

The Port of Oakland uses Purchase Orders for all purchases. Phone orders are not valid and may be subject to non-payment. In these Terms and Conditions, “the Purchase Order” refers to each Purchase Order subject to these Terms and Conditions. All Appendices described herein and/or attached hereto are part of this Purchase Order.

Any software purchased under this Purchase Order shall be subject to the more specific provisions in Appendix A-1 (Software) attached hereto. With respect to Software, Appendix A-1 shall supersede any directly conflicting provisions of these Terms and Conditions.

1. **THE PORT.** The Port is legally known as the City of Oakland, a Municipal Corporation, Acting by and through its Board of Port Commissioners. The Port is an independent department of the City of Oakland and issues Purchase Orders under the name “Port of Oakland.” The Port has exclusive control and management of all Port facilities and properties located in Oakland, CA (including, but not limited to, marine terminals, a railway intermodal terminal, and container storage areas; the Oakland International Airport; and office, retail, and other developed property and undeveloped land), and no other agency or department of the City of Oakland may issue Purchase Orders with respect to these facilities and properties.

2. **SUPPLIER.** Supplier (sometimes referred to on the Port’s website or in other materials related to the Purchase Order as “seller”, “lessor”, “vendor”, “contractor”, “respondent”, “consultant”, “service provider” or by similar terms) is an independent contractor and not an officer, employee or agent of the Port. Supplier shall provide the goods or services described on the Purchase Order (the “**Work**”) using its own qualified employees or using only qualified subcontractors approved in writing by the Port. Supplier, and not the Port, shall be solely responsible for paying all compensation (including benefits), making all withholdings, paying all taxes and ensuring compliance with all laws regarding the employment of such employees or engagement of such subcontractors. Supplier may not change its subcontractors or assign, delegate or transfer, voluntarily, involuntarily or by operation of law, any of its rights or obligations under the Purchase Order (other than its interest in receivables as part of a bona fide third-party financing arrangement), without the prior written consent of the Port.

3. **PERFORMANCE AND QUALITY.** Supplier shall supply or perform the Work and represents and warrants that the Work performed or supplied is (i) as specified in the Purchase Order, (ii) in a good and workmanlike manner, (iii) in conformity to all applicable specifications, and (iv) in compliance with all Applicable Law (as defined below). Supplier further represents and warrants that all goods sold under the Purchase Order are new (unless otherwise specifically stated in the Purchase Order), merchantable and fit for the particular purpose specified by the Port, and all services provided under the Purchase Order conform to the standard of practice of persons specializing in performing services of similar nature and complexity. Nothing in the Purchase Order shall be construed to limit or exclude any warranties implied by law. Supplier hereby assigns to the Port all of the Supplier’s rights under manufacturers’, subcontractors’ or other warranties or indemnities with respect to the Work.

4. INVOICING AND PAYMENT. All payments require a written invoice from Supplier in a form acceptable to the Port. Supplier must issue all invoices directly to the "Bill To" address set forth in the Purchase Order. Each invoice must indicate thereon whether it constitutes a "Partial Billing" or "Final Billing". Each invoice is subject to review and verification by the Port. The time for payment of invoices (and for calculating any net discounts) shall run from the date on which proper, correct and complete invoices are received by the Port. Payment for all Work shall be made by the Port within thirty (30) days of receipt of satisfactory Work by the Port, and an itemized, proper, correct and complete invoice from Supplier. Any amounts due to the Port from Supplier may be set off against any amounts due to Supplier from the Port, whether or not under the Purchase Order.

5. DELIVERY. If applicable, Supplier shall package and ship all Work consisting of goods to the Purchase Order "Ship To" address at Supplier's sole cost and expense. Packing slips must specify the quantity and description of goods shipped, the related Purchase Order number and must accompany each shipment. Supplier shall be responsible for delivery and shall prepay all related shipping costs and add them to the invoice. All goods are to be shipped F.O.B. destination: Port of Oakland, and risk of loss and title to goods shall remain with Supplier until the Port takes physical possession of the goods. The Port may change the address for shipment prior to shipment by Supplier. Goods must be suitably packed to assure against damage from weather or transportation, and in accordance with instructions of the Port.

6. REMEDIES. If Supplier breaches the Purchase Order, the Port may exercise any right or remedy available under the California Commercial Code or any other Applicable Law. Without limiting those rights and remedies, the Port may also do any of the following, in the Port's sole discretion: (i) require Supplier to repair or replace any Work, and if Supplier fails or refuses to do so, repair or replace the same at Supplier's expense; (ii) reject any delivery of non-conforming or defective Work and return the same for credit or replacement at Supplier's sole cost and risk; or (iii) cancel any outstanding deliveries and treat such breach by Supplier as Supplier's repudiation of the Purchase Order. Supplier's becoming the subject of bankruptcy or insolvency proceedings shall constitute a breach of the Purchase Order by Supplier. If the Port breaches the Purchase Order, Supplier's exclusive remedy shall be recovery of any goods shipped and the payment of the price payable for Work delivered prior to the breach. No limitation or exclusion by Supplier of any right or remedy available to the Port shall be effective unless expressly and specifically agreed to by the Port in writing. Under no circumstances shall the Port be responsible for consequential, punitive, or incidental damages.

7. LAWS, REGULATIONS, PERMITS. Supplier shall comply with all applicable laws, ordinances, rules, regulations, codes, professional standards, permits, and/or land use restrictions or limitations of any governmental authority at any time applicable to Supplier, the Work or the Purchase Order ("**Applicable Law**"). Supplier shall obtain and maintain in full force and effect all professional, contracting and other permits and licenses required to undertake or supply the Work.

8. ADA. Without limiting Supplier's obligations to comply with Applicable Laws generally, Supplier hereby warrants that all Work complies with the accessibility requirements of the American with Disabilities Act of 1990, other similar state and federal laws and their implementing regulations, as applicable. Supplier agrees to promptly respond to and resolve any complaint regarding accessibility of the Work which is brought to its attention. Supplier further agrees to indemnify, defend and hold harmless the Port and all of its officers,

commissioners, agents, departments, officials, representatives and employees using the Work from any loss, liability or claim arising out of its failure to comply with these accessibility requirements.

9. NON-DISCRIMINATION. Without limiting Supplier's obligation to comply with Applicable Laws generally, Supplier shall not discriminate against any employee or applicant for employment, nor against any subcontractor or applicant for a subcontractor contract, because of race, color, religion, sex, national origin, ancestry, age (over forty (40)), physical or mental disability, cancer-related medical condition, a known genetic pre-disposition to a disease or disorder, veteran status, marital status, or sexual orientation.

10. OWNERSHIP OF NON-SOFTWARE WORK PRODUCT. Any interest (including copyright or other interests in intellectual property) of Supplier in studies, reports, memoranda, computational sheets, designs, drawings, specifications or any other documents (including electronic media) or work product prepared by or on behalf of Supplier in connection with the Work (collectively, the "**Work Product**"), whether or not embodied therein, constitutes a work for hire and is the property of the Port. Supplier shall pay all royalties and license fees necessary for or relating to the Work and shall defend all suits of claims for infringement of any patents or other intellectual property rights and shall indemnify the Port and hold it harmless from liability or loss on account thereof.

11. INSURANCE. Supplier shall maintain all insurance required under Applicable Law or commonly maintained by similarly situated, responsible businesses and in all events will maintain insurance of the types and in the amounts applicable to Supplier and the Work as required by the Port's *Supplier Insurance Requirements* posted from time to time on the Port's website (www.portoakland.com) and can be accessed by clicking on "Full Menu" (or the menu icon from your mobile device), then under the Business heading, click on "Purchasing and Accounts Payable", and scroll down to find the "Supplier Insurance Requirements (PDF)" to download the document, or alternatively type in the below link into your browser: http://www.portoakland.com/files/PDF/supplier_insurance.pdf

A courtesy copy of the Port's *Supplier Insurance Requirements* may be delivered to Supplier at the same time as the Purchase Order. (In the event of any conflict between any courtesy copy of the *Insurance Requirements*, and the version of the *Insurance Requirements* posted to the Port's website, the website version shall control). The type, scope and amounts of the required insurance may be increased should the scope of Work, in the opinion of the Port, warrant such increase, and Supplier shall obtain such insurance when so directed by the Port. If any portion of the Work is to be performed outside the United States, Supplier must contact the Port Risk Management Department regarding appropriate insurance. At the Port's request, Supplier shall file with the Port certificates evidencing the insurance maintained by Supplier and failure to do so shall constitute a material breach of the Purchase Order.

12. TAXES. Unless otherwise provided for in the Purchase Order, Supplier shall pay all taxes levied upon the Purchase Order or the Work performed or supplied pursuant hereto without additional compensation, regardless of which party has liability for such tax under Applicable Law, and any deficiency, interest or penalty asserted with respect thereto. The Port shall pay only California sales and use tax and Alameda County uniform local sales and use tax. Supplier must separately itemize all sales and use taxes on its invoices.

13. BOOKS AND RECORDS. Supplier shall maintain all documents and records prepared by or furnished to Supplier in connection with the Purchase Order and backup for all costs for which the Port was directly or indirectly invoiced during the course of supplying or performing the Work for at least three (3) years following delivery of final payment by the Port, provided that all records relating to environmental consulting services and hazardous materials in, on or adjacent to the Port's property shall be maintained indefinitely. Supplier agrees that its books and records and facilities, or so much thereof as may be engaged in the performance of the Purchase Order, are subject to inspection and audit at all reasonable times by any authorized representative of the Port. Supplier agrees to waive, to the greatest extent permitted by Applicable Law, the defense of laches, statute of limitations, or any other defense based upon the Port's failure to timely file an action with regard to any matter arising out of the Purchase Order.

14. WAIVER AND HOLD HARMLESS. Supplier waives any and all claims, causes of action and rights to recovery, in law or in equity, against the Port for losses, liabilities, damages or injuries of any nature or kind, including injuries to Supplier's employees or subcontractors, regardless of whether such losses, damages, liabilities or injuries are covered by insurance. This provision is intended to waive fully, for the benefit of the Port, any rights or claims that might provide a right of subrogation in favor of any insurer providing insurance with respect to the Purchase Order. To the fullest extent permitted by Applicable Law (including, without limitation, California Civil Code Section 2782), Supplier shall defend (with legal counsel chosen or approved by the Port), indemnify and hold the Port and all of its officers, Commissioners, agents, departments, officials, representatives and employees harmless from and against any and all claims, loss, or liability of every kind, nature and description that arise from or relate to, directly or indirectly, in whole or in part: (i) the Work under the Purchase Order, or any part thereof; or (ii) any act or omission of Supplier, its employees, subcontractors or representatives.

15. CHANGES. The Purchase Order may not be modified, supplemented, or terminated without the Port's prior written approval. The Port may make changes to the Purchase Order at any time, and Supplier agrees to accept such changes. If such changes result in additional costs, the Port shall make an equitable adjustment to the purchase price at Supplier's request, provided that Supplier itemizes and justifies to the Port's satisfaction in writing the adjustment requested within five (5) days of delivery of the change notification.

16. SUSPENSION OR TERMINATION. Supplier must continue to perform the Work under the Purchase Order throughout the course of any dispute, and Supplier's failure to continue Work during a dispute shall itself constitute a material breach of the Purchase Order. The Port may, with or without cause, direct Supplier to suspend, delay or interrupt the execution of any Work, in whole or in part, for such periods of time as the Port may determine in its discretion; any such directives must be in writing. The Port may, at any time, terminate the Purchase Order for its own convenience with the Port's liability limited to the services or goods received by the Port prior to delivery of the Port's termination notice. Upon any termination, Supplier shall assign to the Port in the manner, at times and to the extent directed by the Port, all right, title, and interest of Supplier under procurement orders and subcontracts relating to Work so terminated and shall transfer title and possession to the Port of Work Product, completed and uncompleted designs and specifications, Work in process, completed Work, supplies, and other material produced or fabricated as part of, or acquired in connection with performance of the Work terminated by the notice of termination.

17. CONFIDENTIALITY AND PUBLICITY. All data, information, reports, plans, designs and other documents received from the Port or its employees, agents or representatives or generated by Supplier in connection with the Work (collectively, the “**Confidential Information**”) are private and confidential and shall remain the sole and exclusive property of the Port. Supplier shall not disclose the identity of the Port, nor distribute or disclose Confidential Information to any third party, without prior express written authorization from the Port. All Confidential Information shall be deemed confidential and Supplier shall take all reasonable precautions to prevent its disclosure to unauthorized persons. Any publicity or press releases with respect to the Work or the Purchase Order shall be under the Port’s sole discretion and control.

18. COVENANT AGAINST CONTINGENT FEES. Supplier warrants that no person or agency has been employed or retained to solicit or obtain the Contract upon an agreement or understanding for a contingent fee, except a bona fide employee or agency. For breach or violation of this warranty, the Port, at its option, may annul the Contract or deduct from the contract price or otherwise recover from Supplier the full amount of the contingent fee. As used in this Section, "bona fide agency" means an established commercial or selling agency, maintained by Supplier for the purpose of securing business, that neither exerts nor proposes to exert improper influence to solicit or obtain Port contracts nor holds itself out as being able to obtain any Port contract or contracts through improper influence. As used in this Section, "bona fide employee" means a person, employed by Supplier and subject to Supplier’s supervision and control as to time, place, and manner of performance, who neither exerts nor proposes to exert improper influence to solicit or obtain Port contracts nor holds itself out as being able to obtain any Port contract or contracts through improper influence. As used in this Section, "contingent fee" means any commission, percentage, brokerage, or other fee that is contingent upon the success that a person or concern has in securing a Port contract. As used in this Section, "improper influence" means any influence that induces or tends to induce a Port Commissioner, employee or officer to give consideration or to act regarding a Port contract on any basis other than the merits of the matter.

19. FEDERAL AIP GRANT COMPLIANCE. By executing this Contract, Supplier agrees and certifies that Supplier will comply with the FAA Airport Improvement Program (AIP) provisions set forth below (Sections 20 through 24) and Supplier shall also include each of these provisions in all of its contracts and subcontracts related to this Contract. For purposes of Sections 19 through 24, Supplier is sometimes hereinafter referred to as “Contractor” and Port is sometimes hereinafter referred to as “Sponsor”.

20. GENERAL CIVIL RIGHTS PROVISIONS. The Contractor agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. This provision binds the Contractor and subtier contractors from the bid solicitation period through the completion of the Contract. This provision is in addition to that required of Title VI of the Civil Rights Act of 1964.

21. COMPLIANCE WITH NONDISCRIMINATION REQUIREMENTS. During the performance of this Contract, the contractor, for itself, its assignees, and successors in interest (hereinafter collectively referred to as the “Contractor”) agrees as follows:

21.1 COMPLIANCE WITH REGULATIONS. In all solicitations, either by competitive bidding, or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the Contractor's obligations under this Contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

21.4 INFORMATION AND REPORTS. The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

21.5 SANCTIONS FOR NONCOMPLIANCE. In the event of a Contractor's noncompliance with the Non-discrimination provisions of this Contract, the Sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

- a. Withholding payments to the Contractor under the Contract until the Contractor complies; and/or
- b. Cancelling, terminating, or suspending a Contract, in whole or in part.

21.6 INCORPORATION OF PROVISIONS. The Contractor will take action with respect to any subcontract or procurement as the Sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Contractor may request the Sponsor to enter into any litigation to protect the interests of the Sponsor. In addition, the

Contractor may request the United States to enter into the litigation to protect the interests of the United States.

The parties agree that the Port, as a licensee of such rights under this Agreement, will retain and may fully exercise all of its rights and elections under the U.S. Bankruptcy Code; however, nothing in this Agreement may be deemed to constitute a present exercise of such rights and elections. Supplier hereby agrees and consents that, in the event an order for relief under the United States Bankruptcy Code has been entered with respect to the Port, the Port will be permitted to assume this Agreement and all licenses set forth herein pursuant to 11 U.S.C. § 365, notwithstanding any right Supplier may have pursuant to 11 U.S.C. § 365(c)(1) to object to such assumption. Notwithstanding the foregoing, however, where the Work of the Software involves any access, collection, handling or storage of personally-identifiable information or other Port data by Supplier (or through or at Supplier's computer systems), Supplier must gain the Port's prior written approval for the use of any such facilities or providers through which such information or data will be handled or stored outside the United States.
