**REQUEST FOR PROPOSALS  
ON-CALL ASBESTOS AND LEAD PAINT CONSULTING SERVICES**

The Port of Oakland (Port) is soliciting proposals from qualified consultants for “on-call” asbestos and lead paint consulting services on an as-needed basis, in support of the Port’s Environmental Programs and Planning Division. The Port’s most common asbestos and lead-based paint projects include maintenance operations, renovation, demolition, and abatement oversight within the Port area. Qualified consulting firms are invited to submit proposals in response to this RFP. The Port intends to enter into no more than three contracts. These on-call services contracts will have a term of 3 years. The selected consultants are expected to be under contract with the Port by November 2019.

The Request for Proposals (RFP) is available for download in PDF format at a hosting website that can be accessed via the ‘Current RFPs/RFQs: Port of Oakland Engineering Department’ link at the following URL: <http://www.portofoakland.com/business/bids-rfps/rfq-engineering/>.

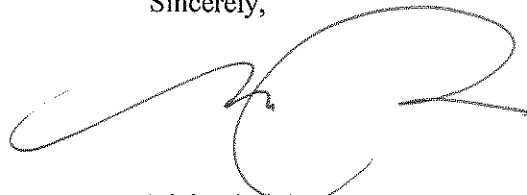

Consultants interested in submitting a proposal for this work are invited to attend the Pre-Proposal Meeting scheduled as follows:

10:00 a.m. on Monday, June 24, 2019  
2<sup>nd</sup> Floor, Board Room  
Port of Oakland Building  
530 Water Street, Oakland, CA

At this meeting, the Port will provide information related to the Port’s insurance requirements, Disadvantaged Business Enterprise (DBE) Program and will answer questions regarding the proposed project, submittal requirements and the selection process.

Proposals will be received until 12:00 noon on Thursday, July 11, 2019. Please refer to the RFP for other applicable details.

Sincerely,

A handwritten signature in black ink, appearing to read 'Richard Sinkoff', written over a large, stylized circular flourish.

Richard Sinkoff  
Director of Environmental Programs and Planning
