**REQUEST FOR QUALIFICATIONS  
DESIGN SERVICES FOR SANITARY SEWER LIFT STATIONS  
AND PIPELINE REHABILITATION**

The Port of Oakland (“Port”) is soliciting Statements of Qualifications (SOQ) from qualified consultants for design services for the construction of various sanitary sewer system facilities at the Oakland International Airport (OAK). The selected Consultant/Team will prepare construction documents suitable for Public Works competitive bidding for the sanitary sewer rehabilitation projects identified in the Port 5-year (FY18 to FY22) Capital Improvement Program (CIP). The selected Consultant will be tasked on an annual basis to perform all design services needed to prepare Construction Documents for the sewer rehabilitation projects identified for completion in that fiscal year. The total compensation for the sanitary sewer system design services shall not exceed \$3,000,000 over the five-year term of the contract.

The Request for Qualifications (RFQ) is available for download in PDF format at a hosting website that can be accessed via the ‘Current RFPs/RFQs: Port of Oakland Engineering Department’ link at the following URL: <http://www.portofoakland.com/business/bids-rfps/>.

Consultants interested in submitting an SOQ for this work are invited to attend the Pre-Proposal Meeting scheduled as follows:

**10:00 am on Tuesday, May 8, 2018**  
**Exhibit Room, 1st floor**  
Port of Oakland Building  
530 Water Street  
Oakland, California

At the Pre-Submittal Meeting, the Port will provide information related to the Port’s insurance requirements and Non-Discrimination and Small/Local Business Utilization Policy, and will answer questions regarding the proposed project, submittal requirements and the selection process.

SOQs will be received until 2:00 P.M. on Wednesday, May 23, 2018. Please refer to the RFQ for other applicable details.

Sincerely,

Chris Chan  
Director of Engineering
