City Building Permits

Energy efficiency projects may require city permits. Prior to beginning work, contact the Port of Oakland Building Services Department at 510-444-2489.

Upon signing this agreement, customer acknowledges the following:

Port of Oakland Electric Department reserves the right to inspect completed work and installed product(s). Rebate(s) will be paid only on work that meets Port of Oakland specifications. Customer certifies that they are familiar with, and agree to, the standards regarding this program. Port of Oakland disclaims any warranty, whether expressed or implied, for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with use. Port of Oakland will not accept any liability resulting from participation in this program. This rebate offer may be changed or discontinued at any time by Port of Oakland.

I understand the above and certify that I am a customer of Port of Oakland, that the product(s) are installed and operating at the location indicated and that this address is within Port of Oakland service territory.
