

PORT OF OAKLAND

REQUEST FOR QUALIFICATIONS (RFQ) FOR ON-CALL CONSTRUCTION MANAGEMENT SUPPORT SERVICES FOR NON-FEDERALLY FUNDED PROJECTS AT THE PORT OF OAKLAND

The Port of Oakland ("Port") is soliciting Statements of Qualifications (SOQs) from qualified teams of consultants for providing "on-call" construction management (CM) services for non-federally funded projects. The Consultant(s) selected will provide construction management services for various Port construction projects for a three-year period.

This RFQ is being issued concurrently with the *Request for Qualifications (RFQ) for On-Call Construction Management Support Services for Federally Funded Projects at the Port of Oakland*. Qualified consulting firms may submit SOQs for both RFQs. The Port intends to select six (6) Consultant/Teams to provide CM Services, three (3) of which will be subject to the Port's Non-Discrimination and Small/Local Business Utilization Policy provisions incorporated into this RFQ, and three (3) of which will be subject to Federal Disadvantaged Business Enterprise (DBE). Individual Technical Service Orders (TSO) will be issued for CM assignments on a project-by-project basis. The budget for all consultant CM work described by this RFQ for non-federally funded projects is expected to not exceed \$4,000,000 for both contracts over the three-year contract period.

The selected CM Consultants are expected to be under contract with the Port by January 2022.

The Port has posted this Request for Qualifications (RFQ) in digital format on a hosting website that can be accessed via the 'Current RFP's/RFQ's: Engineering Consulting Services' link at the following URL: <http://www.portofoakland.com/business/bids-rfps/rfq-engineering/>. Proposing consultants should carefully review the requirements of this RFQ to ensure that they meet all of the stated requirements.

SOQs will be received at the location, and until the time/date, specified under "RFQ Schedule" and "Instructions for Submitting SOQs", below.

Consultants interested in submitting proposals for this work are strongly urged to attend a Pre-Proposal Meeting to be held at the time/date/location specified under "RFP Schedule", below. At the Pre-Proposal Meeting, the Port will provide information related to the Port's insurance requirements and Non-Discrimination and Small/Local Business Utilization Policy, and will answer questions regarding the proposed project, submittal requirements and the selection process.

Port policy prohibits discrimination or preferential treatment because of race, color, religion, sex, national origin, ancestry, age (over 40), physical or mental disability, cancer-related medical condition, a known genetic pre-disposition to a disease or disorder, veteran status, marital status, or sexual orientation. The successful Respondent shall comply with the Port's non-discrimination policy and the DBE Rules and shall not discriminate against any business owner because of the owners' race, color, sex, or national origin in the award or performance of the Agreement.

To the extent that the scope of services includes work that falls under the Labor Code definition of "public works" (Cal. Labor Code Section 1720 et seq), this project will be subject to compliance monitoring and enforcement by the Department of Industrial Relations (DIR). Consultants submitting an SOQ, and subcontractors or subconsultants performing any portion of the work that falls under the "public works" definition, must be registered with the DIR pursuant to DIR requirements prior to submission of the SOQ, and the Prime Consultant must include in its SOQ its own DIR registration number and the DIR registration numbers of all listed subcontractors and subconsultants that will participate in the "public works" portion of the scope of services.

Questions regarding this RFQ must be addressed in writing to the appropriate contact person listed under "RFQ Contacts", below. All questions not directed specifically to the primary contact person must be copied to said primary contact person. Proposers are advised that questions received less than seven (7) calendar days prior to the SOQ due date may not be answered. Where appropriate, the Port will respond in writing to proposer questions submitted in a timely fashion via an addendum or a 'Log of Responses to Proposer Questions'; see "Port Responses to Proposer Questions", below.

The Port reserves the right to reject any or all SOQs, to waive any irregularities or informalities not affected by law, to evaluate the SOQs submitted and to award the contract according to the proposal which best serves the interests of the Port.
