at least to standards appropriate for unrestricted commercial use; provided, however, that with respect to Operator Releases caused by Operator or Operator Representatives, in the event a future use of any Port property requires a Response Action to a higher standard, such as a unrestricted residential or public use, any such Response Action shall be at Operator's sole cost and expense. Operator shall take reasonable steps to obtain the approval of the Port, which approval shall not be unreasonably withheld, prior to undertaking any Response Actions; provided, however that Operator may perform Response Actions without Port approval (i) if so directed by a Governmental Authority with jurisdiction under any Environmental Laws or (ii) if Operator reasonably and in good faith believes that action is required by any Environmental Laws.

k) This Section 12.2 and the Operator's obligations thereunder shall survive the expiration or earlier termination of this Agreement.
12.3 Toxic Materials Reporting. Operator's obligation under this Agreement to immediately report to Port or to immediately provide Port with telephonic notice of any presence, spillage, discharge, release or disposal of Toxic Materials shall be made to the Port's Landside Operations Parking Coordinator during business hours of 8:30 A.M. to 5:00 P.M. Mondays through Fridays (except on Port-observed holidays) and to the Port's Airport Operations 24-hour telephone number at times on Mondays through Fridays other than during the business hours described above and at any time on weekends or on Port-observed holidays.

13. INSURANCE.

Operator shall comply with Exhibit "I", entitled INSURANCE REQUIREMENTS, which is attached to and made a part of the Agreement.

14. OPERATOR AN INDEPENDENT CONTRACTOR; WORKERS' COMPENSATION INSURANCE; PAYROLL TAXES.

Operator shall provide the Services hereunder as an independent contractor. Nothing contained herein is intended or shall be construed to make the Port and the Operator partners, joint venturers or joint employers, and employees of Operator shall not be considered agents or employees of the Port. Operator shall provide workers' compensation insurance as required by the laws of the State of California. Operator shall have the sole responsibility for paying the salaries, payroll taxes, contributions for unemployment insurance, and all other expenses relating to each employee of Operator.

15. PERFORMANCE BONDS.

15.1 Performance Bond. The Operator shall, prior to the Commencement Date, execute and deliver to the Port a Performance Bond, from a surety acceptable to the Port's Legal Department, substantially in the form attached to this Agreement as Exhibit "J", in the penal sum of Six Hundred Thousand Dollars ($600,000), and shall maintain such Performance Bond in effect during the Operating Term of this Agreement and for six (6) calendar months after the expiration or earlier termination of the Operating Term of this Agreement. The Performance Bond is intended to guarantee full performance by Operator of all of the Services, and of all other obligations by Operator in accordance with all terms and conditions of this Agreement. The Performance Bonds shall be subject to forfeiture in whole or in part in the event of failure of the Operator to fully perform under the Agreement, and in the event that the Port sustains any claims, debts, loss of service, loss of revenues or other costs or expenses as a result of such failure of the Operator to fully perform under the Agreement. The Operator acknowledges that the Performance Bond includes a general obligation to pay all claims or debts the Port incurs in connection with the Operator's performance of the Services and its other obligations under this Agreement.

16. ASSUMPTION OF RISKS; INDEMNIFICATION.

Operator agrees to voluntarily assume any and all risk of loss, damage, or injury to the person or property of Operator, its officers, agents, employees, contractors and invitees, which may occur in, on or about the Premises or the Airport at any time and in any manner, except to the extent such loss, injury, or damage is caused solely by the gross negligence or willful misconduct of Port, its agents, operators, employees, and officers.

16.1 Indemnification. Operator agrees to indemnify, defend and hold completely harmless Port (including, without limitation, members of Port's Board of Commissioners, and Port's agents, employees, representatives, contractors, directors and officers), from and against all liabilities, suits, claims, demands, judgments, damages, fines, penalties, costs and expenses (including all costs for
inquiry and defense thereof, including, but not limited to, court costs, expert fees and paralegal
and attorneys' fees prior to institution of legal proceedings and at both trial and appellate levels, and
in any mediation or arbitration agreed to by Port), which may be incurred by, charged to or recovered
from any of the foregoing indemnified parties (i) by reason or on account of damage to or destruction
of any property of Port (except as otherwise expressly provided by this Agreement), or any property
of, injury to or death of any person resulting from or arising out of Operator's performance of the
Services or its use, occupancy, maintenance or repair of the Premises or any improvements thereto,
or Operator's operations anywhere on the Airport, or the acts or omissions of Operator's officers,
agents, employees, contractors, subcontractors, invitees, vendors, suppliers or licensees, regardless of
where the damage, destruction, injury or death occurred, unless such liability, suit, claim, demand,
judgment, damage, fine, penalty, cost or expense was caused solely by Port's gross negligence or
willful misconduct, or (ii) arising out of any allegation that Operator, or the Port in concert with
Operator, has infringed on or violated any Federal, state, or common law patent, trademark,
copyright, or trade secret rights, or violated any Federal or state labor laws, or any Federal or state
laws governing consumer credit, credit cards, or the sale of abandoned property, or (iii) resulting
from or arising out of the failure of Operator to keep, observe or perform any of the covenants or
agreements in this Agreement to be kept, observed or performed by Operator. In carrying out its
obligations hereunder, Operator shall use counsel acceptable to Port Attorney.

The foregoing provisions of this Section 16.1 are not intended and shall not be construed to
limit in any manner whatsoever the protection or benefits to which Port otherwise would be entitled
as an additional insured under any liability insurance maintained or required to be maintained by
Operator under this Agreement.

The provisions of this Section 16.1 shall survive the expiration or earlier termination of the
Operating Term with respect to any acts or omissions occurring during the Operating Term.

16.2 Waiver By Port. The waiver by Port of any breach of any provision of this Agreement
shall not be deemed for any purpose to be a waiver of any other provision hereof, nor of any
continuing or any subsequent breach of the same or any other provision, nor shall any custom or
practice which may arise between the parties in the administration of any of the provisions of this
Agreement be construed to waive or to lessen the right of Port to insist upon the performance by
Operator in strict accordance with the provisions of this Agreement.

16.3 Waiver By Operator. As a material part of the consideration to be received by
Operator from Port under this Agreement, Operator waives any and all claims or causes of action
against Port, the Port's Commissioners and the Port's agents, employees, representatives,
contractors, directors and officers which Operator may now or hereafter have at any time for damage
to Operator's personal property located in, on or about the Premises or the Airport, and for injury to
or death of any person occurring in, on or about the Premises or the Airport from any cause arising
at any time, except to the extent that such damage, injury or death is directly caused solely by the
gross negligence or willful misconduct of the Port, its agents, operators, employees or officers.

17. RESERVED.

18. EQUAL OPPORTUNITY: NON-DISCRIMINATION.

During the Operating Term of this Agreement, the Operator, for itself, and its authorized
assignees and successors in interest, agrees as follows:
(1) In furtherance of the Port's long-standing policy to insure that equal employment opportunity is achieved and nondiscrimination is guaranteed in all Port-related activities, it is expressly understood and agreed with respect to Operator's activities upon the Airport:

a) That Operator shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, actual or perceived sexual orientation, national origin, age, physical handicap disability as set forth in the Americans with Disabilities Act of 1990, or veteran's status. Operator shall take affirmative action to ensure that applicants and employees are treated fairly. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Operator agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Port's Equal Opportunity Officer setting forth the provisions of this paragraph.

b) That Operator shall, in all solicitations or advertisements for employees placed by or on behalf of Operator, state that all qualified applicants will receive consideration for employment without regard race, color, religion, sex, actual or perceived sexual orientation, national origin, age, physical handicap disability as set forth in the Americans with Disabilities Act of 1990, or veteran's status.

c) That Operator will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the Port's Equal Opportunity Officer, advising the labor union or workers' representative of the Operator's commitments under this paragraph, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d) That Operator shall not discriminate by segregation or otherwise against any person or persons because of race, color, religion, sex, actual or perceived sexual orientation, age, national origin, physical handicap disability as set forth in the Americans with Disabilities Act of 1990, or veteran's status in furnishing, or by refusing to furnish, to such person or persons the use of any public facility upon the Airport, including any and all services, privileges, accommodations, and activities provided by Operator.

e) That Operator shall maintain work force records showing male, female and minority employees by job category and similar information with respect to new hires and shall permit the Port's Equal Employment Opportunity Officer to inspect such records at all reasonable times and not less than annually and shall submit a summary of such information annually on a form provided by the Port.

f) That if Operator has fifteen (15) or more employees, Operator shall within ninety (90) days of the effective date of this contract provide the Executive Director or his designee with a copy of affirmative action program, if any, as may be required by any appropriate federal or state agency, by the Port pursuant to any federal or state requirements, or as a result of a court ordered consent decree. Thereafter any change(s) in the Operator's affirmative action program shall be forwarded to the Port within thirty (30) days of its adoption. Such submissions shall be accorded the same level of confidentiality as provided for by the state or federal regulations or court order under which it was originally submitted.

g) That Operator's noncompliance with any of the provision of this Section 18(1) shall constitute a material breach of this Agreement. In the event of a breach of any of the
above-stated nondiscrimination and affirmative action covenants, the Port shall have the right to consider but not be limited to the following:

(1) Terminate this Agreement and to re-enter and possess the Premises and the facilities thereon, and to hold the same as if this Agreement had never been made without liability therefore; or

(2) Seek judicial enforcement of said covenants.

h) The Port shall assist Operator in preparing the required affirmative action program to secure equal employment opportunities, whenever such assistance would be beneficial and shall be available to advise and counsel Operator in the implementation of Operator’s Affirmative Action Program.

(2) Living Wage Requirements

On March 5, 2002, the voters in the City of Oakland passed Measure I, adding to the City Charter Section 728 (‘§728’) entitled “Living Wage and Labor Standards at Port-assisted Businesses.” §728 requires Port Aviation and Maritime businesses that meet specified minimum threshold requirements to pay all nonexempt employees a Living Wage rate established by City Ordinance and adjusted annually based on the Consumer Price Index for the San Francisco, Oakland and San Jose area. The current Living Wage rate as of July 1, 2014 is at least $12.27 with credit given to the employer for the provision to covered employees of health benefits, and $14.10 without credit for the provision of health benefits. Specifically, §728 applies to Port contractors and financial assistance recipients with the Aviation or Maritime divisions that have contracts worth more than $50,000 and that employ more than 20 employees who spend more than 25% of their time on Port-related work. §728 also provides covered employers with incentives to provide health benefits to employees, establishes a worker retention policy, requires covered employers to submit quarterly payroll reports and requires covered employers to allow Port representatives access to payroll records in order to monitor compliance and labor organization representatives access to workforces during non-work time and on non-work sites. Covered employers are responsible for complying with the provisions of §728 from the date the covered contract is entered into. When a contract is awarded, the contractor will be required to fill out an Employer Self Evaluation Form and Certificate of Compliance that may be obtained from the Port’s website at http://www.portofoakland.com/responsibility/ and return them to the Port’s Social Responsibility Division.

(3) Compliance with Regulations.

a) The Operator shall comply with the Regulations relative to nondiscrimination in federally assisted programs of the United States Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time (hereinafter referred to as the “Regulations”), which are herein incorporated by reference and made a part of this Agreement.

b) Nondiscrimination. The Operator, with regard to the work performed by it during the Agreement, shall not discriminate on the grounds of race, color, sex, creed, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Operator shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the Agreement covers a program set forth in Appendix A of the Regulations.
c) Solicitations for Subcontracts. Including Procurements of Materials and Equipment. In all solicitations either by competitive bidding or negotiation made by the Operator for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the Operator of the Operator's obligations under this Agreement and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

d) Information and Reports. The Operator shall provide all information and reports required by the Regulations or directives issued pursuant thereto and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Port or the Federal Aviation Administration ("FAA") to be pertinent to ascertain compliance with such Regulations, orders, and instructions. Where any information required of a Operator is in the exclusive possession of another who fails or refuses to furnish this information, the Operator shall so certify to the Port or the FAA, as appropriate, and shall set forth what efforts it has made to obtain the information.

(4) The Operator for itself, its successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that in the event facilities are constructed, maintained, or otherwise operated on the Premises for a purpose for which a DOT program or activity is extended or for another purpose involving the provision of similar services or benefits, the Operator shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to the Regulations.

(5) The Operator for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that: (i) no person on the grounds of any basis prohibited by state or federal law shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (ii) that in the construction of any improvements on, over, or under such Premises and the furnishing of services thereon, no person on the grounds of any basis prohibited by state or federal law shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (iii) that the Operator shall use the Premises in compliance with all other requirements imposed by or pursuant to the Regulations.

(6) The Operator assures that it will comply with pertinent statutes, Executive Orders and such rules as are promulgated to assure that no person shall, on the grounds of any basis prohibited by state or federal law be excluded from participating in any activity conducted with or benefiting from Federal assistance. This provision binds the Operator during the Operating Term of this Agreement.

(7) Should the Operator authorize another person, with Port's prior written consent, to provide services or benefits from the Premises or at the Airport, Operator shall obtain from such person a written agreement pursuant to which such person shall, with respect to the services or benefits which it is authorized to provide, undertake for itself the obligations contained in this Section 18. Operator shall furnish the original or a true copy of such agreement to Port. Port may from time to time be required by the United States Government, or one or more of its agencies, to adopt additional or amended provisions, including non-discrimination provisions, concerning the use and operation of the Airport, and Operator agrees that it will adopt any such requirement as a part of this Agreement.

(8) If Operator shall furnish any services to the public at the Airport, it shall furnish said services on a fair, equal and not unjustly discriminatory basis to all users thereof and shall charge fair, reasonable and not unjustly discriminatory prices for each unit of service, provided that
Operator shall be allowed to make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers, if any.

19. NON-DISCRIMINATION

Operator acknowledges that it has received and reviewed a copy of the most current version of the Port of Oakland’s Unlawful Harassment Policy and Procedures. The purpose of these procedures is to provide an effective and expedited system of resolving allegations of employment discrimination and prevention of unlawful harassment in the workplace. Operator shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, ancestry age (over 40), physical or mental disability, cancer-related medical condition, a known genetic pre-disposition to a disease or disorder, veteran status, marital status, or sexual orientation. Operator shall take affirmative action to ensure that applicants and employees are treated fairly. Such action shall include, but not be limited to the following: hiring, upgrading, recruitment, advertising, selection for training, including apprenticeship, demotion, transfer, compensation, lay-off or termination, or any other term or condition of employment.

20. REPRESENTATIONS, WARRANTIES AND COVENANTS.

Operator represents, warrants and covenants with respect to this Agreement and any amendment hereto (which representations and warranties shall be continuing during the Operating Term):

a) That all information submitted by Operator, its officers, agents, employees and contractors (the “Aforementioned Parties”) during the Port’s RFP process, or thereafter, upon request of Port, whether or not submitted by any of the Aforementioned Parties under a continuing obligation by the terms of this Agreement to do so, was true and correct at the time such information was submitted or made available to Port;

b) That none of the Aforementioned Parties has colluded, conspired, or agreed, directly or indirectly, with any person in regard to the terms and conditions of Operator’s response to the and Port’s RFP;

c) That Operator has the power and authority to enter into this Agreement with the Port and that the individual executing this Agreement is duly authorized to do so;

d) That none of the Aforementioned Parties has made an attempt to exert undue influence with the evaluation committee of the Port to award the Agreement for the Services to the Operator;

e) That there are no unresolved claims or disputes between Operator and Port; and

f) That Operator has furnished (and will furnish) true and accurate financial statements, records, reports, resolutions, certifications, and other information as may be requested of Operator by Port from time to time during the term of this Agreement.

21. TERMINATION.

21.1 Termination by Port. The Port may terminate this Agreement with or without cause at any time upon giving thirty (30) day’s prior written notice to Operator. Port may terminate this
Agreement immediately upon notice upon the happening of an Event of Default (as defined in Section 22.1), and such a termination shall be deemed a termination “for cause.”

21.2 Termination by Operator. Operator may terminate this Agreement without cause by giving to the Port at least one hundred eighty (180) day's prior written notice of termination, which notice may not be given earlier than the first anniversary of the Commencement Date.

21.3 Effect of Termination. At the termination date, the Operator shall immediately quit the assigned Premises and return the Office Equipment, any other Equipment provided by the Port, and any equipment purchased with Port funds or for which Operator has been reimbursed under this Agreement, to the Port in the condition required by this Agreement. If the Port elects to terminate this Agreement for cause, everything contained in this Agreement on the part of the Port to be done and performed shall cease without prejudice, subject, however, to the right of the Port to recover from the Operator all monetary damages or other relief that may be available to the Port arising out of any breach of this Agreement by Operator. Within sixty (60) days after the termination of this Agreement, the Port shall be obligated, subject to its set-off rights provided for in this Agreement, to pay all amounts owed to Operator under this Agreement to the termination date; provided, however, that the Port shall not be obligated to reimburse the Operator for Reimbursable Expenses if receipts for such expenses, in the form required by this Agreement, have not been received by Port within sixty (60) days after the termination date. If either party elects to terminate this Agreement as provided for herein based on the other party's material breach of this Agreement, the non-breaching party shall be entitled to damages as permitted by law or under this Agreement.

21.4 Removal from Premises. Upon expiration or termination of this Agreement, the Port may immediately or at any time thereafter, re-enter the Premises and remove the Operator, Operator's employees, agents, subcontractors, invitees and property from the Premises. The Port shall be entitled to the benefits of all provisions of law respecting speedy recovery of the Premises held over by the Operator. Any other notice to quit or other notice to permit Port to re-enter the Premises is hereby expressly waived by the Operator. The Port shall not be liable in any way in connection with any action it takes pursuant to this subsection. The Operator's liability shall survive the Port's re-entry, the institution of summary proceedings, and the issuance of any warrants with respect thereto.

22. DEFAULT, AND REMEDIES.

22.1 Events of Default. The occurrence of any of the following shall constitute an "Event of Default" or "Default" by Operator:

a) The failure to provide, voluntary abandonment, discontinuation, cessation or material deterioration of the Services during the Operating Term which, in the opinion of the Director or the Designee, results in the failure to provide Services of the duration, quality or standards required to be performed by the Operator under this Agreement, which failure is not cured within five (5) days after Port's written demand; provided, however, that if Operator has received three (3) notices under this subparagraph within a period of 180 days, commencing on the date of Operator's receipt of the first such notice, then Operator shall have no right to correct a failure described in any subsequent notice given by Port to Operator under this subparagraph within such 180 day period, even if all of the prior failures were corrected by Operator within the five (5) day cure period.

b) The filing by the Operator of a voluntary petition in bankruptcy, or failure by the Operator to lift any execution, garnishment or attachment, or to obtain the dismissal of a bankruptcy proceeding commenced involuntarily against the Operator within thirty (30) days.
after filing thereof or assignment by the Operator for the benefit of creditors, or the entry by the Operator into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Operator in any proceeding instituted under the provisions of the Federal Bankruptcy Act, as amended, or under any similar acts which may hereafter be enacted.

c) The occurrence of any act which results in the suspension or revocation of the rights, powers, licenses, permits and authorities necessary for Operator to conduct and operate the Services.

d) Receipt of more than ten (10) complaints within any twelve (12) month period concerning major service deficiencies in the Services, with the determination of a complaint being deemed a “major service deficiency” being in the sole discretion of the Port. Operator shall have the right to contest any complaint by providing to Port within five (5) days after being notified of the complaint such evidence as Operator may have to demonstrate that the complaint was not justified. The determination of whether a complaint was justified shall be in the sole discretion of the Port.

e) The filing of any lien or sequestration or attachment of or execution or other levy on Operator’s interest in this Agreement, the Premises or on Operator’s equipment, if any, located on the Airport and Operator fails to obtain a release of such interest or property within thirty (30) days after the filing or attachment, or prior to sale pursuant to such levy, whichever first occurs.

f) The Director’s or the Designee’s determination that there is a reasonable probability that Operator’s financial condition is impaired and Operator cannot provide adequate assurances that any conditions giving rise to the impairment of financial condition can be removed within thirty (30) days of receipt of Port’s demand for same.

g) Failure to obtain and maintain in effect any of the insurance referenced in Sections 13 or 14 or the bond required under Section 15.

h) If any of the representations or warranties contained in Section 20 are untrue in any material respect, or if Operator breaches any of its covenants contained in Section 21.

i) Any transfer or assignment of this Agreement or subcontracting of any of the Services other than in compliance with Section 24.

j) Breach of or failure to comply with Operator’s obligations contained in Section 23.1, Section 28 or Section 32.

k) Any breach or failure described as an Event of Default or Default by any provision of this Agreement other than this Section 22.1.

l) Failure by the Operator to observe or perform any covenant, condition or agreement on its part to be observed or performed under this Agreement, other than those specifically referred to above in this subsection 23.1, for a period of fifteen (15) calendar days after written notice specifying such failure and requesting that it be remedied has been given to the Operator by the Port; provided, however, such failure shall not constitute an Event of Default hereunder if such failure stated in the notice can be corrected, but not within the applicable period, and corrective action is instituted by the Operator within the applicable period and diligently pursued until such failure is corrected, provided that if the cure period
is longer than thirty (30) calendar days after the date of such written notice, the Operator shall obtain the prior written consent of the Port.

22.2 Remedies For Default. Upon the occurrence of an Event of Default, Port shall have the following rights and remedies, in addition to all other rights and remedies provided in this Agreement or by law, to which Port may resort cumulatively or in the alternative, and Port may assert them against the Operator and/or any general partner or joint venture partner, jointly and severally:

a) The Port may enter into a new agreement with another operator that will occupy the Premises for all or any part of the unexpired portion of the Operating Term of this Agreement in which event Operator shall be liable in addition to accrued liability hereunder, for the difference between the payments the Port is obligated to pay the new operator and the payments the Port would have been obligated to pay the Operator under this Agreement for the unexpired portion of the Operating Term (not to exceed the notice period required for the Operator to terminate this Agreement without cause pursuant to Section 22.2 above). The Port has the sole and absolute discretion with respect to the selection of a new operator and the use of the Premises.

b) In the Event of Default under this Agreement, the Port may, after providing written notice to the Operator of the Event of Default, cure the default at any time through any action deemed appropriate by the Port for the account and at the expense of the Operator. The Operator shall reimburse the Port for any amounts expended by the Port in connection with the cure, together with interest thereon for each day from the date of advance by Port until paid by Operator at the rate of five one hundredths percent (.05%), but not to exceed the maximum rate of interest permitted by law, and any penalties thereon as may be established by Port ordinance. Such cure shall not constitute a waiver of the Port’s rights with respect to that or any other Event of Default, unless otherwise expressly stated in writing by the Port.

c) The Operator shall pay the Port such sums as the court which has jurisdiction thereover may adjudge as reasonable attorney’s fees with respect to any lawsuit or action instituted by the Port to enforce the provisions of the Agreement in which the Port is the substantially prevailing party.

The Port shall not be liable for any damage, including, but not limited to, loss of profit and the Operator shall not make a claim of any kind whatsoever against the Port, its agents or representatives, by reason of any action taken pursuant to this Section 22.

At Port’s election, Port may keep this Agreement in effect and enforce all of its right and remedies under this Agreement, including the right to withhold compensation and other fees as they become due, and at Port’s option, but without any obligation to do so (implied from any of its obligation under this Agreement), Port may, after first giving Operator written notice as provided in Section 22.2(b) above, make such payment or perform such other act to the extent Port may deem appropriate. All sums so paid by Port and all costs in connection therewith shall be due and payable by Operator to Port (except where otherwise expressly provided in this Agreement) within ten (10) days of Port’s written demand for payment of same, together with interest and penalties thereon from date of advance by Port at the rate provided in Section 22.2(b) above, plus costs as may be awarded by a court of competent jurisdiction.

Port shall not be liable to Operator for any damage to, or for any diminution or deprivation of Operator’s rights hereunder on account of the exercise of any authority granted to Port in this
Agreement. Operator shall be liable to the Port for the Port's expense for re-entering or repossessing the Premises, and making any necessary repairs to the Premises, for all of the expenses to obtain a new operator and for the costs of operating or engaging a third party to operate the Services for the unexpired portion of the Operating Term (not to exceed the notice period required for the Operator to terminate this Agreement without cause pursuant to Section 21.2 above) to the extent such costs exceed the expenses that would have been paid had the Operator not defaulted.

22.3 Act of Termination. In the event Operator ceases to provide the Services at the Airport, this Agreement shall not terminate, unless Port gives Operator written notice of its election to terminate this Agreement. No act by or on behalf of Port intended to mitigate the adverse effect of such breach shall constitute a termination of Operator's obligation to render Services hereunder and use the Premises, unless Port gives Operator written notice of termination.

23. **COMPLIANCE WITH LAWS, RULES, POLICIES AND REGULATIONS.**

23.1 Agreement to Comply. Operator covenants and agrees to observe and comply with (and to cause any assignee or subcontractor authorized under Section 24 below to comply with) all present and future Laws (as hereafter defined), subject to the limitations in the last sentence of Section 10.1 above, and all rules, regulations and policies of Port, including without limitation, all safety, security and operations directives of the Director or the Designee, which now exist or may hereafter be promulgated from time to time governing conduct on and operations at the Airport or the use of facilities at the Airport (hereafter collectively the “Airport Rules, Policies and Regulations”). The Port shall not have any duty or obligation to Operator to enforce the Airport Rules, Policies and Regulations or the terms and conditions in any permit, lease or other agreement against any third party, and the Port shall not be liable to Operator for violations of same by third parties, their employees, contractors, agents, invitees or licensees. Operator further covenants and agrees to observe and comply with (and to cause all of its assignees or subcontractors authorized under Section 24 below to comply with) any and all valid and applicable requirements of all duly-constituted public authorities (including, without limitation, the Department of Transportation, the Department of Homeland Security, the Federal Aviation Administration, and the Transportation Security Administration). Operator agrees to pay or reimburse Port for any civil penalties or fines which may be assessed against Port as a result of the violation by Operator or any such assignee or subcontractor of any of the foregoing requirements, which payment shall be made by Operator within fifteen (15) days from receipt of Port's invoice for such amount and documentation showing that payment of such penalty or fine is Operator's responsibility hereunder. Operator shall not be obligated to make a payment to Port under this Section 23.1 if such payment would duplicate a payment for the same violation that has already been made by Operator to the Port under Section 32.1(a) below.

As used in this Agreement, “Laws” shall mean all present and future federal, state and local statutes, ordinances and regulations and Port ordinances and regulations applicable to Operator, the Premises, the Services or the Airport and judicial interpretations thereof, including but not limited to, the security mandates, rules, regulations and badging requirements referenced in Section 32.1 below, the Americans with Disabilities Act of 1990, all acts and regulations relating in any way to worker's compensation, sales and use tax, social security, unemployment insurance, hours of labor and overtime, wages, working conditions, the Immigration Reform and Control Act of 1986, Section 7583 of the California Business and Professional Code, the Charter of the City (including without limitation Section 728 entitled “Living Wage and Labor Standards at Port-Assisted Businesses”), the Oakland Municipal Code (including without limitation Section 5.52 thereof), all Environmental Laws (as defined in Section 12.2(a)(2) above, and the Airport Rules, Policies and Regulations (as defined in this Section 23.1).
If Operator fails to comply with any applicable Laws, the Port may suspend this Agreement until compliance is attained or may perform the Services, including without limitation, the functions of the Supervisor, with its own forces or with hired personnel, and may deduct the cost of these Services from monies otherwise due Operator under the terms of this Agreement. The Port will determine in its reasonable discretion whether Operator has complied with its obligations under this Section 23 and under Section 32 below, and whether the Port will provide Services in lieu of Operator. Operator shall also be subject to any Administrative Fees levied against the Port as a result of Operator's failure to comply with its obligations under this Section 24 or under Section 33 below.

23.2 Private Patrol License
Throughout the Operating Term, Operator must possess a current Private Patrol Operations License (PPO) issued by the State of California through the Department of Consumer Affairs, Bureau of Security and Investigative Services. Upon request by the Port, Operator will submit a copy of such license to the Port.

24. TRANSFER AND ASSIGNMENT.

24.1 Assignment or Subcontracting. Operator shall not sell, assign or transfer this Agreement or any of its rights and obligations hereunder or permit any such sale, assignment or transfer to occur by operation of law, or subcontract for the performance of any of the Services to be provided by it hereunder, without the Port's prior written approval, which approval must be evidenced by resolution adopted by the Board of Port Commissioners and may be granted or withheld by Port in the exercise of its sole discretion and subject to payment by Operator of all administrative expenses incurred by the Port for the processing of such assignment or transfer.

24.2 Transfer of Control. For purposes of Section 24.1 above, an assignment shall include a Change in Control. A Change in Control means whether accomplished through a single transaction or a series of related or unrelated transactions and whether accomplished directly or indirectly, either (a) a change in ownership, as compared to the ownership as of the date of the Agreement, so that 50% or more of the direct or indirect voting or economic interests of the Operator is transferred to another person or group of persons, (b) the power directly or indirectly to direct or cause the direction of management, operations, controls and policy of the Operator, whether through ownership of voting securities, by contract, management agreement or common directors, officers or trustees or otherwise, is transferred to another person or group of persons, or (c) the merger, consolidation, amalgamation, business combination or sale of substantially all of the assets of the Operator.

25. JOINT AND SEVERAL LIABILITY.

The obligations and liabilities of the Operator and its general partners or joint venture partners under or arising under this Agreement are joint and several.

26. GOVERNING LAW.

The Port and the Operator agree that the law governing this Agreement shall be that of the State of California.

27. FEES AND TAXES.

Operator agrees timely to pay all applicable fees, taxes, and other charges levied by any governmental entity upon any right or interest granted to Operator by this Agreement or upon the
exercise of any such right or interest, including the City of Oakland business licensing fees and taxes, if applicable. In the event that any provision of this Agreement causes the imposition of a possessory interest tax, Operator shall immediately notify the Director and provide a copy of all documents received by the Operator relative to such impositions. The Port agrees to pay on behalf of Operator whatever possessory interest tax may be imposed, provided, however, that the Port reserves the right to challenge the imposition of such a possessory interest tax. Operator agrees to reasonably cooperate with the Port in making necessary investigations and in preparing and presenting necessary documentary and oral evidence in connection with whatever challenge to such tax imposition the Port may deem appropriate.

28. **COVENANT AGAINST CONTINGENT FEES: IMPROPER INFLUENCE.**

Operator warrants that no person or agent has been employed or retained to solicit or obtain the Agreement upon an agreement or understanding for a contingent fee, except a bona fide employee or agency of Operator. For breach or violation of this warranty, the Port, as its option, may deduct from the Management Fee or payment of Reimbursable Expenses or otherwise recover from Operator, the full amount of the contingent fee, or may exercise any other legal or equitable remedy available to it.

Operator warrants that neither Operator nor any person nor agent acting on Operator’s behalf shall exert improper influence to solicit or obtain Port contracts. In addition Operator warrants that: neither Operator nor any person nor agent acting on Operator’s behalf shall exert improper influence to extend or prevent termination of this Agreement. “Improper influence”, as used in this Section, means any influence that induces or tends to induce a Port Commissioner, employee or officer to give consideration or to act as an agent regarding a Port contract, including this Agreement, on any basis other than the merits of the matter.

Operator’s breach of any of its obligations under this Section 28 shall constitute an Event of Default and may result in any or all of the following:

(i) Port’s immediate termination of this Agreement, and

(ii) an assessment of an Administrative Fee as specified in Exhibit "D".

“Bona fide agency,” as used in this Section means an established commercial or selling agency, retained by Operator for the purpose of securing business, that neither exerts nor proposes to exert improper influence to solicit or obtain Port contracts nor holds itself out as being able to obtain any Port contract or contracts through improper influence.

“Bona fide employee,” as used in this Section, means a person, employed by Operator and subject to Operator’s supervision and control as to time, place, and manner of performance, who neither exerts nor proposes to exert improper influence to solicit or obtain Port contracts nor holds himself or herself out as being able to obtain any Port contract or contracts through improper influence.

“Contingent fee,” as used in this Section, means any commission, percentage, brokerage, or other fee that is contingent upon the success that a person or concern has in securing a Port contract.

“Improper influence,” as used in this Section, means any influence that induces or tends to induce a Port Commissioner, employee or officer to give consideration or to act as an agent regarding a Port contract on any basis other than the merits of the matter.
CONSENTS AND APPROVALS: NOTICES.

All consents or approvals provided for in this Agreement must be contained in writing signed by the party giving such consent or approval.

It is understood that Operator shall take such steps as Operator may consider necessary to protect Operator's trade equipment and other personal property from any damage that may be caused to same in the event of any failure or interruption of such utility service. Whenever the Port shall find it necessary for the purpose of making repairs or improvements to any utility supply system it shall maintain, it shall have the right to suspend temporarily the delivery of gas, electricity, water or other utility service, or any thereof, but in all such cases (except in the event of an emergency) reasonable notice of such suspension will be given to Operator.

The procedures determined by the Port to be necessary to comply with such security mandates and other governmental or administrative requirements will be delivered in writing by the Director or the Designee to one of Operator’s Supervisors, with a copy of such procedures delivered to Operator pursuant to Section 29 above. The Operator shall acknowledge receipt of such procedures in writing, but Operator’s failure to do so shall not release Operator from its obligations under this Section 32.1. The Operator and the Operator’s agents, employees, representatives and subcontractors shall be responsible for full compliance with all procedures so delivered and the current procedures shall constitute a part of this Agreement. Such procedures are subject to change without notice other than the delivery thereof to one of Operator’s Supervisors in accordance with the provisions of this Section 32.1, and Operator shall immediately comply with such procedures.

a) Operator shall reimburse the Port within fifteen (15) days from receipt of Port’s invoice for the amount of any civil penalty or fine that may be assessed against the Port by any governmental agency for a violation that arises out of Operator’s failure to comply with its obligations under this Section 32.1. Operator shall not be obligated to make a payment to Port under this Section 32.1(a) if such payment would duplicate a payment for the same violation that has already been made by Operator to the Port under Section 24.1 above.

b) Failure of Operator to fully perform in accordance with this Section 32.1 shall constitute breach of this Agreement, in which event the Port may, at its sole option, immediately terminate the Agreement for cause.

32.2 Badging Requirements

a) Operator shall comply with all Port, FAA, TSA, and CBP regulations governing airport security, including but not limited to special badging requirements and background checks, and acknowledges that the Port is prohibited by federal law from issuing an Airport Security Badge to an individual who has a disqualifying criminal offense described in 49 CFR 1542.209(d);

b) Airport Security Badges will be issued only after the badge applicant’s STA has been approved by TSA. The Airport Security Badge applicant’s identity and employment eligibility will be determined by the TSA, based upon documentation in the form specified by the TSA;

c) Operator shall ensure that its employees, agents, subcontractors, suppliers or other invitees obtain the appropriate Airport Security Badge and wear it at all times when they are engaged in work at the Airport. The Airport Security Badge shall be worn above the waist and in plain view of those interacting with the employee. Operator
shall ensure that any Airport Security Badge provided by the Port is returned promptly when the person to whom the Airport Security Badge was provided leaves Operator's employment or no longer engages in work under this Agreement at the Airport for Operator. Operator shall be responsible for any charge or fine imposed by the Port or any government authority if the Airport Security Badge is not promptly returned;

d) Operator shall obtain and thoroughly review all Airport Security Badging requirements and the Airport Rules, Policies and Regulations pertaining to security badging and airport security before commencing any work under this Agreement. Copies of security and badging information and the Airport Rules, Policies and Regulations are available from the Port upon request. Operator shall warrant and ensure that any person that receives an Airport Security Badge complies with all of the requirements for having an Airport Security Badge;

e) Operator shall return all Airport Security Badges to the Airport Badging Office and obtain a receipt for their return once an employee is no longer employed by Operator. At the request of the Airport Security Manager, Operator shall also submit a copy of the receipt to the Airport Security Manager; and

f) Upon expiration or earlier termination of this Agreement, Five Hundred Dollars ($500.00) will be deducted from the Port's final payment to Operator for each Airport Security Badge not returned to the Airport's Badging Office.

Operator shall comply with Exhibit "K", entitled NON-DISCRIMINATION PLAN FOR EMPLOYMENT, which is attached to and made a part of this Agreement.

34. SAFETY ACT CERTIFICATION

Operator has submitted a copy of its Safety Act Certificate in connection with its proposal in the RFP. Upon request by the Port, Operator will provide a copy of its Safety Act Certificate to the Port.

35. MISCELLANEOUS.

All articles found by the Operator, its agents or employees, or which are found by patrons and given to the Operator, shall be turned over to the Airport Lost and Found Department as lost and found items. The Operator, its agents and employees shall have no right to reclaim said articles. Lost and found articles while in possession of the Operator, its agents and employees, that cannot be accounted for, will be reimbursed by Operator to the Port at the fair market value of the articles, as reasonably determined by the Port, or replaced at the Operator's sole expense.

35.2 Entire Agreement; Amendments; Conflict with Exhibits. This Agreement, together with the exhibits and attachments hereto, which are hereby incorporated into this Agreement by this reference, constitutes the entire agreement between the parties with respect to the subject matter hereof, and any prior agreements, representations or statements made with respect to such subject matter, whether oral or written, and any contemporaneous oral agreements, representations or statements made with respect to such subject matter are merged herein. Except as otherwise specifically provided in this Agreement, this Agreement may be altered or amended only by written
instrument executed by all of the parties hereto. In the event of an express conflict between an Exhibit to this Agreement and this Agreement, the provisions of this Agreement shall prevail.

35.3 Waiver and Severability. The failure of either party to require performance by the other party of any provision hereof shall not affect the full right to require such performance at any time thereafter; nor shall the waiver by either party of a breach of any provision hereof be taken or held to be a waiver of the provision itself. In the event that any provision of this Agreement shall be unenforceable or invalid under any applicable law or be so held by applicable court decision, such enforceability or invalidity shall not render this Agreement unenforceable or invalid as a whole, and in such event, such provision shall be changed and interpreted so as to best accomplish the objectives of such provisions within the limits of applicable law or applicable court decisions.

35.4 Jurisdiction and Venue.

a) Operator hereby consents to the jurisdiction of the State of California Superior Court of the County of Alameda and of the Federal District Court for the Northern District of California with respect to any action instituted by Port and arising against Operator under this Agreement, and waives any objection which it may have at any time to the laying of venue of any such action brought in any such court, waives any claim that such action has been brought in an inconvenient forum and further waives the right to object, with respect to such action, that such court does not have any jurisdiction over Operator. Operator further irrevocably consents to the service of process by certified or registered mail (airmail if overseas) or the equivalent (return receipt requested), or the service of process in any other manner permitted by law, in any action instituted by Port and arising against Operator under this Agreement. Port agrees to serve such process on Operator's registered agent under California law if the name and address of Operator's current registered agent in California has been provided to Port in advance and in writing.

b) In addition to the foregoing, pursuant to California Code of Civil Procedure, Section 416.10, Operator hereby designates the following person as its agent for service of process:

35.5 Headings. The article and section headings herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision of this Agreement.

Neither party shall be liable by reason of any failure or delay in the performance of its obligations hereunder on account of strikes, except for strikes by its own employees, riots, insurrections, fires, floods, storms, explosions, earthquakes, acts of God, war, terrorist attacks, governmental action (unless arising out of a party's breach of applicable Laws), or any other similar cause that is beyond the reasonable control of such party, or if such failure or delay
was caused by the other party's failure to fulfill its obligations under this Agreement ("Force Majeure"). If any event of Force Majeure occurs, the party delayed or unable to perform shall give immediate notice to the other party and shall re-commence performance at the earliest possible time.

35.10 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Any counterpart of this Agreement shall be validly and effectively delivered if delivered by telefacsimile transmission.
