

PORT OF OAKLAND

April 30, 2018

**REQUEST FOR QUALIFICATIONS
FOR ENGINEERING DESIGN SERVICES
AIRPORT CAPITAL IMPROVEMENT PROGRAM
PAVEMENT REHABILITATION PROJECTS,
OAKLAND INTERNATIONAL AIRPORT**

The Port of Oakland ("Port") is soliciting Statements of Qualifications (SOQ) from qualified consultants for engineering design services for the pavement rehabilitation projects identified in the Port's five-year Airport Capital Improvement Program (ACIP) at Oakland International Airport (OAK, or Airport) and landside paving projects identified in the Port Capital Improvement Program. The Port invites qualified consulting firms to submit an SOQ in response to this Request for Qualifications (RFQ). The Port intends to enter into one contract for design services for all of the pavement rehabilitation projects identified in the ACIP for the five-year period commencing July 2018.

Federal Aviation Administration (FAA) Requirements: Consultant(s) will be selected and engaged in accordance with FAA Advisory Circular (AC) 150/5100-14E, Change 1, dated 9/25/2015, "Architectural, Engineering, and Planning Consultant Services for Airport Grant Projects". All work will be required to comply with FAA grant assurances, requirements and regulations.

The Request for Qualifications (RFQ) is available for download in PDF format at a hosting website that can be accessed via the 'Current RFPs/RFQs: Port of Oakland Engineering Department' link at the following URL: <http://www.portofoakland.com/business/bids-rfps/>.

Consultants interested in submitting an SOQ for this work are invited to attend the Pre-Proposal Meeting scheduled as follows:

3:00 pm on Wednesday, May 9, 2018
Exhibit Room, 1st floor
Port of Oakland Building
530 Water Street
Oakland, California

At the Pre-Submittal Meeting, the Port will provide information related to the Port's insurance requirements and Disadvantaged Business Enterprise (DBE) Program, and will answer questions regarding the proposed project, submittal requirements and the selection process.

SOQs will be received until 3:00 P.M. on Wednesday, May 30, 2018. Please refer to the RFQ for other applicable details.

Sincerely,

Chris Chan
Director of Engineering
