I. Project Overview

In existence since 2000, the Maritime and Aviation Project Labor Agreement (MAPLA) continues to address several important issues for the Port: first and foremost, it promotes project labor stability through labor peace; second, it facilitates the employment of local residents; and, third, it supports the implementation of the Port’s small local business utilization program through the inclusion of small businesses. The Port is seeking an experienced contractor/consultant to administer, monitor, and enforce its MAPLA program.

On January 28, 2016, the Board of Port Commissioners approved a revised MAPLA for a term of five (5) years, effective February 1, 2016 and set to expire on January 31, 2021, which term may be extended for an additional five years subject to Board approval.

The revised MAPLA covers all construction work contracts that appear in the Port’s Capital Improvement Program (CIP) list for the Aviation and Maritime Division that have an estimated cost that exceeds $150,000 and for which invitations or solicitations for bids or proposals have been made. It will also cover a contract between a Port tenant in the Aviation and Maritime areas and a contractor that exceeds $150,000 and for which the Port issues a building permit. MAPLA coverage also includes particular instances of on-call contracts and the construction portion of hybrid professional services contracts. Projects under the Commercial Real Estate Division are not covered under the MAPLA. The Port’s CIP for the next five (5) years (not including any Commercial Real Estate department projects) is estimated to be $505 million, of which $379 million is attributable to airport projects and $126 million to seaport projects.

MAPLA not only secures labor peace for the covered projects but also supports opportunities in construction for historically disadvantaged members of the community supporting the employment of local residents and an implementation of a small local business utilization program through the inclusion of a small business exemption. The Social Responsibility Division, in partnership with the Engineering Division, oversees the following primary elements of the MAPLA and its Social Justice Program:

- Local Impact Area (LIA) and Local Business Area (LBA) agreements to increase opportunities for local workers
- The Social Justice Trust Fund
- The Social Justice Committee
- The MAPLA Small Business Enterprise Program (MSBE)
- Construction Trucking (on- and off- site hauling)

MAPLA projects are monitored and enforced with the following requirements:

- **Local Hiring Goals:**
  - 50% of the total hours must be worked by residents of the LIA, which includes Oakland, Alameda, San Leandro and Emeryville.
  - 20% of labor hours, on a craft by craft basis, must be worked by LIA apprentices.
  - 25% of all apprentice hours shall be performed by Disadvantaged Workers who meet at least one of the barriers of employment set forth in Section 1.8 of the MAPLA Agreement.
  - Local Business Area residents from Alameda and Contra Costa counties are to work to fulfill these goals when LIA residents are not available.
  - General Contractor and/or its subcontractor must hire at least one (1) additional new hire apprentice (NHA) for the first $1 million of construction bid value. For each additional $5 million (beyond the first million), at least one (1) additional NHA shall be hired. Each NHA must work at least 500 hours.

- **Social Justice:** The Social Justice Trust Fund makes grants to programs to reduce barriers for local residents working in construction. The program earns funds through the $0.30 contractor contributions per every craft hour worked by their employees on MAPLA projects.
The Social Justice Committee, a partnership of community, labor and contractors, meets regularly regarding compliance with local hiring goals and social justice trust fund contributions.

- **Small Business Exemption:** The MAPLA Agreement also provides flexibility for small and non-union contractors. A Small Business Exemption Program allows small businesses to work on designated MAPLA projects to be exempt from having to meet workforce and other MAPLA requirements while enjoying the no-strike protections of the Agreement.

- **Monitoring Construction Trucking:** Construction Trucking covers both on- and off-site hauling to the fullest extent and only as provided by law and the prevailing wage determinations of the California Department of Industrial Relations.

The text of the entire MAPLA may be found at: [http://www.portofoakland.com/files/PDF/MAPLA_Agreement_2016.pdf](http://www.portofoakland.com/files/PDF/MAPLA_Agreement_2016.pdf)

III. Port Policy and Other Requirements

The selected Respondent will be required to comply with the following Port Policy and Other Requirements:

1. Non-Discrimination and Small Local Business Utilization Policy (NDSLBUP):

The Port desires to maximize the participation of small local business and has instituted a Non-Discrimination and Small Local Business Utilization Policy (NDSLBUP). The NDSLBUP consists of two parts:

- Non-Discrimination policy which all Suppliers (Respondents) must adhere to, by providing the enclosed “Non-Discrimination and Small Local Business Utilization Policy Program Affidavit” (Attachment 6) with their proposals
- Preference points to small local businesses who qualify under the Port’s definition of a small local business. In order to qualify for preference points, Suppliers (Respondents) must be either certified by the proposal due date or download a Certification Application at: http://srd.portofoakland.com/ and submit it along with any supporting documentation to the Port’s Social Responsibility Division seven (7) business days prior to the proposal due date.

A summary of the Port’s Non-Discrimination and Small Local Business Utilization Policy is included herein as Attachment 5. The entire policy is available at:
Suppliers already certified with the Port do not need to submit proof of certification, but still need to check the Port’s certification database at: [http://srd.portofoakland.com/](http://srd.portofoakland.com/) to ensure their certification has not expired and must fill out the Chart for Submitting Data for Calculation of Preference Points (Attachment 5-A), and the Local Participation Questionnaire (Attachment 5-B), and submit them with your proposal. All Suppliers (Respondents) must still provide proof of adhering to the Port’s Non-Discrimination policy by submitting the NDSLBUP Program Affidavit.

A copy of the Port-certified Small Local Business Enterprises can also be downloaded at: [http://srd.portofoakland.com/](http://srd.portofoakland.com/)

2. Insurance Requirements:
   All Respondents who plan on submitting a proposal in response to this RFP must meet the Port’s Insurance requirements listed in Attachment 10, and must provide proof of insurance at the time of project award. Respondents must include a statement (Attachment 9) with their proposal agreeing to the Port’s insurance requirements and indicate they will be able to obtain the proper insurances at the time of project award.

3. Security Sensitive Information:
   By submitting a proposal, Respondent acknowledges that in the course of performing services under the Agreement, the selected Consultant/Contractor will come into possession of security sensitive information subject to Port of Oakland regulation. The selected Consultant/Contractor will be required to comply strictly with the Port of Oakland’s policies and practices for security sensitive information.

4. Living Wage Policy:
   On March 5, 2002, the voters in the City of Oakland passed Measure I, adding to the City Charter Section 728 (“§728”) entitled "Living Wage and Labor Standards at Port-assisted Businesses." §728 requires Port Aviation and Maritime businesses that meet specified minimum threshold requirements to pay all nonexempt employees a Living Wage rate established by City Ordinance and adjusted annually based on the Consumer Price Index for the San Francisco, Oakland, and San Jose area. The current Living Wage rate as of July 1, 2017 is at least $13.32 credit given to the employer for the provision to covered employees of health benefits, and $15.31 without credit for the provision of health benefits. Specifically, §728 applies to Port contractors and financial assistance recipients with the Aviation or Maritime divisions that have contracts worth more than $50,000 and that employ more than 20 employees who spend more than 25% of their time on Port-related work. §728 also provides covered employers with incentives to provide health benefits to employees, establishes a worker retention policy, requires covered employers to submit quarterly payroll reports and requires covered employers to allow Port representatives access to payroll records in order to monitor compliance and labor organization representatives access to workforces during non-work time and on non-work sites. Covered employers are responsible for complying with the provisions of §728 from the date the covered contract is entered into. When a contract is awarded, the Respondent will be required to fill out the attached Employer Self-Evaluation for Port of Oakland Living Wage Form (see Attachment 7-A) and Certificate of Compliance—Living Wage (see Attachment 7-B) and return them to the Social Responsibility Division. (i.e., do not include these forms in with your proposal). For more information, please call Connie Ng-Wong in the Port of Oakland’s Social Responsibility Division at (510) 627-1390.

Respondent shall acknowledge reviewing the Port’s Living Wage program and compliance, by submitting the Statement of Living Wage Requirement (Attachment 8) with their proposal.
5. **Web-Accessed Monitoring System (WAMS)**
   The Port has adopted an electronic monitoring system to satisfy certain certified payroll and work force reporting requirements. The successful proposer will be required to utilize WAMS for monitoring, data analysis and reporting purposes, and any necessary related MAPLA services requirements.

6. **Port’s Standard Professional Services Agreement:**
   Submission of a proposal will confirm that the Respondent fully understands the provisions of the Port’s Standard Professional Services Agreement ([Attachment 10](#)) which will be revised as necessary to be consistent with the provisions of this RFP, and will execute such revised agreement if awarded the contract. Any objections to any provisions in the Port’s Standard Professional Services Agreement and/or this RFP must be clearly and specifically identified in your proposal. Changes are discouraged.

### IV. Submission Requirements

Please respond to the following eight (8) submission requirements in a straightforward, concise delineation of your capabilities proposed to satisfy the requirements of the RFP. The Port will use your responses to objectively determine your capabilities and experience. Please label your responses 1 through 8, in the order presented below. Please limit your total response to the number of pages indicated below (excludes the required attachment forms provided with this RFP).

**Submittal Format:**
Responses may not be longer than 20 pages (one sided or 10 pages double sided), printed on 8 ½” x 11” paper and formatted in no smaller than 11 point font. Each section shall be labeled according to the sections below. All submitted material must be bound with only one staple or binder clip in the upper left corner. Please no binders or any other type of binding. Submittals must be able to fit into a 9 x 11.5 inch folder.

1. **Company Information and Minimum Qualifications:** Provide information that clearly demonstrates how your company meets the Minimum Qualifications Requirements listed in this RFP. Also, provide the name of your company (including the name of any parent company), business address, email address, Federal Tax ID number, telephone and fax numbers, and names and titles of key management personnel, and a brief history of your company. Provide a brief statement of who is authorized to submit the proposal on the behalf of your company. Please make sure that person signs and dates the statement.

   Proposer must be in legal existence at the time its Proposal is submitted. Any Proposer that is a Joint Venture shall include as part of its Proposal a complete copy of the Proposer’s currently effective Joint Venture Agreement, and the Joint Venture agreement may not be modified after the submission to the Port, prior to selection of the Proposer by the Port or thereafter without the written consent of the Port.

   If your company is making any exceptions to the Port’s Standard Professional Services Agreement ([Attachment 10](#)) and/or this RFP, they must be clearly set forth in your proposal and noted in this section. Exceptions are discouraged and may result in lower evaluation points during the Port’s evaluation of your proposal.

2. **Knowledge and Experience:**
   a) With a minimum of five (5) years’ experience in California PLA administration and a minimum of one (1) year of California PLA construction trucking, and current California PLAs under your management (must be demonstrated in your proposal), provide relevant information about your company’s knowledge and experience, including a list of current
and recently managed Project Labor Agreements (PLA) that are similar in size and scope to the MAPLA, with descriptions that demonstrate your experience including experience in PLA negotiations with stakeholders. Also, provide, in specific detail, the names of key personnel who will be assigned to do the work under this project, their years in relevant PLA administration (including trucking) experience and availability.

b) Detail your knowledge and experience in administration, negotiating, monitoring and implementing PLA services that are similar to the scope of services requested in the RFP. In particular, describe your approach and how you will plan for, and accommodate the scope of services listed in this RFP. Also, provide your methodology to implementing the MAPLA, quality assurance and follow up.

c) Demonstrate that you have, and are currently providing PLA services in similar size and scope to other public agencies. Describe your team's experience delivering PLA administration services including any challenging circumstances (i.e. PLA negotiations, compliance plans etc.).

This section of the proposal should contain a discussion tailored to the needs (Scope of Services) of the Port. Boilerplate proposals that do not include discussion specific to items above will receive lower scores.

3. **Client References**: Provide names, addresses and contact information for a minimum of two (2) and up to four (4) current clients. Provide the size and scope of each PLA and a brief description of the PLA. Please make sure all contact information is current and accurate. By providing such information, you authorize us to contact such clients.

4. **Plan and Approach**: The successful awardee will provide the Port Social Responsibility Division with full service expert PLA and related construction trucking administration and oversight no later than June 1, 2018. Provide your response time, plan, and approach for addressing the Port's requirements by providing the following information:

   a) Provide a proposed schedule to be ready to begin delivery of MAPLA and trucking administration services by June 1, 2018. Discuss how and what lines of communication will be implemented to maintain harmony and successful implementation with the contracting community and other stakeholders, and to keep Port staff apprised of status. This section of the proposal should contain a discussion tailored to the needs (Scope of Services) of the Port. Boilerplate proposals that do not include discussion specific to Port structure, policies, business methods, and Project requirements will receive lower scores. Demonstrated understanding of the Port and the Project, with the inclusion of innovative approaches and articulate analyses/approaches, will receive higher scores.

   b) Provide the following materials (these materials will not count against your RFP response page count):

      i. Sample Reports: Types of reports that you will provide to the Port (i.e. annual report, monthly local hire progress report, noncompliant contractor report and letters to contractor, remedial action reports/letters for non-compliant contractors,

      ii. Sample Contractor packet: Informational packet that you will provide to our contractors (i.e. working under the MAPLA and contractor's plan to meet local hire goals)

5. **Proposed Costs**: Please provide your cost for the services requested in this RFP on the Proposal Worksheet and attach any proposed fee schedule. Please note that your hourly bill rate shall be all inclusive and include expenses. The Port will not pay nor reimburse separately for any other expenses. Your annual not to exceed (NTE) cost will provide the Port an estimate, and compensation will be made on service hours expended. Your fee schedule is required so that the Port can evaluate your proposal.
For reference, the current contract provides an annual NTE amount of $310,000 for MAPLA and trucking administration and oversight, although not all of these funds were expended. In 2017, 1,588 hours were expended on MAPLA and trucking administration and oversight.

6. **Debarment Statement:** Provide a written statement that your company has not been debarred from providing services to any State or Federal Agency within the last five (5) years. Sign and date your statement. If your company has been debarred, you will need to provide background information and the reason(s) for the debarment. Provide the name and contact information for the agency that debarred your company. The Port must review the reason(s) and duration for the debarment before it can determine if your company can be considered for this project.

7. **Litigation and Other Information:** Provide information describing any litigation, arbitration, investigations, or any other similar actions that your company, its principals, directors, and/or employees have been involved in during the last five (5) years relating to your company’s services. Please list (a) name and court case or other identification number of each matter, (b) jurisdiction in which it was filed, and (c) outcome of matter (e.g. whether the case is pending, a judgment was entered, a settlement was reached or the case was dismissed). The Port will review the reason and timing of the action before it can determine if your company can be considered for this project. Failure to provide the litigation information may disqualify your proposal.

8. **Required Forms and Adherence to Port Policy and Other Requirements:** The Respondent must fill out all of the forms included in this RFP (listed under the “Attachments” section and marked with a “Yes” in the column titled “Must Be Returned with Proposal”), and return them with your proposal. By returning the listed forms, your company is supporting and agreeing to the Port Policy and Other Requirements (listed in Section III, “Port Policy and Other Requirements” of this RFP). Failure of the Respondent to provide any of the required forms may result in your proposal being rejected for non-responsiveness. These required forms will not count against the maximum page count (indicated above) for your response.

V. **Evaluation Criteria**

Prior to contract award, the Port must be assured that the Respondent selected has all of the resources required to successfully perform under the contract. This includes, but is not limited to, personnel with skills required, equipment/materials and financial resources sufficient to provide services called for under this contract. If during the evaluation process, the Port is unable to assure itself of the Respondent’s ability to perform under the contract, if awarded, the Port has the option of requesting from the Respondent any information that the Port deems necessary to determine the Respondent’s capabilities. If such information is required, the Respondent will be notified and will be permitted five (5) working days to submit the requested information.

In awarding the contract, the Port will evaluate a number of factors in combination. Please make sure you have submitted responses to all items listed in the Submission Requirements section, as your responses will be evaluated based on the weights listed below.

B. Selection Procedure:

All proposals received by the deadline which meet the RFP's requirements will be presented to the evaluation committee comprised of Port of Oakland staff and possibly external members. The evaluation committee will evaluate the proposals and score all submissions according to the evaluation criteria above. The selection process may include interviews (at the discretion of the evaluation committee) for the top-scoring submissions. If interviews are to take place, the Port will notify the top scoring Respondents. Interview details and scoring requirements will be provided to selected Respondents prior to the interviews.
VI. Additional Provisions

The terms “Company”, “Consultant”, “Contractor”, “Proposer”, “Respondent”, “Seller”, “Supplier”, and “Vendor” whenever appearing in this RFP or any attachments, are used interchangeably to refer to the company or firm submitting a proposal in response to this RFP.

A. Port’s Legal Name and Jurisdiction
The Port of Oakland (the “Port”) is legally known as the City of Oakland, a Municipal Corporation, Acting by and through its Board of Port Commissioners. The Port is an independent department of the City of Oakland. The Port has exclusive control and management of all Port facilities and properties. Port facilities and properties consist of marine terminals, a railway intermodal terminal and container storage areas (collectively, the “Seaport”); the Oakland International Airport (the “Airport”); and commercial and industrial land and properties (collectively, “Commercial Real Estate”); and other recreational land, other land, undeveloped land, and water areas, all located in Oakland, CA. The Port issues Purchase Orders under the name Port of Oakland.

B. Ownership of Proposal
All rights to information developed, disclosed, or provided in a Proposal and its attendant submissions are the property of Port, unless a Respondent makes specific reference to data that is considered proprietary. To the extent that a Respondent does not make specific reference to data that is considered proprietary, submission of an RFP constitutes the Respondent’s express (a) grant and assignment of a perpetual, transferable (in whole or in part), non-exclusive royalty-free license to the Port for copyright, patent, or other intellectual property right (collectively referred to as “intellectual property”), and (b) agreement that the Port may use any such intellectual property without charge for any lawful purpose in connection with other Port development projects, including without limitation the creation of derivative works and issuance of sublicenses.

C. Deadline for Receipt of Proposal
Proposals must be sealed and delivered to the Submittal Address listed in the Request for Proposal (RFP) no later than the time specified in the RFP. The Port will place a clock (“Clock”) in a conspicuous location at the place designated for submittal of Proposals. For purposes of determining the time that a Proposal is submitted, the Clock shall be controlling (unless at the time of the receipt the Clock malfunctions, then the Port’s clock on its network phone system shall be controlling). The Port suggests that Proposals be hand delivered to the Submittal Address in order to ensure their timely receipt. Any Proposals mailed via an express mail service, US Postal Service, or other courier service shall not be considered timely received until date and time stamped by the controlling Clock. Any Proposals received after the time stated (regardless of the cause of the delay, including whether caused by the express mail service, US Postal Services, other courier service, or the Port’s mail handling personnel) shall not be opened and shall be returned, sealed, to the Proposer.

D. Public Records Act
Per the Public Records Act (Gov. Code 6250 et seq.), the Port may be obligated to make available to the public the submitted proposal and all correspondence and written questions submitted during the Request for Proposal process. However, such disclosure shall not be made prior to the date on which the Port publishes a final Board agenda report recommending award of the contract. Any trade secrets or proprietary financial information, which a Respondent believes should be exempted from disclosure, shall be specifically identified and marked as such. Blanket-type identification by designating whole pages or sections shall not be permitted and shall be invalid. The specific information must be clearly identified as such.

The Port reserves the right to independently determine whether any document is subject to disclosure and to make such information available to the extent required by applicable law, without any restriction.
E. **Indemnification**

If Respondent is selected to receive a contract, it will be required to agree to the indemnification clause contained in the Port's Standard Professional Services Agreement. See Section 5 of the Port’ Standard Professional Services Agreement (Attachment 10).

F. **Reimbursable Expenses**

All expenses incidental to performing Consultant’s Basic Services including, but not limited to, reproduction of documents and other materials associated with Respondent’s deliverables and presentation materials; transportation and subsistence; telephone, computer, facsimile, or other similar costs; and the like, shall be included within the Contract Price.

G. **Port’s Right to Modify**

Respondents are advised that the Port has not incurred any obligations or duties in soliciting this Request for Proposals. The Port, at its sole discretion, reserves the right to reject any or all proposals submitted in response to this RFP; to request additional information or clarification of information submitted; to cancel or modify, in part or in its entirety, this RFP; to request new RFPs or pursue any other means for obtaining the desired services; to waive any informalities or minor irregularities in the RFP, and other inconsequential deviations from the RFP’s requirements. The Board of Port Commissioners retains the right to award this project in part or in total to the Respondent(s) of its choice, and to decide to undertake the project or to terminate the project at any time prior to approval of a formal contract.

H. **Conflicts of Interest**

By submitting a proposal, the Respondent represents that it is familiar with Section 1090 and Section 87100 et seq. of the Government Code of the State of California, and that it does not know of any facts that constitute a violation of said sections in connection with its proposal. Respondent also represents that its proposal has completely disclosed to the Port all facts bearing upon any possible interests, direct or indirect, which Respondent believes any member of the Port, or other officer, agent or employee of the Port or any department presently has, or will have, in any agreement arising from this RFP, or in the performance thereof, or in any portion of the profits there under. Willful failure to make such disclosure, if any, shall constitute ground for rejection of the proposals or termination of any agreement by the Port for cause. Respondent agrees that if it enters into a contract with the Port, it will comply with all applicable conflict of interest codes adopted by the City of Oakland and Port of Oakland and their reporting requirements.

I. **Cost of Preparing a Response**

All costs for developing a response to this RFP and attending any proposal meetings or selection meetings are entirely the responsibility of the Respondent and shall not be chargeable to the Port.

J. **Law Compliance**

The Respondent must comply with all laws, ordinances, regulations and codes of the Federal, State, and Local Governments, which may in any way affect the preparation of proposals or the performance of the contract.

K. **Respondent’s Relationship**

The Respondent’s relationship to the Port shall be that of independent contractor and not deemed to be agent of the Port.

L. **Proposal Considerations and Legal Proceeding Waiver**

The Port has absolute discretion with regard to acceptance and rejection of proposals. In order to be considered the party submitting a proposal waives the right to bring legal proceedings challenging the Board of Port Commissioners choice of the award.

M. **False Statements**

False statements in a proposal will disqualify the proposal.
N. **Taxes**  
The Respondent will be responsible for all Federal, State, and Local taxes.

O. **Grade of Service**  
The Respondent must provide professional service and maintain appropriate personnel to provide expedient and courteous service.

P. **The Respondent's Liability**  
The Respondent shall be responsible for any and all damages to the Port's premises resulting from the negligent acts or willful misconduct of the Respondent's agents or employees.

Q. **Amendments**  
The Port may, at its sole discretion, issue amendments to this RFP at any time before the time set for receipt of proposals. The Respondents are required to acknowledge receipt of any amendments (addenda) issued to this RFP by acknowledging the Addendum in the space provided on the RFP Acknowledgement and Signature Form. The Port shall not be bound by any representations, whether oral or written, made at a pre-proposal, pre-contract, or site meeting, unless such representations are incorporated in writing as an amendment to the RFP or as part of the final contract. All questions or requests for clarification concerning material terms of the contract should be submitted in writing for consideration as an amendment.

R. **Withdrawal or Modification of Offers**  
The Respondent may modify or withdraw an offer in writing at any time before the deadline for submission of an offer.

S. **Acceptance**  
Any offer received shall be considered an offer which may be accepted or rejected, in whole or in part, by the Port based on initial submission with or without discussions or negotiations.

T. **Representations**  
No representations or guarantees of any kind, either made orally, or expressed or implied, are made with regard to the matters contained in this document, including any attachments, letters of transmittal, or any other related documents. The Respondent must rely solely on its own independent assessment as the basis for the submission of any offer made.

U. **Award Consideration and Length of Contract**  
The Port shall not be bound to accept the lowest-quote fee and will award the contract (if any) to the company/firm selected through the competitive process (and any subsequent interviews) outlined in this RFP.

The Port will award a three-year contract (if any) and will have the option to issue two one-year extension not to exceed a total period of 5 years (at the costs quoted in this proposal).

V. **Contract Termination**  
The Port may terminate the agreement (and or contract) with the Respondent on thirty days’ notice for the failure of the Respondent to comply with any term(s) of the agreement/contract between the Port and the Respondent.

W. **Protest Procedures**  
Any party that has timely submitted a responsive proposal that contends or claims that the Port’s proposed award of the subject contract fails to comply with the Port’s rules and regulations or with law must file a protest in accordance with the provisions set forth below:

1. Any protest must be submitted in writing to Daria Edgerly, Secretary of the Board, and received by the Port no later than 5:00 p.m. by the third (3rd) business day following publication of the identity of the apparent successful proposer (or of Notice of Intent to Award, if such notice is issued).
2. The protest must include the name, address and telephone number of the person representing the protesting party.

3. The initial protest document must contain a complete statement of the basis for the protest, including in detail, all grounds for protest including referencing the specific portion of the solicitation document that forms the basis for the protest, and including without limitation all facts, supporting documentation, legal authorities and argument in support of the grounds for the protest. Any matters not set forth in the written protest shall be deemed waived. All factual contentions must be supported by competent, admissible and credible evidence.

Any protest not conforming to the foregoing shall be rejected by the Port without recourse.

Describe and list hourly rates for personnel with a not to exceed annual amount for each year. Additional pages may be added if necessary. The Port is currently invoiced by itemized effort hours expended monthly, and distinguished by MAPLA administration, trucking administration, and oversight. We expect a similar contractual relationship.

The Port’s Capital Improvement Program for the next five (5) years is estimated to be $505 million, excluding Commercial Real Estate department projects. It is expected that the volume of projects will vary each year.

**Rate Schedule for Professional Services:** (Please be specific or tailor the classification types to the expected classifications of personnel that will work on this contract.) You must hold your Hourly Rates firm for the two years of the contract term. An increase allowance may be granted in year 3, using the San Francisco Bay Area Consumer Price Index (CPI). The optional extension years will be subject to negotiation. The Hourly Rates must include any travel expenses and all other expenses, as the Port will not reimburse separately for any other expenses. Any overtime pay must be approved in writing by the Port before it may be paid under this contract.

RFP 17-18/26, Attachment 4
Non-Discrimination and Small Local Business Utilization Policy

**Non-Discrimination:** Port of Oakland (Port) policy prohibits discrimination or preferential treatment because of race, color, religion, sex, national origin, ancestry, age (over 40), physical or mental disability, cancer-related medical condition, a known genetic pre-disposition to a disease or disorder, veteran status, marital status, or sexual orientation.

**Local Business Utilization:** On October 7, 1997, the Board of Port Commissioners initiated a formal policy to encourage full participation of firms from its Local Business Area (“LBA”), the counties of Alameda and Contra Costa, particularly those in its Local Impact Area (“LIA”), in its work. The LIA includes the cities of Oakland, Alameda, Emeryville and San Leandro. The LBA includes all cities within the counties of Alameda and Contra Costa. The Port will also take into consideration efforts the prime and sub-consultants make to assist in the community, e.g., assigning meaningful work to small and/or very small local sub-consultants, mentor protégé relationships, participation in job/trade fairs, hiring interns, pro bono work, and working with local schools, etc.

Consultant Preference Points: The Port allots preference points for the percentage of work being performed by consultants/sub-consultants located in either the LBA or the LIA and for community involvement (i.e. mentoring, intern programs, job fairs, community rehabilitation groups and re-entry programs) for a maximum total of up to 15 points. These points are added to a maximum of 85 technical points for a composite maximum of 100 points in evaluating consultant proposals as follows:

- Up to 5 points will be credited proportionately (counting the whole team, prime consultant and sub-consultant(s)) for LIA certified firms, and 2.5 for LBA certified firms. Note: LIA/LBA credit is given only for certified firms which have had established active offices in the respective area for at least a year at the time of proposal due date, and NOT for outside firms which plan to do the project work at a LIA/LBA office;

- An additional 3 points will be credited for an LIA certified prime consultant (proportionate to the share of prime consultant work in the case of a joint venture) and 1.5 points for an LBA certified prime consultant;

- Up to 4 points will be credited proportionately (counting the whole team, prime consultant and sub-consultant(s)) for Very Small Business Enterprise (VSBE) certified firms, and 2 points for Small Business Enterprise (SBE certified firms); and

- Up to 3 points for commitment to the Port’s values and programs, e.g., mentoring small and/or very small local businesses and providing meaningful work for small and/or very small local sub-consultants; utilization of college and high school interns from the LIA; participation in job fairs and trade fairs targeted to LIA residents and businesses; and other work showing the consultant’s efforts to contribute to the economic development of the LIA.

In summary, please submit the following attachments in each copy of your proposal:

1. Attachment 5-A, Chart for Submitting Data for Calculation of Preference Points. List the team members’ (prime and subs) names, roles, location and LIA/LBA/SBE/VSBE status in the format shown in Attachment 5-A. Be specific as to the nature and estimated percentage of the work to be performed by the prime, any joint venture partners and/or sub-consultants.

2. Attachment 5-B, Local Participation Questionnaire. Complete for each sub-consulting firm or individual, as well as for the prime consultant.
3. Attachment 5-C and 5-D, Monthly and Final Utilization of Local and Small Business Enterprises are required after contract award. Attachment 5-C is required after contract award and a final report attachment 5-D, is required after completion of the project.

Any proposal that fails to complete and submit the above two items (Prime and sub-consultants) will not be considered. For firms headquartered outside the LJA/LBA wishing to obtain credit for their local office, for the purpose of this project shall utilize personnel from this local office. Additionally, mail, correspondence and telephone calls will be made to this local office.

To obtain credit for these factors and for any preference points on this RFP, consultants or any team member must be certified by the proposal due date or submit an application:

- Consultants or any team members wishing to be certified by the Port must submit a Certification Application, with all supporting documentation seven (7) business days prior to the proposal due date. The questionnaire and checklist of necessary supporting documents for certification may be obtained at: http://srd.portoakland.com/. For questions regarding certification, you may contact Social Responsibility Division (SRD) at (510) 627-1627 or email SRDAdmin@portoakland.com. Firms certified by the Port of Oakland do not need to submit proof of certification.

(Please note Port certification must be current and not expired to count for preference points. Certification is valid for a two-year period.)

For questions or assistance regarding this section, contact Ms. Donna Cason (510) 627-1252, or dcason@portoakland.com in the Port’s Social Responsibility Division.

THIS PROFESSIONAL SERVICES AGREEMENT ("Agreement") is entered into on______________, between the City of Oakland, a municipal corporation, acting by and through its Board of Port Commissioners (hereinafter "Port of Oakland” or “Port”), and «CONSULTANT» (“Consultant”), identified on Appendix D, who agree as follows:

1. **Scope of Professional Services.**

   The Consultant shall perform all services described in Appendix A (“Services”), for the compensation set forth in Appendix B (“Payment”), which appendixes are attached and made a part of this Agreement. All Services whenever performed shall be deemed performed under this Agreement, and all compensation paid to Consultant on account of the Services performed shall be deemed payments as set forth in Appendix B.

2. **Effective Date.**

   This Agreement shall become effective upon its execution by the Consultant and by the Port (including approval by the Port Attorney).

3. **Standard of Performance.**

   The Consultant represents that it possesses all necessary training, licenses and permits to perform the Services, and that its performance of the Services will conform to the standard of practice of a professional that specializes in performing professional services of a like nature and complexity of the Services.

4. **Subconsultants.**

   The Consultant shall perform the Services using the persons and subconsultants listed in Appendix A, if any. The Consultant shall hire only qualified persons or firms who are experienced in performing work of a like nature and complexity as the Services, and who agree to be bound to the terms of the Agreement to the extent of this scope of services. The Consultant may substitute personnel or subconsultants prior to any such subconsultants commencing work only upon the Project Manager’s written consent, which may be withheld or delayed in the Port’s discretion.

   The Port of Oakland, as a Department of the City of Oakland, participates in the California Public Employees’ Retirement System ("CalPERS"), and the use of any consultant or sub-consultant (and their employees) who have retired from a CalPERS agency shall be in compliance with applicable CalPERS rules and regulations.

5. **Indemnification and Liability.**
5.1 To the fullest extent permitted by law (including, without limitation, California Civil Code Section 2782, 2782.6 and 2782.8), the Consultant shall defend (with legal counsel chosen or approved by the Port Attorney), indemnify and hold harmless the Port and its officers, agents, departments, officials, representatives and employees (collectively “Indemnitees”) from and against any and all claims, loss, cost, damage, injury (including, without limitation, injury to or death of an employee of Consultant or its Subconsultants), expense and liability of every kind, nature and description (including, without limitation, incidental and consequential damages, court costs, paralegal and attorneys’ fees (including costs attributable to in-house paralegals and attorneys), Port staff costs, litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation) that arise from or relate to, directly or indirectly, in whole or in part, from: (1) the Services under this Agreement, or any part thereof, or (2) any negligent act or omission of Consultant, any Subconsultant, anyone directly or indirectly employed by them, or anyone that they control (collectively “Liabilities”). Such obligations to defend, hold harmless and indemnify any Indemnitee shall not apply to the extent that such Liabilities are caused in whole or in part by the sole negligence, active negligence, or willful misconduct of such Indemnitee, but shall apply to all other Liabilities.

5.2 The Consultant shall defend (with legal counsel chosen or approved by the Port Attorney), indemnify and hold harmless the Indemnitees from all loss, cost, damage, expense, liability or claims, in law or in equity, including paralegal and attorneys’ fees (including costs attributable to in-house paralegals and attorneys), Port staff costs, court costs, litigation expenses and fees of expert consultants or expert witnesses, that may at any time arise for any infringement of the patent rights, copyright, trade secret, trade name, trademark, service mark or any other proprietary right of any person or persons in consequence of the use by Port, or any of the other Indemnitees, of articles or Services to be supplied in the performance of this Agreement.

The Port and the Consultant shall provide notices to the other in the form of a writing, sent by facsimile and by U.S. Mail. If to the Port, it shall be addressed to the Project Manager (identified on Appendix E) at:

Port of Oakland
530 Water Street
Oakland, CA 94607

or to such other place as the Port may by such similar notice in writing designate. If to the Consultant, the same shall be addressed to the individual and address noted on Appendix D hereto or to such other place as the Consultant may by such similar notice in writing designate.

7. Insurance.

At its own expense, the Consultant shall maintain in force during the term of this Agreement the insurance type(s) and in the amount(s) required by Appendix C hereof.

8. Independent Contractor.

The Consultant shall at all times herein be deemed an independent contractor wholly responsible for the manner in which it performs the Services under this Agreement, and fully liable for the acts and omissions of its employees, subconsultants and agents. Under no circumstances shall this Agreement be construed as creating an employment, agency, joint venture or partnership relationship between the Port and the Consultant, and no such relationship shall be implied from
performance of this Agreement. The terms in this Agreement referring to direction from the Port shall be construed as providing for direction as to policy and the result of services only, and not as to means and methods by which such a result is obtained. The Consultant shall pay all taxes (including California sales and use taxes) levied upon this Agreement, the transaction, or the Services and/or goods delivered pursuant hereto without additional compensation, regardless of which party has liability for such tax under applicable law, and any deficiency, interest or penalty asserted with respect thereto. The Consultant represents that it will collect, report, and pay all sales and or use taxes to the State Board of Equalization. Upon full payment, the Consultant will issue the Port a receipt pursuant to California Revenue and Taxation Code Section 6203, relieving the Port of all liability for any tax relating to the scope of this Agreement. The Consultant shall pay all other taxes including but not limited to any applicable City of Oakland business tax, not explicitly assumed in writing by the Port hereunder. The Consultant shall comply with all valid administrative regulations respecting the assumption of liability for the payment of payroll taxes and contributions as above described and to provide any necessary information with respect thereto to proper authorities.

9. Conflict of Interest; Confidentiality.

9.1 The Consultant represents that it is familiar with Section 1090 and Section 87100 et seq. of the Government Code of the State of California, and that it does not know of any facts that constitute a violation of said sections.

9.2 The Consultant represents that it has completely disclosed to Port all facts bearing upon any possible interests, direct or indirect, which Consultant believes any member of Port, or other officer, agent or employee of the Port or any department presently has, or will have, in this Agreement, or in the performance thereof, or in any portion of the profits thereunder. Willful failure to make such disclosure, if any, shall constitute grounds for termination of this Agreement by the Port for cause. The Consultant agrees to comply with all conflict of interest codes adopted by the City of Oakland and Port of Oakland and their reporting requirements.

9.3 The Consultant covenants that it presently has no interest, and shall not have any interest, direct or indirect, which would conflict in any manner with the performance of Services required under this Agreement. Without limitation, the Consultant represents to and agrees with the Port that the Consultant has no present, and will have no future, conflict of interest between providing the Port the Services hereunder and any interest the Consultant may presently have, or will have in the future, with respect to any other person or entity (including but not limited to any federal or state wildlife, environmental or regulatory agency) which has any interest adverse or potentially adverse to the Port, as determined in the reasonable judgment of the Port. The provisions of this Section 9 shall remain fully effective indefinitely after termination of Services to the Port hereunder.

9.4 The Consultant acknowledges and agrees that, in the performance of the Services under this Agreement or in the contemplation thereof, the Consultant may have access to private or confidential information which may be owned or controlled by the Port and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to the Port. The Consultant agrees that all information disclosed by the Port to or discovered by the Consultant shall be held in strict confidence and used only in performance of the Agreement. The Consultant shall exercise the same standard of care to protect such information as a reasonably prudent Consultant would use to protect its own proprietary data, and shall not accept employment adverse to the Port’s interests where such confidential information could be used adversely to the Port’s interests. Consultant agrees to notify the Port immediately in writing if it is requested to disclose any information made known to or discovered by Consultant during the performance of the Services required under, or in connection with this Agreement.
9.5 Any publicity or press releases with respect to the Project or Services shall be under the Port’s sole discretion and control. The Consultant shall not discuss the Services or Project, or matters pertaining thereto, with the public press, representatives of the public media, public bodies or representatives of public bodies, without the Port’s prior written consent. The Consultant shall have the right, however, without Port’s further consent, to include representations of Services among Consultant’s promotional and professional material, and to communicate with persons or public bodies where necessary to perform the Services under this Agreement.

9.6 The provisions of this Section 9 shall remain fully effective indefinitely after termination of Services to the Port hereunder.

10. Suspension and Termination of Services.

(i) The Port may direct the Consultant to suspend, delay or interrupt Services, in whole or in part, for such periods of time as the Port may determine in its sole discretion. The Port may issue such directives without cause. The Port will issue such directives in writing. Suspension of Services shall be treated as an excusable delay. (ii) The Port may terminate performance of the Services under this Agreement in whole, or from time to time in part, for default, should the Consultant commit a material breach of this Agreement, or part thereof, and not cure such breach within ten (10) calendar days of the date of the Port’s written notice to the Consultant demanding such cure. In the event the Port terminates this Agreement for default, the Consultant shall be liable to the Port for all loss, cost, expense, damage and liability resulting from such breach and termination. (iii) The Port may terminate performance of the Services under this Agreement in whole, or from time to time in part, for convenience, whenever the Port determines that such termination is in the Port’s best interests. In the event the Port terminates this Agreement for convenience, the Consultant shall be entitled to recover its costs expended up to the termination plus reasonable profit thereon to the termination date, but may recover no other cost, damage or expense.

Any interest (including copyright interests) of the Consultant or its subcontractors or subconsultants, in studies, reports, memoranda, computational sheets, drawings, plans or any other documents (including electronic media) prepared by the Consultant or its subcontractors or subconsultants in connection with the Services, shall become the property of the Port. To the extent permitted by Title 17 of the United States Code, work product produced under this Agreement shall be deemed works for hire and all copyrights in such works shall be the property of the Port. With Port’s prior written approval, the Consultant may retain and use copies of such works for reference and as documentation of experience and capabilities.

12.1 The Consultant shall maintain all documents and records prepared by or furnished to the Consultant during the course of performing the Services for at least three (3) years following completion of the Services, except that all such items pertaining to hazardous materials shall be maintained indefinitely. Such records include, but are not limited to, correspondence, internal memoranda, calculations, books and accounts, accounting records documenting its work under its Agreement, and invoices, payrolls, records and all other data related to matters covered by this Agreement. Consultant shall permit the Port to audit, examine and make copies, excerpts and transcripts from such records. The State of California or any federal agency having an interest in the subject of Agreement shall have the same rights conferred to the Port by this section. Such rights shall be specifically enforceable.
12.2 The Consultant shall maintain full and adequate records in accordance with the Port’s requirements to show the actual costs incurred by the Consultant in the performance of this Agreement. If such books and records are not kept and maintained by the Consultant within a radius of fifty (50) miles from the offices of the Port at 530 Water Street, Oakland, California, Consultant shall, upon request of the Port, make such books and records available to the Port for inspection at a location within said fifty (50) mile radius or the Consultant shall pay to the Port the reasonable, and necessary costs incurred by the Port in inspecting the Consultant's books and records, including, but not limited to, travel, lodging and subsistence costs. The Consultant shall provide such assistance as may be reasonably required in the course of such inspection. The Port further reserves the right to examine and reexamine said books, records and data during the three (3) year period following termination of this Agreement or completion of all work hereunder, as evidenced in writing by the Port, and the Consultant shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, and data in any matter whatsoever for three (3) years after the Port makes the final or last payment or within three (3) years after any pending issues between the Port and the Consultant with respect to this Agreement are closed, whichever is later.

12.3 If the Consultant's books and records have been generated from computerized data, the Consultant agrees to provide the Port or its representative extracts of data files in a computer readable format on data disks, e-mail with attached files or suitable alternative computer data exchange formats. The Consultant should not charge the Port for the reasonable use of the Consultant's photocopying machine while conducting the audit, nor for any cost of retrieving, downloading to diskette, and or printing any records or transactions stored in magnetic, optical, microform or other media.

12.2 The Consultant agrees to toll (a) commencing on the first day of any examination during the Inspection Period and ending four (4) years thereafter, all applicable periods of any statutes of limitations with regard to any matter arising out of the Inspection Period examination; (b) commencing on the first day of any audit conducted by or on behalf of the Port of the Consultant’s books, records or data with respect to this Lease (an “Audit”) and ending four (4) years after the date that the Port delivers to the Consultant a written copy of the Port’s final findings on the Audit, all applicable periods of any statutes of limitations with regard to any matter arising out of the Audit; and (c) with respect to any claim or right or cause of action of the Port not addressed in the immediately preceding clauses (a) or (b), and regardless of whether or not the Port commences an Audit, commencing on the day such claim right or cause of action arises, and ending four (4) years thereafter, all applicable periods of any statutes of limitations with regard to such claim, right or cause of action.
