**REQUEST FOR PROPOSALS
PROFESSIONAL SERVICES SUPPORT FOR MAINTENANCE DREDGING
PORT OF OAKLAND**

The Port of Oakland is soliciting Proposals from qualified firms to undertake the work of the Port's Professional Services Support for Maintenance Dredging. Please note that this is a re-issue with revisions of an RFP initially issued in October 2017 for the same scope of work. If you are interested in submitting a Proposal for this work, please register as a document holder online and download the RFP after December 1. The registration and download pages may be accessed via the following URL:

<http://www.portoakland.com/business/bids-rfps/rfq-engineering/>

The Port invites all consultants interested in submitting proposals for this work to attend a pre-proposal meeting scheduled as follows:

9:30am on Friday, December 8, 2017

Board Room

Port of Oakland Building
530 Water Street
Oakland, California

The Port will provide information related to the Port's insurance requirements, Non-Discrimination and Small/Local Business Utilization Policy, and answer questions regarding the proposed project, submittal requirements and the selection process.

Please refer to the RFP upon receipt for other applicable details. Direct all inquiries to Edwin Draper by email at edraper@portoakland.com.

If you need assistance in downloading the RFP, please contact Bill Russell at (510) 627-1439 or at brussell@portoakland.com.

Sincerely,

CC Chris Chan
Director of Engineering/Chief Engineer
